1. Paragraph 10 of this Decision reads as follows:

10. According to the franchise agreement, as consideration for the franchise rights granted and in recognition of Black Hills' right to use the Town streets, the Town requires Black Hills to collect and remit to the Town a franchise fee equal to two percent of all revenues received from the sale of natural gas service within the Town, excluding revenues received from the Town for the sale of natural gas service to the Town. Additionally, the franchise fee will now also be assessed to transport customers. These transport customers were duly noticed by mail on May 11, 2021.

The sentence that states that the franchise fee is equal to two percent of all revenues is incorrect.

The franchise fee is equal to three percent of all revenues. In addition, the last two sentences of the paragraph should be deleted. Paragraph 10 is amended to read as follows:

10. According to the franchise agreement, as consideration for the franchise rights granted and in recognition of Black Hills' right to use the Town streets, the Town requires Black Hills to collect and remit to the Town a franchise fee equal to three percent of all revenues received from the sale of natural gas service

within the Town, excluding revenues received from the Town for the sale of natural gas service to the Town.
