

Decision No. C25-0560

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 25A-0129R

IN THE MATTER OF THE APPLICATION OF CITY AND COUNTY OF DENVER FOR AUTHORITY TO MODIFY THE EXISTING CROSSING TO ADD A PROTECTED BIKE LANE ON THE EXISTING ROAD UNDER THE REGIONAL TRANSPORTATION DISTRICT A-LINE OVERPASS AT GREEN VALLEY RANCH BLVD LOCATED APPROXIMATELY 500' EAST OF PENA BLVD IN THE CITY AND COUNTY OF DENVER, STATE OF COLORADO.

**COMMISSION DECISION GRANTING UNOPPOSED
MOTION FOR EXTENSION OF TIME**

Issued Date: July 30, 2025

Adopted Date: July 23, 2025

I. STATEMENT

A. Procedural History

1. This matter comes before the Commission for consideration of a Motion for Extension of Time (“Motion”) filed by the City and County of Denver (“Denver”) filed on June 23, 2025, requesting an extension of time to July 7, 2025 to file additional documentation with the Commission showing that Denver owns the land at the crossing upon which the Regional Transportation District constructed a grade separated crossing.

2. By Decision No. C25-0422, issued June 4, 2025, the Commission deemed the Application complete, granted the Application, and required Denver to file a copy of the signed Construction and Maintenance Agreement with the Regional Transportation District by June 20, 2025, prior to starting work at the crossing.

3. On June 23, 2025, Denver filed its Motion for Extension of Time to submit documentation showing that Denver owns the land beneath the crossing. Denver requested until July 7, 2025, to provide this filing. Denver’s motion states Denver is in the process of locating the documentation showing that Denver owns the land beneath the crossing and it has the legal authority to perform the work authorized by the Commission in Decision No. C25-0442. RTD does not oppose the relief requested in the Motion.

4. Because the requested date of the extension of time is past the issued date of this Commission Decision, we will grant the extension of time to August 7, 2025, on our own motion.

B. Conclusion

5. The Motion states good cause to grant the extension of time within which to submit documentation relevant to the compliance filings ordered by the Commission.

6. The Motion will not create any safety issues since the crossing in question is grade separated.

7. Now being fully advised, we grant Denver’s Motion.

II. ORDER

A. The Commission Orders That:

1. The Motion for Extension of Time by the City and County of Denver (“Denver”) to file additional documentation with the Commission showing that Denver owns the land at the subject crossing is granted.

2. Denver is granted until August 7, 2025, to file its documentation with the Commission.

3. The remaining compliance ordered in Decision No. C25-0422 remains as ordered.

4. This Decision is effective upon its Issued Date.
