**ORDER GRANTING APPLICATION FOR WAIVER OF  
GCA AND GPR FILING DATE FOR SOUTHERN  
COLORADO SERVICE AREAS**

---

Mailed Date: September 22, 2003  
Adopted Date: September 17, 2003

**I. BY THE COMMISSION**

**A. Statement**

1. This matter comes before the Commission for consideration of an application filed by Kinder Morgan, Inc. (KMI), pursuant to 4 *Code of Colorado Regulations* (CCR) 723-8-11, for a waiver of the provisions of 4 CCR 723-8-2, that requires KMI to file its annual Gas Cost Adjustment (GCA) and Gas Purchase Report (GPR) by September 17, 2003, with an effective date of October 1, 2003.

2. According to the language of 4 CCR 723-8-2, KMI is required to file its annual GCA and GPR pertaining to its Southern Colorado service areas by September 17, 2003, with an effective date of October 1, 2003. The effective date for the GCA and GPR filings for KMI's Western Slope and North Central service areas is November 1, 2003, whereas the effective date for the GCA and GPR filings for its Northeastern service area is October 1, 2003.

3. KMI points out that it is the only Colorado utility subject to two separate effective dates for its annual GCA and GPR filings due to its separate service areas. KMI states that this

dual filing requirement results in inefficiencies in preparing the filings. A single effective date for all of its annual GCA and GPR filings would eliminate these inefficiencies, according to KMI. As a result, KMI requests an extension of time to file its GCA and GPR for its Southern Colorado service areas until October 17, 2003, with an effective date of November 1, 2003.

4. Now, being duly advised in the matter, we grant KMI's application for waiver of 4 CCR 723-8-2 and request for extension of time to file its GCA and GPR.
