I. BY THE COMMISSION:

A. Statement

1. This matter comes before the Colorado Public Utilities Commission (Commission) on the submittal of a Report of Adoption of Qwest's Statement of Generally Available Terms and Conditions (SGAT) filed by Qwest Corporation (Qwest) and New Edge Network, Inc., doing business as New Edge Networks (New Edge) pursuant to Commission Rule 4 *Code of Colorado Regulations* (CCR) 723-44-6.¹

2. The parties filed this Report of Adoption on February 12, 2003. New Edge has elected to replace its previous interconnection agreement between Qwest and New Edge, that was approved by the Commission in Decision No. C99-1179 as subsequently amended, and adopt Qwest's SGAT for Interconnection, Unbundled Network Elements, Ancillary Services, and Resale of Telecommunication Services Eight Revision, filed on April 29, 2002, as subsequently

¹ Colorado Public Utilities Commission Rules Establishing Procedures Relating to Interconnection Agreements, and any Amendment to Interconnection Agreements Within Colorado by Telecommunications Carriers.

amended in compliance filings on June 13 and 28, 2002, and as approved by the Commission on July 2, 2002, in Decision No. C02-739 in Docket No. 02M-260T and as further amended in accordance with Decision No. C02-932, issued August 29, 2002.

3. The parties have complied with the requirements of 4 CCR 723-44 *et seq.* for the submission for approval of interconnection agreements. Additionally, the Report of Adoption contains all information required in 4 CCR 723-44-6.

4. Pursuant to § 252(i) of the Telecommunications Act of 1996 (Act), 47 U.S.C. § 252(i), an incumbent local exchange carrier (ILEC) shall make available any interconnection, service, or network element provided under an agreement or amendment previously approved by this Commission to which the ILEC is a party to any other requesting local exchange carrier upon the same terms and conditions as those provided in the agreement.

5. Section 47 U.S.C. § 251 *et seq.*, of the Act requires that the Commission review and approve or reject interconnection agreements involving ILECs like Qwest. To comply with the Act, rates in negotiated agreements must be just and reasonable, nondiscriminatory, and based on the cost of providing the interconnection or network element. 47 U.S.C. § 252(e). In reviewing agreements or portions thereof, the Commission, generally, is guided by 47 U.S.C. § 252(e)(2), requiring that interconnection agreements not discriminate against non-parties and be consistent with the public interest, convenience, and necessity.

6. The Commission has previously approved the rates, terms, and conditions in the agreement adopted by the parties. We find it consistent with the terms of the agreement, the directives of the Act, and the spirit of our own interconnection agreement rules to approve the Report of Adoption subject to our own rules and general rate-making proceedings.

II. ORDER**A. The Commission Orders That:**

1. The joint filing of a Report of Adoption by Qwest Corporation and New Edge Network, Inc., doing business as New Edge Networks, to adopt in its entirety, the terms and conditions of Qwest Corporation's Statement of Generally Available Terms and Conditions for Interconnection, Unbundled Network Elements, Ancillary Services, and Resale of Telecommunication Services, Eighth Revision, filed on April 29, 2002, as subsequently amended in compliance filings on June 13 and 28, 2002, and as approved by the Commission on July 2, 2002, in Decision No. C02-739, and as further amended in accordance with Decision No. C02-932 is granted.
