PROCEEDING NO. 25AL-0231G

IN THE MATTER OF ADVICE LETTER NO. 57 OF BLACK HILLS COLORADO GAS, INC.
DOING BUSINESS AS BLACK HILLS ENERGY TO REVISE THE DEMAND-SIDE
MANAGEMENT COST ADJUSTMENT, TO BECOME EFFECTIVE JULY 1, 2025.

**INTERIM COMMISSION DECISION GRANTING
REQUEST FOR ALTERNATIVE FORMS OF NOTICE**

Issued Date: June 18, 2025

Adopted Date: June 4, 2025

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On May 30, 2025 Black Hills Colorado Gas, Inc., doing business as Black Hills Energy (“Black Hills” or the “Company”), filed a Motion for Approval of Alternative Forms of Notice (“Motion”) to apply to the tariff changes in the Demand-Side Management Cost Adjustment (“DSMCA”) that Black Hills seeks to implement pursuant to Advice Letter No. 57 including approval of its annual Demand-Side Management Cost Adjustment to take effect on July 1, 2025.

2. Black Hills moves pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and Rule 1207(b), 4 *Code of Colorado Regulations* (“CCR”) 723-1, of the Commission’s Rules of Practice and Procedure, to provide alternative forms of notice for the Company’s filing to its customers. Black Hills requests Commission approval to use the following forms of notice:

- Filing with the Commission and keeping open for public inspection new schedules stating plainly the changes to be made in the schedules then in force and the time when the changes will go into effect in Advice Letter No. 57
- Posting on Black Hills' website: (1) a Customer Notice and (2) Advice Letter No. 57 and its accompanying schedules, for sixty (60) days beginning within one week after the filing of Advice Letter No. 57
- Printing a message on each applicable customer's bill providing the website URL for the Customer Notice and Advice Letter No. 57 and its accompanying schedules, as well as a toll-free phone number for assistance, beginning within one week after the filing of Advice Letter No. 57
- Publishing the Customer Notice in *The Denver Post* on one occasion, within 10 days of the date of this Motion

3. Black Hills maintains that good cause exists for the Commission to approve the proposed alternative forms of notice and that it will avoid timing issues and incurring the expenses that is entailed in other forms of statutory notice. The Company concludes the proposed alternative forms of notice will be sufficient to timely alert affected and interested parties to the tariff changes the Company is proposing, including by providing notice of the estimated impact on average customers.

4. Pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and 4 CCR 723-1-1207(b) of the Commission's Rules of Practice and Procedure, a utility may request to provide alternative forms of notice of a tariff change. We find the alternative forms of notice the Company proposes in the Motion will provide sufficient notice to its customers and will do so efficiently. We therefore find good cause to approve the alternative forms of notice that the Company requests.
