STATEMENT, FINDINGS, AND CONCLUSIONS

BY THE COMMISSION:

1. Proper notice of the filing of this application has been given under § 40-6-108(2), C.R.S. Under § 40-6-109(5), C.R.S., this matter may be determined without a hearing.
2. The evidence submitted warrants the approval of the transfer as ordered.
3. The financial standing of the Transferee has been satisfactorily established and the transfer is in the public interest.
4. The Transferee is fit, willing, and able to properly engage in bona fide motor carrier operations under the authority to be transferred.

THEREFORE THE COMMISSION ORDERS THAT:

1. Applicants are authorized to transfer Contract Carrier Permit No. B-8497, subject to encumbrances, if any, against said authority.

2. The right of Transferee to operate under this Order shall depend on its compliance with all present and future laws and Commission rules and regulations, and the prior filing by Transferor of delinquent reports, if any, covering operations under the Permit up to the time of transfer.

3. Transferee shall cause to be filed with the Commission certificates of insurance as required by Commission rules. Transferee shall also adopt the tariff of the Transferor which shall become that of Transferee until changed according to law. Transferee shall pay the vehicle identification fee. Transferor shall file a terminating annual report from the 1st of January to the date of this Order. Applicants shall file an acceptance of transfer signed by both the Transferor and Transferee. Operations may not begin until these requirements have been met. If the Applicants do not comply with the requirements of this ordering paragraph within 60 days of the effective date of this Order then ordering paragraph 1 above, which grants authority to the Transferee, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 60 days.

4. This Order is effective on its date of mailing.
