RE: THE APPLICATION FOR APPROVAL OF INTERCONNECTION AGREEMENT  
BETWEEN QWEST CORPORATION AND TIME WARNER TELECOM OF COLORADO,  
LLC.

**DECISION GRANTING JOINT MOTION FOR  
APPROVAL OF AMENDMENT TO THE  
INTERCONNECTION AGREEMENT**

---

---

Mailed Date: April 24, 2003  
Adopted Date: April 23, 2003

**I. BY THE COMMISSION**

**A. Statement**

1. This matter comes before the Commission on the joint motion of Qwest Corporation (Qwest) and Time Warner Telecom of Colorado, LLC (Time Warner) for approval of an Amendment to their Interconnection Agreement (Agreement). The Agreement for the provision of Qwest's local exchange services was approved by the Commission in Decision No. C01-157, issued February 16, 2001.

2. The parties filed this Amendment on March 12, 2003. The parties have agreed to amend the Agreement to add rates, terms, and conditions for Unbundled Network Elements Combinations. The parties have made minor changes to Exhibit F, "Special Request Process", of the Colorado Statement of Generally Available Terms and Conditions (SGAT) inasmuch as they negotiated minor language changes in Paragraphs 5 and 6 of that Exhibit. All remaining terms are taken directly from the SGAT.

3. Under the terms of the 47 U.S.C. § 252(i) “pick and choose” provision of the Act, Time Warner may at some future date opt into the rates, terms, and conditions of Commission approved and currently effective agreements, amendments, SGATs, or tariffs:

[a] local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement.

4. Section 47 U.S.C. § 251 *et seq.* of the Act requires that the Commission review and approve or reject interconnection agreements involving incumbent local exchange carriers like Qwest. To comply with the Act, rates in negotiated agreements must be just and reasonable, nondiscriminatory, and based on the cost of providing the interconnection or network element. 47 U.S.C. § 252(e). In reviewing agreements (or portions thereof) the Commission, generally, is guided by 47 U.S.C. § 252(e)(2), requiring that interconnection agreements not discriminate against non-parties and be consistent with the public interest, convenience, and necessity.

5. The Commission has not previously approved all the amended terms and conditions proposed here. However, we find it consistent with the terms of the Agreement, the Act, and the interconnection agreement rules to approve the present amended terms and conditions subject to our own rules and general ratemaking proceedings.
