

Decision No. C24-0928

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 23A-0471E

IN THE MATTER OF THE APPLICATION OF PUBLIC SERVICE COMPANY OF COLORADO TO IMPLEMENT DELIVERY OF ONE-SECOND TIME-STAMPED ELECTRIC USAGE DATA.

**COMMISSION DECISION GRANTING APPLICATION
FOR REHEARING, REARGUMENT, OR
RECONSIDERATION OF DECISION NO. C24-0815 FOR
THE SOLE PURPOSE OF TOLLING THE STATUTORY
TIME LIMIT IN § 40-6-114(1), C.R.S.**

Issued Date: December 30, 2024

Adopted Date: December 18, 2024

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission for consideration of the Application for Rehearing, Reargument, or Reconsideration (“RRR” or “RRR Application”) of Decision No. C24-0815, which the Commission issued on November 13, 2024. The RRR Application was filed on December 3, 2024, by Mission:data Coalition, and asks the Commission to reconsider or clarify certain points in its decision addressing exceptions.

2. By this Decision, we grant the RRR Application for the sole purpose of tolling the 30-day statutory time limit in § 40-6-114(1), C.R.S. for the Commission to act upon such applications so that they will not be denied by operation of law.

B. Findings and Conclusions

3. Pursuant to § 40-6-114(1), C.R.S., we are required to consider and act upon any application for RRR within 30 days of its filing (in this case by January 2, 2024) or the application will be denied by operation of law. Given that many of the policy questions Mission:data raises in its RRR may be addressed in part, or possibly resolved, by Public Service Company of Colorado's recent Distribution System Plan ("DSP") filing, the Commission requires further time to consider the DSP filing and rule upon the RRR Application. This additional time will likely save the parties and Commission from duplicative briefing and analysis, and potentially conflicting decisions. Therefore, to allow for that additional time and to preclude a denial by operation of law, we grant the RRR Application for the sole purpose of tolling the statutory time limit.

4. This grant is procedural, and undertaken only to toll the statutory time limit in § 40-6-114(1), C.R.S. We will further deliberate on the issues raised for consideration in the RRR Application at a future Commissioners' Weekly Meeting and issue a separate decision ruling upon the merits of the application.

II. ORDER**A. The Commission Orders That:**

1. The Application for Rehearing, Reargument, or Reconsideration of Decision No. C24-0815, filed on December 3, 2024, by Mission:data Coalition is granted, consistent with the discussion above.

2. This Decision is effective immediately upon its Issued Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING
December 18, 2024.**
