**COMMISSION ORDER DENYING
EMERGENCY TEMPORARY AUTHORITY**

Mailed date: February 23, 1996
Adopted date: February 21, 1996

I. BY THE COMMISSION:

Statement, Findings, and Conclusion

1. On February 9, 1996, J.B.J. Builders Corp., doing business as Metro Casino Express, Inc., filed an application (Docket No. 96A-062BP-ETA) for emergency temporary authority to conduct operations as a contract carrier by motor vehicle for hire for the transportation of passengers and their baggage between Harvey's Wagon Wheel Hotel Casino located in Central City, Colorado, on the one hand, and all points within a one-half mile radius of the intersection of Colfax Avenue and Wadsworth Boulevard, in Lakewood, Colorado, on the other hand. This application is restricted to providing service for only Harvey's Wagon Wheel Hotel Casino ("Harvey's").

2. On February 20, 1996, interventions opposing a grant of the application were filed by Casino Transportation, Inc. and Queen City Transportation, Inc. Also, on February 20, 1996, a petition to

intervene was filed by Black Hawk Central City Ace Express, Inc.

3. By § 40-6-120, C.R.S. , the application for emergency temporary authority is under consideration for a Commission order.

4. Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized to grant emergency temporary authority when there appears to be an emergency need to any point or within a territory having no carrier service capable of meeting such need.

5. This application was filed under the guise of contract carriage, however, a review of the Passenger Transportation Agreement signed by both the Applicant and a representative of Harvey's indicates that the proposed service is common rather than contract carriage by nature. There is no indication of an emergency need for the requested service, and there are several other carriers authorized to provide scheduled service from the Denver metropolitan area to Central City.

6. The Commission finds that the letter filed in support of this application does not establish that there is an emergency need for additional transportation services.

7. This application for emergency temporary authority is not in the public interest and should be denied.

II. ORDER:

A. The Commission Orders That:

1. The petition to intervene, filed by Black Hawk Central City Ace Express, Inc., is granted.

2. This application is denied.

3. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.

B. This Order is effective on its Mailed Date.

C. ADOPTED IN OPEN MEETING February 21, 1996.
