**I. STATEMENT AND SUMMARY**

1. Except as noted, this Recommended Decision grants the relief sought in the Public Utilities Commission Staff’s (Commission Staff or Staff) Complaints against the motor-carrier Respondents listed in Appendix A to this Recommended Decision, revoking Respondents’ authorities and permits based on their failure to keep currently effective proof of financial responsibility on file with the Public Utilities Commission (Commission or PUC). This Recommended Decision provides avenues for Respondents listed in Appendix A to avoid revocation by taking action before this Recommended Decision becomes effective. Finally, this Recommended Decision dismisses the Complaint against one Respondent who has filed an Application to suspend its permit.

**II. BACKGROUND, FINDINGS, LAW, ANALYSIS, AND CONCLUSIONS**

**A. Background**

2. Commission Staff instituted the cases in this proceeding by “Order of Summary Suspension and Complaint and Notice of Hearing” (Complaints) against the motor carrier-Respondents<sup>1</sup> in this proceeding on March 6, 2023.<sup>2</sup>

---

<sup>1</sup> This proceeding involves numerous Respondents against whom the Commission initiated Complaints by sending them each an “Order of Summary Suspension and Complaint and Notice of Hearing.” Hearing Exhibit 2. Each of those Complaints, which is assigned a unique “Case No.,” specifies the grounds unique to each Respondent. And each of those case numbers are part of this single proceeding.

<sup>2</sup> Hearing Exhibit 2.

3. The Complaints against each of the Respondents allege that the Commission received notice from the Respondents' insurance or surety carriers that the Respondents' insurance or surety coverage will be cancelled as specifically identified in each Complaint.<sup>3</sup> The Complaints further notify Respondents that their authorities or permits have been, or will be, summarily suspended on the date specified in each Complaint and inform Respondents that a hearing will be held by video-conference on March 22, 2023, at 12:00 p.m. to determine whether their authorities or permits should be permanently revoked for failing to maintain proper evidence of insurance or surety coverage with the Commission.<sup>4</sup>

4. On March 21, 2023, Staff made a filing stating that Hearing Exhibits 1 through 5 were served on Respondents by e-mail that same day; at the same time, Staff filed those exhibits.<sup>5</sup>

5. The Administrative Law Judge (ALJ) held the hearing as noticed in the Complaints, on March 22, 2023, at approximately 12:00 p.m. Staff appeared with counsel. Mr. Fnu Nidayawati appeared unrepresented on behalf of Respondent NW Building Services (NW).

6. During the hearing, Ms. Marquita Riley testified and Hearing Exhibits 1 through 5 were admitted into evidence without objection. Mr. Nidayawati did not offer any exhibits on behalf of Respondent NW Building Services.

## B. Factual Findings

7. Ms. Riley is responsible for reviewing Commission records and coordinating with other Commission Staff to commence proceedings against motor carriers to suspend and revoke their permits and authorities when they do not have currently effective proof of insurance or surety coverage on file with the Commission. Ms. Riley assisted with initiating this proceeding against Respondents because the Commission received notice from each of the Respondents' insurance or surety carriers of the imminent cancellation of their insurance or surety coverage.<sup>6</sup>

8. Ms. Riley explained that the Commission served the Complaints and Attachment A to the Complaints upon the Respondents by United States mail on March 6, 2023, at the addresses, and upon the persons identified as designated agents for the Respondents, as provided in the Commission's files.<sup>7</sup>

9. Respondents provided the Commission the addresses and identities of their designated agents that were used to serve the Complaints in this proceeding. The Certificate of Service for the Complaints demonstrates that the Commission served the Respondents by mailing the Complaints addressed as indicated in the "Hearing Cycle Listing."<sup>8</sup> The referenced Hearing Cycle Listing is Hearing Exhibit 1.<sup>9</sup> Hearing Exhibit 1 includes those carriers listed in Hearing Exhibit 5, their designated agents and addresses on file with the Commission as of March 6, 2023, and whose insurance or surety faced imminent termination as of that same date.<sup>10</sup>

<sup>6</sup> Hearing Exhibits 1-3.

<sup>7</sup> Hearing Exhibits 1-4.

<sup>8</sup> Hearing Exhibit 4.

<sup>9</sup> See Hearing Exhibits 1 and 4.

<sup>10</sup> See also Hearing Exhibit 2.

10. Ms. Riley testified that the Complaint against Aspen Luxury Transportation, LLC, (Aspen Luxury), PUC No. LL-03746 (Case No. 13323-INS) was initially returned as undeliverable. But, Ms. Riley testified, she found an alternative address for Aspen Luxury, mailed the Complaint and Attachment A to Aspen Luxury at the alternative address, and did not receive back the Complaint mailed to the alternative address as undeliverable.

11. On March 21, 2023, Ms. Riley searched Commission records to determine whether any Respondents took other action rendering it unnecessary to revoke their permits, such as coming into compliance with their financial responsibility obligations, cancelling their permits, or initiating a Commission proceeding which may impact this one (*e.g.*, application seeking to suspend a permit). She identified Respondents who came into compliance with their financial responsibility obligations or took other action rendering it unnecessary to revoke their permits after the Complaints were mailed. She created an updated list of Respondents who remained out of compliance with the Commission's financial responsibility requirements as of March 21, 2023. That list is Hearing Exhibit 5.<sup>11</sup>

12. Ms. Riley testified that on March 21, 2023, Hearing Exhibits 1 through 5 were served on Respondents who remained out of compliance as of that date at their e-mail addresses on file with the Commission.<sup>12</sup> She also explained that the Respondents provided those e-mail addresses to the Commission.

---

<sup>11</sup> In contrast, Hearing Exhibit 1 is the list of carriers who were non-compliant when the Commission issued the Complaints on March 6, 2023. As the difference in the number of carriers listed in Hearing Exhibits 1 and 5 makes evident, many carriers came into compliance since the Commission issued the Complaints. All the carriers listed in Hearing Exhibit 5 are listed in Hearing Exhibit 1.

<sup>12</sup> See Notice.

13. On the day of the hearing, March 22, 2023, Ms. Riley again reviewed Commission records to determine if any Respondents listed in Hearing Exhibit 5 took action to eliminate the need to revoke their permits. Ms. Riley did not discover any additional respondents who had come into compliance or had proof of their financial responsibility filed with the Commission on their behalf.

14. Prior to the hearing, Ms. Riley also researched Commission records to determine whether any Respondent has a pending application or proceeding before the Commission that may affect the instant Proceeding (e.g., an application seeking to transfer, to suspend, or to abandon a certificate or permit). In reviewing Commission records on March 22, 2023, Ms. Riley found that one respondent, DNC Parks & Resorts at Rocky Mountain Park Inn, Inc., doing business as Ridgeline Tours (Ridgeline Tours) (PUC No. 55947, Case No. 13334-INS), had filed an Application to Suspend its permit.<sup>13</sup> Based on its Application to Suspend, Ms. Riley requested that the Complaint against Ridgeline Tours be dismissed.

15. Ms. Riley asked that the permits and authorities of the remaining Respondents listed in Hearing Exhibit 5 be revoked for failing to meet their financial responsibility obligations.

---

<sup>13</sup> See Proceeding No. 23A-0122CP-SUSP, filed March 14, 2023.

16. Consistent with Rule 1201(b)(II), 4 Code of Colorado Regulations (CCR) 723-1 of the Commission's Rules of Practice and Procedure and based on the record and the testimony of Mr. Nidyawati, the ALJ determined that NW is a closely-held entity owned by two individuals, one of whom is Mr. Nidyawati. Therefore, the ALJ determined that Mr. Nidyawati (a non-attorney) may represent NW in this proceeding and allowed Mr. Nidyawati to do so.

17. NW owns PUC No. T-05418. The Complaint against NW alleges that it failed to ensure that proof of active workers' compensation insurance (Commission Form WC) is on file with the Commission in the form and manner required.

18. Mr. Nidyawati testified that he received notice from his insurance carrier, Pinnacol Assurance, that the workers' compensation insurance coverage for NW was being cancelled effective January 18, 2023. Mr. Nidyawati stated that he does not know why Pinnacol cancelled the insurance coverage, as the payments are made automatically. Mr. Nidyawati testified that he is actively working to have the workers' compensation insurance reinstated but conceded that as of the date of the hearing, the workers' compensation insurance had been cancelled and was not in effect.

19. Ms. Riley testified that the Commission does not have a current copy of the requisite Form WC for NW demonstrating it possesses active workers' compensation insurance.

20. Based on this testimony and the evidence, the undersigned ALJ finds that NW has not established that Form WC has been filed on its behalf with the Commission.

**C. Applicable Law.****1. Financial Responsibility Requirements and the Commission's Authority to Revoke Permits and Authorities.**

21. Generally, motor carriers holding a Commission permit, authority, or certificate must maintain and file evidence of financial responsibility with the Commission in such sum, for such protection, and in such form as the Commission deems necessary to adequately safeguard the public interest.<sup>14</sup> Motor carriers must ensure their insurance or surety coverage is kept continuously effective during the life of a certificate or permit to operate.<sup>15</sup> Commission Rule 6008, 4 *Code of Colorado Regulations* (CCR) 723-6 of the Rules Regulating Transportation by Motor Vehicle, identifies the amount, type of protection, and form for the insurance or surety coverage that motor carriers must maintain at all times in order to safeguard the public interest.

22. Specifically, motor carriers must obtain and keep motor vehicle liability insurance or surety bond coverage in force at all times.<sup>16</sup> In addition to motor vehicle liability coverage, towing carriers and household goods movers must maintain and keep cargo liability insurance or surety bond coverage in force at all times.<sup>17</sup> Towing carriers must obtain and keep workers' compensation insurance in force at all times; and towing carriers providing storage must obtain and keep garage keeper's liability insurance in force at all times.<sup>18</sup> And, in addition to motor vehicle liability and cargo liability coverage, household goods movers must obtain and keep general liability insurance or surety coverage in force at all times.<sup>19</sup>

<sup>18</sup> Rule 6008(a)(IV) and (V), 4 CCR 723-6.

<sup>19</sup> Rule 6008(a)(VI), 4 CCR 723-6.

23. Motor carriers are responsible for maintaining and filing evidence of the required financial responsibility coverage with the Commission.<sup>20</sup> They must ensure their insurance or surety coverage is kept continuously effective during the life of a certificate or permit to operate.<sup>21</sup> Insurers and sureties must notify the policy or bond holder *and* the Commission when terminating a policy or bond at least 30 days before the effective date of termination; failing that, termination is not valid.<sup>22</sup> As a result, the Commission regularly receives notice from insurance or surety carriers about imminent policy or bond terminations for motor carriers licensed by the Commission.<sup>23</sup>

24. Notice of cancellation from a motor carrier's insurance or surety carrier is evidence that the motor carrier no longer has proof of financial responsibility on file with the Commission.<sup>24</sup> Failure to have proof of current and effective insurance or surety coverage on file with the Commission creates a rebuttable presumption that the carrier is in violation of the financial responsibility requirements.<sup>25</sup>

25. Section 40-10.1-112(1)(a) and (c), C.R.S., provides that a Commission-issued authority or permit may be suspended, revoked, altered, or amended if it is established to the satisfaction of the Commission at a properly-noticed hearing that the holder of that authority or permit has violated Article 10.1, Title 40 of the Colorado Revised Statutes, or any applicable

Commission rule. Rules 6009 and 6011, 4 CCR 723-6, also provide the Commission authority to revoke a permit or authority in the circumstances here.

## 2. Notice and Service Requirements

26. The Commission must provide Respondents with notice of the Complaints against them, including sufficient facts to adequately advise Respondents of the relief sought and how they are alleged to have violated the law, as well as the time affixed for a hearing on the Complaints.<sup>26</sup> Such notice must be served upon the Respondents, which may be accomplished by mail.<sup>27</sup>

27. Regulated motor carriers must provide the Commission “its designation of the name, mailing address, and physical address of a Person upon whom service may be made of any lawful notice, order, process, or demand.”<sup>28</sup> That person is the motor carrier’s designated agent upon whom the Commission may serve complaints and other notices.<sup>29</sup> And, regulated motor carriers are responsible for updating the Commission on changes to their designated agent, including the agent’s mailing and email addresses, within two days of the change.<sup>30</sup> Service on a motor carrier’s designated agent on file with the Commission is service upon the carrier and is “prima facie evidence” that the carrier received notice.<sup>31</sup> A certificate of service issued by the Commission’s Director is *prima facie* evidence that service has been obtained.<sup>32</sup>

---

<sup>26</sup> §§ 40-10.1-112(1) and 40-6-108, C.R.S.; Rule 1302(h), 4 CCR 723-1, of the Commission’s Rules of Practice and Procedure; *see also* § 24-4-105(2), C.R.S.

<sup>27</sup> § 40-6-108(3), C.R.S.; Rule 1205(a) and (d), 4 CCR 723-1; *see also* § 24-4-104(10), C.R.S.

<sup>31</sup> Rule 6006(c) and (d), 4 CCR 723-6.

<sup>32</sup> § 40-6-108(3), C.R.S.

28. In addition, Commission Rule 1205(a), 4 CCR 723-1, requires that a person filing any pleading or other document with the Commission must serve all other parties; the same rule allows parties to serve pleadings and documents by e-mail.

### 3. Burden of Proof

29. Staff carries the burden of proof by a preponderance of the evidence to demonstrate that the allegations in the Complaints are true and that the Complaints were properly served on each of the Respondents.<sup>33</sup> The preponderance standard requires the fact finder to determine whether the existence of a contested fact is more probable than its non-existence.<sup>34</sup> A party has met this burden of proof when the evidence, on the whole, tips in favor of that party.<sup>35</sup>

#### D. Findings, Analysis, and Conclusions

30. The ALJ concludes that Staff demonstrated by a preponderance of the evidence that it properly served the Complaints and Attachment A thereto upon each of the Respondents listed in Hearing Exhibit 5 by mailing them to the designated agents and addresses on file with the Commission for each of the Respondents.<sup>36</sup>

31. The ALJ finds that the Complaints and Attachment A thereto comply with the relevant notice requirements because they: (a) inform Respondents that the Commission has received insurance or surety cancellation notices for each Respondent and the effective date of such cancellation; (b) advise Respondents that their authorities or permits are summarily

32. In addition, the ALJ concludes that on March 21, 2023, Staff served Hearing Exhibits 1 to 5 on Respondents listed in Hearing Exhibit 5 at the e-mail addresses which Respondents provided. As such, Respondents had the opportunity to review those exhibits before and during the hearing.<sup>38</sup>

33. The ALJ finds that Staff established by a preponderance of the evidence that the Commission received notice from the insurance or surety providers for the motor carriers identified in Hearing Exhibit 5 that their insurance or surety coverage was or will be cancelled or terminated.<sup>39</sup> This creates the rebuttable presumption that the Respondent carriers listed in Hearing Exhibit 5 are in violation of their respective financial responsibility requirements.<sup>40</sup> Except for Ridgeline Tours, no evidence rebutted that presumption.

<sup>39</sup> Hearing Exhibit 2.

<sup>40</sup> Rule 6008(e), 4 CCR 723-6.

34. The ALJ further finds that because DNC Parks & Resorts at Rocky Mountain Park Inn, Inc., doing business as Ridgeline Tours, has filed an Application to Suspend (Proceeding No. 23A-0122CP-SUSP) its permit (PUC No. 55947), the Complaint against it (Case No. 13334-INS) will be dismissed.

35. The ALJ finds that although Mr. Nidyawati is working to reinstate workers' compensation insurance coverage for NW Building Services, the insurance had not been reinstated as of the date of the hearing. The ALJ therefore finds that NW is not in compliance with Commission Rule 6008, 4 CCR 723-6.

36. Except as noted above, the preponderance of the evidence established that the Respondents listed in Hearing Exhibit 5 are out of compliance with their respective financial responsibility requirements per § 40-10.1-107(3), C.R.S., and Rule 6008, 4 CCR 723-6 as of the time of the hearing. The ALJ finds that Staff established by a preponderance of the evidence that the Commission's records do not show a currently effective level of financial responsibility in such form and in such manner as required by § 40-10.1-107, C.R.S., and Rule 6008, 4 CCR 723-6, as noted in the Complaints against each Respondent listed in Hearing Exhibit 5, except as noted above. Finally, the ALJ concludes that Staff met its burden of proof to show by a preponderance of the evidence that the allegations in the Complaints against Respondents listed in Hearing Exhibit 5<sup>41</sup> are true, except as noted.

---

<sup>41</sup> Hearing Exhibit 5 is attached to this Recommended Decision as Appendix A.

37. The Commission's only means of performing its important duty to the public to ensure that persons who hold an active motor carrier authority meet their financial responsibility obligations is to require documentation of the carriers' current and effective insurance or surety furnished in a uniform format to the Commission. The holder of the authority is responsible for ensuring that documentation is provided to the Commission. § 40-10.1-107, C.R.S., and Rule 6008, 4 CCR 723-6. Except as noted, the Respondents listed in Hearing Exhibit 5 have failed to do so. This failure warrants revocation of their permits or authorities.

38. Respondents may take action before the effective date of this Decision to avoid revocation. First, carriers may avoid revocation by: (a) obtaining insurance or surety coverage as required by Rule 6008, 4 CCR 723-6; and (b) causing proof of that insurance to be filed with the Commission in the form and manner required by Rule 6008, 4 CCR 723-6. The Complaints against carriers who take this action before the effective date of this Decision will be dismissed, and their permits will not be revoked.

39. In addition, limited regulation carriers,<sup>42</sup> luxury limousine carriers, household goods movers, towing carriers, and hazardous materials carriers who submit a form to cancel their permits or authorities before the effective date of this Decision may avoid revocation of

---

<sup>42</sup> Limited regulation carriers are defined as carriers who provide transportation service by charter bus, children's activity bus, fire crew transport, luxury limousine, Medicaid client transport, or off-road scenic charter. Rule 6001(qq), 4 CCR 723-6.

their permits. The Complaints against carriers who take this action before the effective date of this Decision will be dismissed, and their permits will not be revoked. Permit cancellation forms are available on the Commission's website at:

[https://drive.google.com/file/d/0B3u7jb\\_duOQ2QWlrMFlvUDJoNjQ/view?.authuser=0](https://drive.google.com/file/d/0B3u7jb_duOQ2QWlrMFlvUDJoNjQ/view?.authuser=0).

40. Fully regulated intrastate carriers, including common carriers operating a shuttle service, sightseeing service, charter service, taxicab service, and contract carriers who submit an application to suspend their authority under Rule 6205, 4 CCR 723-6, before the effective date of this Recommended Decision, may also avoid revocation of their permits. The Complaints against carriers who take this action before the effective date of this Decision will be dismissed, and their permits will not be revoked. Applications to suspend a common carrier authority are available at:

[https://drive.google.com/file/d/0B3u7jb\\_duOQ2dXZ0UTNIXzBvRIU/view](https://drive.google.com/file/d/0B3u7jb_duOQ2dXZ0UTNIXzBvRIU/view).

And applications to suspend a contract carrier authority are available at:

[https://drive.google.com/file/d/0B3u7jb\\_duOQ2U2JQS2dvek5HWm8/view](https://drive.google.com/file/d/0B3u7jb_duOQ2U2JQS2dvek5HWm8/view).

41. Having a permit revoked, cancelled, or suspended does not always mean that a carrier's business is permanently terminated. Generally, Commission rules allow many types of motor carriers, including luxury limousine, household goods movers, and towing carriers, to obtain new permits without difficulty by filing an application.<sup>43</sup> For the most part, such permits

---

<sup>43</sup> While the ALJ does not warrant or otherwise guarantee this outcome, it is her understanding that carriers may request that a prior permit number be reinstated as part of the carrier's application for a permit.

may be obtained by completing an application that can be submitted to the Commission online, providing related supporting information and proof of financial responsibility, and paying a fee.<sup>44</sup>

42. Applications for luxury limousine, towing, or household goods mover permits are available at the following link: <https://doraapps.state.co.us/puc/TransportationApplications/>. Referenced carrier types who voluntarily cancel their permits or whose permits are revoked may reapply for a permit.

43. As provided below, this Recommended Decision will not become effective for 20 days after the date the Decision is mailed. This allows ample time for Respondents to take action to avoid a final Commission decision revoking their permits or authorities.

44. Pursuant to § 40-6-109, C.R.S., the ALJ transmits the record of this proceeding, this recommended decision containing findings of fact and conclusions thereon, and a recommended order to the Commission.

### **III. ORDER**

#### **A. The Commission Orders That:**

1. Consistent with the above discussion, the Complaint against DNC Parks & Resorts at Rocky Mountain Park Inn, Inc., doing business as Ridgeline Tours, (PUC No. 55947, Case No. 13334-INS), is dismissed.

---

<sup>44</sup> Rule 6302 (luxury limousine application and permit); Rule 6503 (towing carrier application and permit); and Rule 6603 (household goods mover carrier application and permit). Carriers concerned about their ability to comply with application requirements may request that the Commission waive an application requirement, per Rule 1003(a), 4 CCR 723-1. That rule allows parties to request a waiver of a Commission rule; in deciding whether to waive a rule, the Commission may consider hardship, equity, or more effective implementation of a rule on an individual basis. 4 CCR 723-1. Such requests are decided on an individual and case-by-case basis and are outside the scope of this proceeding. *See* Rule 1003(a), 4 CCR 723-1.

2. Except for Respondent DNC Parks & Resorts at Rocky Mountain Park Inn, Inc., doing business as Ridgeline Tours, the authorities and permits listed in Appendix A, attached hereto, are revoked as of the effective date of this Recommended Decision.

3. Ordering Paragraph No. 2 will be void and the Complaint dismissed as to any Respondent who takes one of the following actions before the effective date of this Recommended Decision:

- a. files the required Certificate of Insurance or surety with the Commission;
- b. files an Application to Suspend their permit or authority with the Commission, if allowed by Commission rules; or
- c. submits a permit cancellation form to the Commission, if allowed by Commission rules.

4. Proceeding No. 23C-0108-INS is closed.

5. This Recommended Decision shall be effective on the day it becomes the Decision of the Commission, if that is the case, and is entered as of the date above.

6. As provided by § 40-6-109, C.R.S., copies of this Recommended Decision will be served upon the parties, who may file exceptions to it.

- a) If no exceptions are filed within 20 days after service or within any extended period of time authorized, or unless the decision is stayed by the Commission upon its own motion, this Recommended Decision will become the decision of the Commission and subject to the provisions of § 40-6-114, C.R.S.
- b) If a party seeks to amend, modify, annul, or reverse basic findings of fact in its exceptions, that party must request and pay for a transcript to be filed, or the parties may stipulate to portions of the transcript according to the procedure stated in § 40-6-113, C.R.S. If no transcript or stipulation is filed, the Commission is bound by the facts set out by the administrative law judge and the parties cannot challenge these facts. This will limit what the Commission can review if exceptions are filed.

7. If exceptions to this Recommended Decision are filed, they may not exceed 30 pages in length, unless the Commission finds good cause and permits this limit to be exceeded.
