STATEMENT

This application was filed on November 1, 1993, and the Commission gave notice of it on November 8, 1993. Interventions were filed by the Staff of the Commission on November 8, 1993, and by the Burlington Northern Railroad Company (Burlington) on December 3, 1993.

By order and notice of hearing dated January 26, 1994, the matter was set for a hearing to be held on March 15, 1994, at 9:00 a.m. in a Commission hearing room in Denver, Colorado. By Decision No. R94-251-I, March 10, 1994, the hearing was vacated and the parties ordered to file a final stipulation and construction and maintenance agreement no later than April 15, 1994, or in the alternative, a status report. A status report was filed on April 18, 1994, indicating progress towards finalization of the stipulation and construction and maintenance agreement, with the final stipulation to be filed no later than May 20, 1994.

On May 18, 1994, Applicant, Burlington, and the Staff filed a Stipulation and Joint Motion for Determination of Application Without Formal Hearing. Attached to that stipulation and joint motion is the agreement between the City of Arvada and Burlington for construction and maintenance of the Ralston Road grade separation project as well as construction plans. The parties to

the proceeding request that the application be granted in accordance with the agreement and construction plan submitted.

The public interest and the public health, safety, and welfare require that the proposed application be granted. The completion of the project proposed in the application will prevent accidents and promote the public safety. The application should be granted in accordance with the stipulation, and the costs allocated as set forth in the agreement.

In accordance with § 40-6-109, C.R.S., it is recommended that the Commission enter the following order.

ORDER

THE COMMISSION ORDERS THAT:

All of the above projects shall be performed, and the costs of the projects allocated, in accordance with the agreement entered into between the City of Arvada and the Burlington Northern Railroad Company and the construction plans attached to the stipulation filed May 18, 1994.

2. This Recommended Decision shall be effective on the day it becomes the Decision of the Commission, if that is the case, and is entered as of the date above.

- b. **IF A PARTY SEEKS TO AMEND, MODIFY, ANNUL, OR REVERSE BASIC FINDINGS OF FACT IN ITS EXCEPTIONS, THAT PARTY MUST REQUEST AND PAY FOR A TRANSCRIPT TO BE FILED, OR THE PARTIES MAY STIPULATE TO PORTIONS OF THE TRANSCRIPT ACCORDING TO THE**
