REQUEST FOR ALTERNATIVE FORM OF NOTICE**

Mailed Date: December 2, 2020
Adopted Date: November 25, 2020

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On November 17, 2020, pursuant to § 40-3-104(1)(c)(I)(E) C.R.S. and Commission Rule 4 *Code of Colorado Regulations* (CCR) 723-1207(b) of the Commission’s Rules of Practice and Procedure, Black Hills Colorado Electric, LLC (Black Hills or Company), filed a Motion for Approval of Alternative Form of Notice (Motion) applicable to Advice Letter No. 796-Electric. By Advice Letter No. 796-Electric, Black Hills seeks to amend its Community Solar Gardens (“CSG”) Fixed Bill Credits on Tariff Sheet 94I in the Rates section of its Colo. P.U.C. No. 11-Electric Tariff. According to Black Hills the CSG Fixed Bill Credits are proposed for the next annual period beginning on January 1, 2021.

2. Black Hills states it filed Advice Letter No. 795-Electric to amend tariffs for Community Solar Gardens (“CSG”) Fixed Bill Credits on Tariff Sheet 94I in the Rates section of

its Colo. P.U.C. No. 11-Electric Tariff. The CSG Fixed Bill Credits are proposed for the next annual period beginning on January 1, 2021.

3. Black Hills seeks Commission approval to provide alternative form of notice of its proposed tariff amendment using the following forms of alternative notice:

a. Filing with the Commission, and keeping open for inspection, Advice Letter No. 796-Electric, which amends CSG Fixed Bill Credits on Tariff Sheet No. 94I in the Rates section of its Colo. P.U.C. No. 11-Electric Tariff. The Company will also post on its website at the time of filing: (1) a Customer Notice attached as Attachment 1; and (2) Advice Letter No. 796-Electric and its accompanying tariff sheet, for 45 days. The website posting will include a reference to the applicable proceeding number. The applicable website address for the posting of Advice Letter No. 796-Electric, Attachment 1, and the accompanying tariff sheet is: <http://www.blackhillsenergy.com/rates/applications>

b. Printing a message on each applicable customer's bill providing the website URL for the Customer Notice and Advice Letter No. 796-Electric and its accompanying tariff sheet, with local and toll-free phone numbers for assistance, beginning within one week after the filing of Advice Letter No. 796-Electric. The bill message will run for one full billing cycle. The bill message will read as follows:

All Retail customers except Lighting class:

We filed to amend the CSG Fixed Bill Credits effective January 1, 2021, if approved. Call 888.890.5554 or 719.546.5885 or visit blackhillsenergy.com/rates/applications for full details.

c. Publishing a legal notice of Advice Letter No. 796-Electric (Attachment 1), with size dimensions of four columns width and 11 inches height, in three newspapers of general circulation for the service territory: 1) *The Pueblo Chieftain* (two consecutive Tuesdays, November 24 and December 1, 2020); and, 2) *The Cañon City Daily Record* (two consecutive Fridays, December 4 and December 11, 2020); and, 3) *The Rocky Ford Daily Gazette* (two consecutive Thursdays, December 3 and December 10, 2020).

4. Black Hills maintains there is good cause for the alternative form of notice requested by this Motion. Black Hills notes the Company's bill message does not conflict with its billing cycle, and it provides visibility to the customer because it is presented on the first page of the bill, where the customer looks for dollar amount due and the payment deadline. Additionally,

the toll-free phone number provided in the bill message will give customers a second option to learn more about the new tariff if they cannot access the internet for the Company's website. Further, Black Hills states the newspaper publications will ensure general notice to customers throughout the Company's service territory and the alternative forms of notice are expeditious and economic for the Company's customers. The Company additionally states the newspaper publications ensure general notice to customers throughout the Company's service territory. Black Hills maintains these alternative forms of notice are expeditious and economic for the Company's customers.

5. Pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and 4 CCR 723-1-1207(b) a utility may request to provide an alternative form of notice of proposed tariff changes. We find that the alternative forms of notice Black Hills proposes in its Motion will provide sufficient notice to its customers and will do so efficiently. We therefore find good cause to approve the alternative forms of notice Black Hills requests.

II. ORDER

A. It Is Ordered That:

1. The Motion for Approval of Alternative Form of Notice filed by Black Hills Colorado Electric, LLC on November 17, 2020, is granted.

2. This Decision is effective on its Mailed Date.
