Issued Date: January 14, 2025

Adopted Date: January 8, 2025

**I. BY THE COMMISSION**

**A. Statement**

1. By this Decision, we grant the Application filed by Inventive Wireless of Nebraska L.L.C., doing business as Vistabeam (“Vistabeam”), to obtain a Certificate of Public Convenience and Necessity (“CPCN”) to provide local services pursuant to 4 *Code of Colorado Regulations* (“CCR”) 723-25-4, Commission’s Rules Regulating Telecommunications Service and Providers of Telecommunications Service.

**B. Background**

2. On November 4, 2024, Vistabeam filed an application requesting a CPCN to provide Part IV services. Vistabeam seeks to provide fixed wireless, fiber internet, and VoIP services in Larimer, Weld, Logan, Sedgwick, Phillips, Morgan, Washington, and Yuma counties.

3. On November 14, 2024, notice of the application was provided to all persons, firms, or corporations, interested in, or affected by the grant or denial of the request. Interventions were due on or before December 16, 2024. No interventions were received in this proceeding.

4. On November 21, 2024, Vistabeam submitted a supplement to their application, a notarized attestation.

**C. Discussion**

5. No one has filed an intervention opposing the application. We, therefore, find that the Application is unopposed and considered without a formal hearing pursuant to § 406109(5), C.R.S.

6. The Commission modified its Rules Regulating Telecommunications Services and Providers of Telecommunications Services, 4 CCR 723-2 (Proceeding No. 16R-0453T, with an effective date of September 1, 2017). The modified rules allow but do not require, providers offering Part IV services under § 40-15-401, C.R.S., to apply to the Commission to obtain a CPCN.

7. Due to the financial information provided by Vistabeam, we conclude that financial assurance for the issuance of a CPCN has been met.
