DARREL G. SEGERS d/b/a STAR TAXI & ASSOCIATES, a/k/a DESIGNATED  
DRIVERS,

Respondent.

### STIPULATION AND SETTLEMENT AGREEMENT

---

Staff of the Public Utilities Commission of the State of Colorado (Staff) and Darrel G. Segers d/b/a Star Taxi & Associates, a/k/a Designated Drivers (Respondent) (Staff and Respondent shall be referred to collectively as Parties), enter into this Stipulation and Settlement Agreement (Stipulation) to stipulate and settle all disputed issues arising out of Civil Penalty Assessment Notice No. 28066 (CPAN No. 28066). Staff and Respondent respectfully submit that this Stipulation is just and reasonable. The Parties believe that this Stipulation is justified on its face and, therefore, the Public Utilities Commission of the State of Colorado (Commission) should approve it without hearing.

Darrel G. Segers, acting *pro se*, states that he has the authority to execute this Stipulation on behalf of Respondent. Staff states that the undersigned member of Staff has the authority to execute this Stipulation on behalf of Staff.

## I. BACKGROUND

1. On March 27, 2003 Staff issued CPAN No. 28066 to Respondent. A copy of CPAN No. 28066 is attached to this Stipulation as Exhibit A and is incorporated herein by reference. CPAN No. 28066 cites Respondent for five (5) violations of § 40-10-104(1), C.R.S., which provides in pertinent part: "No motor vehicle carrier shall operate any motor vehicle for the transportation of persons upon the public highways of this state in intrastate commerce without first having obtained from the Commission a certificate declaring that the present or future public convenience and necessity requires or will require such operation."

2. The alleged violations occurred on February 15, 2003; February 19, 2003; February 27, 2003; February 28, 2003; and March 23, 2003. Commission Rule 4 CCR 723-31-40.4.1 allows for a penalty of up to four hundred dollars (\$400.00) per violation of C.R.S. § 40-10-104(1). Staff sought the maximum penalty in this Docket for five (5) violations, or two thousand dollars (\$2,000.00).

3. Respondent admits that on each of the dates appearing on CPAN No. 28066, Respondent operated a motor vehicle for the transportation of persons upon the public roads of Colorado in intrastate commerce without first obtaining a Certificate of Public Convenience and Necessity (CPCN) or any other authority from the Commission.

4. On March 5, 2003 Respondent filed its Application for a Certificate of Public Convenience and Necessity to Operate as a Common Carrier by Motor Vehicle for Hire (Application) pursuant to C.R.S. § 40-10-104(1). The Commission assigned Docket No. 03A-108CP to Respondent's Application and set it for hearing on July 15-16, 2003.

## II. STIPULATION

5. The Parties agree that this Stipulation resolves all of the issues that were or could have been raised in this matter. In general terms, Staff is accepting reduced payment in satisfaction of the assessed civil penalty in response to measures undertaken by Respondent to ensure compliance with the requirement of having obtained a CPCN from the Commission prior to operating a motor vehicle for the transportation of persons upon the public roads of Colorado in intrastate commerce.

6. Staff is willing to accept a reduced payment of one thousand dollars (\$1,000.00) for the civil penalty assessed by CPAN No. 28066.

7. Staff's acceptance of a reduced penalty of one thousand dollars (\$1,000.00) is appropriate in light of the measures undertaken by Respondent to ensure future compliance with the requirement of § 40-10-104(1), C.R.S.

8. Respondent shall remit to the Commission the amount of one thousand dollars (\$1,000.00) in satisfaction of CPAN No. 28066. Respondent shall remit the one thousand dollars (\$1,000.00) in not more than four (4) equal monthly payments of at least two hundred fifty dollars (\$250.00) each, to be paid as follows:

- a. The first payment shall be due and payable ten (10) days after the final Commission decision in this Docket.
- b. The second payment shall be due and payable thirty (30) days after the date of the first payment.
- c. The third payment shall be due and payable sixty (60) days after the date of the first payment.

d. The fourth and final payment shall be due and payable ninety (90) days after the date of the first payment.

e. Respondent may prepay any amount of the total without penalty.

9. Respondent agrees that if Respondent fails to comply with the provisions of Paragraph 8 of this Stipulation, then (a) the admission of liability as stated above shall be conclusive evidence that the violation occurred and that the fine assessed is justified, and (b) the full \$2,000.00 penalty assessed by CPAN No. 28066 shall immediately be due and payable.

### **III. GENERAL PROVISIONS**

10. The Parties agree that this Stipulation should be approved in its entirety.

11. The Parties agree that reaching this agreement by means of negotiation and settlement rather than through litigation is in the public interest and that the results of the compromises and settlements reflected in this Stipulation are in the public interest. The Parties further agree that all matters that were raised or could have been raised in this Docket have been resolved by this Stipulation. This resolution depends upon Respondent fully complying the terms set forth in Section II above.

12. This Stipulation has been entered into between the Parties solely for the purpose of settlement and resolution of the issues in this Docket. Therefore, the issues and matters resolved by this Stipulation apply only to this Docket and the issues raised in this Docket. Except as otherwise provided, the Parties reserve the right in the future to advocate

positions different from those stated in this Stipulation. Nothing in this Stipulation shall constitute a waiver by any party with respect to any matter not specifically addressed.

13. If the Commission does not approve this Stipulation in its entirety, this Stipulation shall be null and void. If the Commission imposes conditions or modifications to its approval of this Stipulation which are unacceptable to a party, such party shall notify the other party within five (5) days after the date the Commission's decision becomes final, which shall be effective notice to render this Stipulation null and void. In that event, this matter shall be set for hearing.

14. The Stipulation may be executed in counterparts and by facsimile copies of signatures, all of which when taken together shall constitute the entire Stipulation.
