

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

DOCKET NO. 03T-075

RE: APPLICATION FOR APPROVAL OF INTERCONNECTION AGREEMENT BETWEEN
QWEST CORPORATION AND ZIPPY TECH INCORPORATED.

**DECISION GRANTING JOINT
MOTION FOR APPROVAL OF
AMENDMENT TO THE
INTERCONNECTION AGREEMENT**

Mailed Date: May 20, 2003
Adopted Date: May 16, 2003

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission on the joint motion of Qwest Corporation (Qwest) and Zippy Tech, Inc. (Zippy Tech), for approval of an Amendment to their Interconnection Agreement (Agreement). The Agreement was initially approved in Decision No. C03-0369, issued April 9, 2003.

2. The parties filed this Amendment on April 2, 2003. The parties have now amended their Agreement to replace the text of Section 5.6.1.4 with new language relating to Virtual Collocation Umbrella/Excess Liability Insurance. Additionally, the Amendment replaces various rates, terms, and conditions for Collocation and Unbundled Loops found in Sections 6 and 7 of the original agreement with corresponding rates, terms, and conditions found in Qwest's Colorado Statement of Generally Available Terms and Conditions (SGAT), Eighth Revision. Further, Sections 8 and 9 of Exhibit "A" to the original Agreement are replaced with corresponding provisions found in Qwest's Colorado SGAT.

3. Under the terms of the 47 U.S.C. § 252(i) “pick and choose” provision of the Act, Zippy Tech may at some future date opt into the rates, terms, and conditions of Commission approved and currently effective agreements, amendments, SGATs, or tariffs:

[a] local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement.

4. Section 47 U.S.C. § 251 *et seq.* of the Act requires that the Commission review and approve or reject interconnection agreements involving incumbent local exchange carriers like Qwest. To comply with the Act, rates in negotiated agreements must be just and reasonable, nondiscriminatory, and based on the cost of providing the interconnection or network element. 47 U.S.C. § 252(e). In reviewing agreements (or portions thereof) the Commission, generally, is guided by 47 U.S.C. § 252(e)(2), requiring that interconnection agreements not discriminate against non-parties and be consistent with the public interest, convenience, and necessity.

5. The Commission has not previously approved all the amended terms and conditions proposed here. However, we find it consistent with the directives of the Act, and our own interconnection agreement rules to approve the present amended terms and conditions subject to our own rules and general ratemaking proceedings.

II. ORDER

A. The Commission Orders That:

1. The joint motion of Qwest Corporation and Zippy Tech, Inc., to amend their Interconnection Agreement is granted.

2. This Order is effective on its Mailed Date.
