REQUEST FOR ALTERNATIVE FORM OF NOTICE**

Mailed Date: May 31, 2024  
Adopted Date: May 8, 2024

**I. BY THE COMMISSION**

**A. Statement, Findings, and Conclusions**

1. On May 1, 2024, Public Service Company of Colorado (Public Service or Company) filed a Motion for Approval of an Alternative Forms of Notice (Motion) to apply to the Company’s Advice Letter and tariff filing to revise the Revenue Decoupling Adjustment (“RDA”) Pilot tariff (“RDA Pilot Tariff”) in its Colorado P.U.C. No. 8 – Electric tariff, effective June 1, 2024.

2. Public Service states that it filed Advice Letter No. 1949 – Electric to revise the RDA Pilot Tariff in the Company’s Colorado P.U.C. No. 8 - Electric tariff (the “RDA Filing”). The Company states that this Notice will provide direct notice to all Residential and Small Commercial customers, as well as parties who participated in the Company’s 2022 Phase I Electric Rate Case proceeding.

3. Public Service moves pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., to provide alternative forms of notice for the Company's filing to its customers. Public Service requests Commission approval to use the following forms of notice:

- Posting the legal notice, in *The Denver Post* on one (1) weekday for one week pursuant to § 40-3-104(1)(c)(I), C.R.S.; and
- Emailing a link to the RDA Filing to all intervenors in the Commission's E-filing System certificate of service in Proceeding No. 22AL-0530E, the Company's 2022 Phase I Electric Rate Case proceeding.;

4. Public Service maintains that good cause exists for the Commission to approve the proposed alternative forms of notice, and that it will avoid incurring the expense that is entailed in other forms of statutory notice. Included in its arguments, the Company asserts the proposed alternative forms of notice, including *The Denver Post*, will be sufficient to alert affected and interested parties of the changes that the Company is proposing by its Advice Letter in a timely fashion.

5. Pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and 4 CCR 723-1-1207(b) of the Commission's Rules of Practice and Procedure, a utility may request to provide alternative forms of notice of a tariff change. We find the alternative forms of notice the Company proposes in the Motion will provide sufficient notice to its customers and will do so efficiently. We therefore find good cause to approve the alternative forms of notice that the Company requests.
