I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On July 2, 2024, Mr. Charles Billups, the owner of Billups Transportation LLC (“Applicant”), filed an Application seeking approval to suspend operations under Certificate of Public Convenience and Necessity (“CPCN”) PUC No. 55986. Although the Application form states that the period for the requested suspension is “from July 1, 2024 through January 1, 2024,” it is clear from the supporting information that Mr. Billups made a typographical error. Therefore, the expiration date of the requested suspension period is construed to be January 1, 2025.

2. The Commission noticed this application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on July 8, 2024, for a period of ten days.

3. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is uncontested. Under § 40-6-109(5), C.R.S., this matter may be determined without a hearing.

4. In accordance with Rule 6205 of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* 723-6, the information submitted with this application warrants the granting of a suspension of operations.

5. The Application for authority to suspend CPCN PUC No. 55986 is not contrary to the public interest and will be granted.
