Your honor this is Mr Houston's brother-in-law again speaking with you we are really asking you to put this out for at least a month and a half or so to give Mr Houston time to recover from his procedures that he had done which was three cats three stents to the heart and he needs recovery from this and the pressure is just way too much for him right this second we are keeping this from him we don't need him getting all uptight and worrying about that he's got to be talking to you guys on the phone and stuff like that we do not want to get him going the doctors want them to stay as, as possible we are just asking for this regret this this request so Mr Houston can be well enough to present himself to you
