OPERATIONS AS A COMMON CARRIER)
BY MOTOR VEHICLE FOR HIRE.)

**COMMISSION ORDER GRANTING
TEMPORARY AUTHORITY**

Mailed date: April 7, 1992
Adopted date: April 1, 1992

STATEMENT, FINDINGS, AND CONCLUSIONS

BY THE COMMISSION:

1. On February 13, 1992, Kids Wheels Ltd. Liability Co. filed Docket No. 92A-075CP for temporary authority to conduct operations as a common carrier by motor vehicle for hire for the transportation of passengers and their baggage, in call-and-demand limousine service, between all points in the following described area: beginning at the intersection of Colfax Avenue and Gun Club Road (as extended); thence south along Gun Club Road (as extended) to its intersection with Lincoln Avenue (as extended); thence west along Lincoln Avenue (as extended) to its intersection with Colorado State Highway 93 (as extended); thence north along Colorado State Highway 93 (as extended) to its intersection with Colfax Avenue (as extended); thence east along Colfax Avenue (as extended) to the point of beginning. This application is restricted: (1) to the transportation of persons 17 years of age or younger; and (2) to the use of vehicles with a minimum passenger capacity of seven and a maximum of 12.

2. The Commission gave notice of the applicant on March 16,

1992. Interventions opposing a grant of the application were filed by Fred Tiller, doing business as American Limousine Service\Boulder Airporter, Inc. and Zone Cab Company.

3. By § 40-6-120, C.R.S., the application for temporary authority is under consideration for a Commission order.

4. Section 40-6-120(1), C.R.S., authorizes the Commission to grant temporary authority when there appears to be ". . . an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need."

5. The support filed on behalf of this application indicates that there is a need in the specified service area for a carrier to transport school age children to various activities such as soccer and basketball practice, choir, girl scouts, and dentist appointments. The parents who signed these support letters need the proposed service due to their work hours. They further state that taxi and limousine service is too expensive and that this type of service must be arranged on a daily basis. The parents need a service that can be contacted once a week and will then meet the child's schedule.

6. The Commission finds due to the facts stated in paragraph 5 above, there is an immediate and urgent need for additional transportation services. The Commission will grant the application.

7. The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to operate under all Commission rules and regulations governing carriers by motor vehicle.

8. This application for temporary authority is in the public interest and should be granted.

9. The Applicant is advised that the granting of a temporary authority makes no presumption that permanent authority will be granted.

THEREFORE THE COMMISSION ORDERS THAT:

1. Kids Wheels Ltd. Liability Co. is granted temporary authority to conduct operations as a common carrier by motor vehicle for hire for a period of 180 days commencing from the mailed date of this order, with authority as set forth in the attached appendix.

- 2 -

2. Kids Wheels Ltd. Liability Co. shall not commence operation until all requirements have been met and notice in writing has been received from the Commission that the Applicant is in compliance and may begin service.

3. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this decision.

4. This Order is effective on its date of mailing.

DONE IN OPEN MEETING on April 1, 1992.
