Respondents and counter-complainants,

v.

Tazco, Inc., d/b/a Sunshine Taxi

Counter-respondent.

STIPULATION

Tazco, Inc. d/b/a Sunshine Taxi (Sunshine Taxi), Complainant and Counter-Respondent, on the one hand, and named Respondents and Counter-Complainants, Darrel G. Segers and Terry Marie Segers, individually and/or d/b/a Star Taxi and/or Designated Drivers (the Segers), submit their settlement stipulation in Docket No. 03F-164CP, stating as follows to the Colorado Public Utilities Commission (PUC or Commission):

1. Sunshine Taxi, on the one hand, and the Segers, on the other hand, also attach a copy of the transcript of the July 17, 2003 terms of the settlement for reference. See Exhibit 3 attached.
2. The Segers agree they do not presently hold authority from the PUC either individually or as a partnership or as any other association or entity.
3. Darrel G. Segers stipulates and agrees that he has settled the civil penalty assessment that was issued against him in Docket No. 03G-136CP by the PUC, by the terms of a document that was filed with the Commission on July 16, 2003, and a copy of which is attached

hereto as Exhibit 1. The document was not filed under seal and is public record.

4. The Segers further stipulate and agree that Darrel G. Segers and Terry Marie Segers, individually and d/b/a Star Taxi and/or d/b/a Designated Drivers will immediately cease and desist from operating a for-hire transportation service without appropriate PUC authority or approval.

5. The Segers recognize and agree that the nonprofit voluntary donation, tip transportation that they individually or collectively, either as Designated Drivers or otherwise, were providing in the past is unlawful and unauthorized and would require PUC authority. They admit that the trips conducted as Designated Drivers as shown in the spreadsheet attached to discovery responses the Segers filed are unlawful and are trips that would require specific PUC authority to perform. A copy of the discovery responses is attached hereto as Exhibit 2.

6. The Segers and Sunshine Taxi also agree that at the time the trips shown on Exhibits 1 and 2 were conducted the Segers believed that they did not require PUC authority to perform the trips shown on Exhibits 1 and 2.

7. The Segers individually and/or d/b/a Star Taxi and/or Designated Drivers and/or as part of any other entity will not in the future undertake or perform, or in any way become involved in any nonprofit, volunteer tip, or donation type operation unless and until they receive authority from the PUC that authorizes them to perform such service. .

8. The Segers, individually and doing business as Star Taxi and/or Designated Drivers or as part of any other entity, agree that the tip/voluntary nonprofit/donation operation previously conducted by them requires authority from the PUC. The Segers further advise Sunshine Taxi and the PUC that all types of such operations are not being conducted as of July 17, 2003.

9. The Segers further agree that they will not conduct operations in the future individually or as part of a partnership, association, or nonprofit corporation or any other entity without appropriate authority from the PUC to do so.

10. The Segers further stipulate and agree and understand that if they violate any portion of the stipulation, they recognize that Sunshine Taxi reserves all rights and claims against them including the right to initiate court action for injunctive relief and/or damages, including, but not limited to any such claims relating to the trips shown on Exhibits 1 and 2 attached.

11. If this stipulation is approved, Sunshine Taxi dismisses its complaint against the Segers. In return, the Segers dismiss their amended counter-complaint against Sunshine Taxi; both dismissals being with prejudice except to the extent that Sunshine Taxi reserves its rights and claims against the Segers if this stipulation is violated.

12. The parties further agree that Sunshine Taxi reserves any and all rights to oppose any future PUC applications of any type Darrel G. Segers and/or Terry Marie Segers may make, individually or as part of any other entity, in which they seek PUC authority or authorization to conduct any service in any geographic area that duplicates Sunshine Taxi's authority.

13. The parties further stipulate that the Segers have been informed by the Administrative Law Judge that, in addition to whatever rights Sunshine Taxi may reserve, any violation of the stipulation would also violate an order of the PUC and the Commission could then go to court to seek an injunction to enforce its order and/or the Segers may be subject to civil penalties. The Segers also acknowledge they were informed by the Administrative Law Judge that by dismissing the counter-complaint with prejudice, they will not be able to bring the

counter-complaint or bring a complaint based on those same allegations covering the same time period in the future.

14. The Segers further recognize and agree that they have been specifically informed by the Administrative Law Judge that they agree, among other things, not to do or conduct any donation based transportation operation either in their own names or in association with anyone else, without PUC authorization.

15. The parties further agree that the pertinent parts of the transcript of proceedings on July 17, 2003 relative to the terms of this stipulation are included as part of the transcript attached hereto as Exhibit 3.

Respectfully submitted this 6 day of Aug 2003.

Civil Penalty Assessment Notice No. 28066

PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO,

Complainant,

v.

DARREL G. SEGERS d/b/a STAR TAXI & ASSOCIATES, a/k/a DESIGNATED
DRIVERS,

Respondent.

STIPULATION AND SETTLEMENT AGREEMENT

Staff of the Public Utilities Commission of the State of Colorado (Staff) and Darrel G. Segers d/b/a Star Taxi & Associates, a/k/a Designated Drivers (Respondent) (Staff and Respondent shall be referred to collectively as Parties), enter into this Stipulation and Settlement Agreement (Stipulation) to stipulate and settle all disputed issues arising out of Civil Penalty Assessment Notice No. 28066 (CPAN No. 28066). Staff and Respondent respectfully submit that this Stipulation is just and reasonable. The Parties believe that this Stipulation is justified on its face and, therefore, the Public Utilities Commission of the State of Colorado (Commission) should approve it without hearing.

Darrel G. Segers, acting *pro se*, states that he has the authority to execute this Stipulation on behalf of Respondent. Staff states that the undersigned member of Staff has the authority to execute this Stipulation on behalf of Staff.

I. BACKGROUND

1. On March 27, 2003 Staff issued CPAN No. 28066 to Respondent. A copy of CPAN No. 28066 is attached to this Stipulation as Exhibit A and is incorporated herein by reference. CPAN No. 28066 cites Respondent for five (5) violations of § 40-10-104(1), C.R.S., which provides in pertinent part: "No motor vehicle carrier shall operate any motor vehicle for the transportation of persons upon the public highways of this state in intrastate commerce without first having obtained from the Commission a certificate declaring that the present or future public convenience and necessity requires or will require such operation."

2. The alleged violations occurred on February 15, 2003; February 19, 2003; February 27, 2003; February 28, 2003; and March 23, 2003. Commission Rule 4 CCR 723-31-40.4.1 allows for a penalty of up to four hundred dollars (\$400.00) per violation of C.R.S. § 40-10-104(1). Staff sought the maximum penalty in this Docket for five (5) violations, or two thousand dollars (\$2,000.00).

3. Respondent admits that on each of the dates appearing on CPAN No. 28066, Respondent operated a motor vehicle for the transportation of persons upon the public roads of Colorado in intrastate commerce without first obtaining a Certificate of Public Convenience and Necessity (CPCN) or any other authority from the Commission.

4. On March 5, 2003 Respondent filed its Application for a Certificate of Public Convenience and Necessity to Operate as a Common Carrier by Motor Vehicle for Hire (Application) pursuant to C.R.S. § 40-10-104(1). The Commission assigned Docket No. 03A-108CP to Respondent's Application and set it for hearing on July 15-16, 2003.

II. STIPULATION

5. The Parties agree that this Stipulation resolves all of the issues that were or could have been raised in this matter. In general terms, Staff is accepting reduced payment in satisfaction of the assessed civil penalty in response to measures undertaken by Respondent to ensure compliance with the requirement of having obtained a CPCN from the Commission prior to operating a motor vehicle for the transportation of persons upon the public roads of Colorado in intrastate commerce.

6. Staff is willing to accept a reduced payment of one thousand dollars (\$1,000.00) for the civil penalty assessed by CPAN No. 28066.

7. Staff's acceptance of a reduced penalty of one thousand dollars (\$1,000.00) is appropriate in light of the measures undertaken by Respondent to ensure future compliance with the requirement of § 40-10-104(1), C.R.S.

8. Respondent shall remit to the Commission the amount of one thousand dollars (\$1,000.00) in satisfaction of CPAN No. 28066. Respondent shall remit the one thousand dollars (\$1,000.00) in not more than four (4) equal monthly payments of at least two hundred fifty dollars (\$250.00) each, to be paid as follows:

a. The first payment shall be due and payable ten (10) days after the final Commission decision in this Docket.

b. The second payment shall be due and payable thirty (30) days after the date of the first payment.

c. The third payment shall be due and payable sixty (60) days after the date of the first payment.

d. The fourth and final payment shall be due and payable ninety (90) days after the date of the first payment.

e. Respondent may prepay any amount of the total without penalty.

9. Respondent agrees that if Respondent fails to comply with the provisions of Paragraph 8 of this Stipulation, then (a) the admission of liability as stated above shall be conclusive evidence that the violation occurred and that the fine assessed is justified, and (b) the full \$2,000.00 penalty assessed by CPAN No. 28066 shall immediately be due and payable.

III. GENERAL PROVISIONS

10. The Parties agree that this Stipulation should be approved in its entirety.

11. The Parties agree that reaching this agreement by means of negotiation and settlement rather than through litigation is in the public interest and that the results of the compromises and settlements reflected in this Stipulation are in the public interest. The Parties further agree that all matters that were raised or could have been raised in this Docket have been resolved by this Stipulation. This resolution depends upon Respondent fully complying the terms set forth in Section II above.

12. This Stipulation has been entered into between the Parties solely for the purpose of settlement and resolution of the issues in this Docket. Therefore, the issues and matters resolved by this Stipulation apply only to this Docket and the issues raised in this Docket. Except as otherwise provided, the Parties reserve the right in the future to advocate

positions different from those stated in this Stipulation. Nothing in this Stipulation shall constitute a waiver by any party with respect to any matter not specifically addressed.

13. If the Commission does not approve this Stipulation in its entirety, this Stipulation shall be null and void. If the Commission imposes conditions or modifications to its approval of this Stipulation which are unacceptable to a party, such party shall notify the other party within five (5) days after the date the Commission's decision becomes final, which shall be effective notice to render this Stipulation null and void. In that event, this matter shall be set for hearing.

14. The Stipulation may be executed in counterparts and by facsimile copies of signatures, all of which when taken together shall constitute the entire Stipulation.

PRELIMINARY STATEMENT

D/B/A as Star taxi has not operated one day nor to the best of our knowledge for one single run. Star Taxi exists in name only, dependent on permit application approval.

The association of owner operators has not operated one single day. The association of owner operators existed in name only, dependent on permit application approval.

The association of owner operators no longer exists, Leslie G Cardin was dismissed as a volunteer with designated drivers& resigned, both Daniel J McGuire and Kerrie A Foster have quit or resigned.

Designated driver / Safe Ride programs are promoted by both national & U.S. Government agencies, Communities & individuals are encouraged to start up & operate nonprofit designated driver / safe ride programs , We do have our application in for non profit status. Law enforcement agencies support Designated Driver / safe ride programs /services.

Designated driver / safe ride programs vary according to community demand & needs, volunteer designated drivers provide safe rides for those who are impaired or would other wise ride with some one who is impaired. Recommended operational procedures are the use of cell phones to keep in touch with drivers for there safety as well as inform them of requests for rides. Volunteer drivers accept donations / tips for the service that they provide. Volunteer drivers tip the phone people as is standard practice in any & all service industry businesses to share your tips. When volunteer drivers are not on call they locate at one of the local drinking establishment, in this way they are readily available when some one needs a ride & reduces the temptation to drive impaired or ride with some one who is impaired . Designated Driver Services / safe ride programs are supported by grants / donations made to the office of designated driver services by local establishments that designated driver /safe rides provides services for. Volunteer drivers do not pay designated driver services. It is recommended that designated driver/ safe ride volunteers do not make judgement calls as to wether or not any individuals are or are not impaired or that they will or will not ride with some one who is impaired .

Tazco INC D/B/A Sunshine taxi in effect is asking that Designated Driver Services / Safe Ride programs be banned as illegal public services in the state of Colorado .

Designated Driver / Safe Ride programs reduces D.U.Is. & D.W.Is. and saves lives.

PROCEEDINGS (CONTINUED.)

5

A.L.J. JENNINGS-FADER: On the record.

6

Good morning. This is a hearing in

7

Docket No. 03F-164-CP, Tazco, Incorporated, d/b/a

8

Sunshine Taxi, complainant, versus Darrel G. Segers and

9

Terry Marie Segers individually and d/b/a Star Taxi

10

and/or Designated Drivers and Darrel G. Segers, Leslie

11

G. Cardin, Daniel J. McGuire and Kerrie A. Foster,

12

individually and doing business as Association of

13

Owner-operators and/or Designated Drivers, respondents

14

and counter- complainants, versus Tazco, Incorporated,

15

doing business as Sunshine Taxi counter respondent.

16

My name is Mana Jennings-Fader. I'm the

17

Administrative Law Judge assigned by the Public

18

Utilities Commission to hear this case.

19

At this time before we proceed to other

20

matters, I'll take the entry of appearances beginning

21

with the complainant Tazco, Incorporated.

22

MR. WILLIAMS: Thank you, Your Honor.

23

My name is Charles Williams. My Attorney

24

Registration No. is 5342. My address is 303 East 17th

25

Avenue, Suite 888, Denver, Colorado, 80203; and I

1 appear today here on behalf of the complainant and
2 counter-respondent Tazco, Inc., doing business as
3 Sunshine Taxi.

4 A.L.J. JENNINGS-FADER: Good morning,
5 sir.

6 And to the respondents?

7 MR. SEGERS: Darrel Gordon Segers and my
8 wife Terry.

9 A.L.J. JENNINGS-FADER: Thank you, sir.

10 The acoustics in here are not very good.

11 So just so the court reporter can hear everyone who has
12 anything to say today, I would like to ask everyone
13 please to speak as loudly as possible just so we are
14 sure to get everything written down correctly.

15 Thank you and good morning.

16 Is there anyone else who is a named
17 respondent who is present today in the hearing room?

18 A.L.J. JENNINGS-FADER: Yes, ma'am?

19 MS. CARDIN: Leslie Cardin.

20 A.L.J. JENNINGS-FADER: Good morning and
21 thank you.

22 Ms. Cardin, I would like to ask you, if
23 you wouldn't mind, to move up to the front and sit up
24 here where the Segers are.

25 Thank you.

1 (Discussion off the record.)

2 A.L.J. JENNINGS-FADER: As I earlier
3 stated, we're here today for a hearing in this
4 particular matter. There were several preliminary
5 matters, the first is that I have received a letter
6 from Mr. Kimball who is counsel for the other
7 intervenor in this case -- excuse me, the intervenor in
8 this case who informed me that his client would proceed
9 at this hearing without him and further that he wished
10 to remain counsel for the intervenor. I'm simply
11 putting that on the record that such a letter was
12 received.

13 The second area was there are a number of
14 pending motions that I had ordered would be argued and
15 decided before we went forward today, but I understand
16 that there may be another preliminary matter that we
17 should address first.

18 Mr. Williams?

19 MR. WILLIAMS: Thank you, Your Honor.

20 May I distribute a couple documents here?

21 A.L.J. JENNINGS-FADER: You may.

22 MR. WILLIAMS: I'm not asking that they
23 be marked as exhibits, but they form -- they are a part
24 of the settlement.

25 A.L.J. JENNINGS-FADER: Thank you.

1 (Pause.)

2 A.L.J. JENNINGS-FADER: Will you ask that
3 they be marked at some point?

4 MR. WILLIAMS: I think what I would -- it
5 would be your pleasure, Your Honor.

6 I don't have a written stipulation to
7 submit so I'm going to have an oral stipulation and
8 these would be exhibits to a written stipulation.

9 So perhaps if the oral stipulation is
10 accepted, we could introduce them as exhibits with the
11 understanding that they are part of the settlement if
12 it's acceptable.

13 A.L.J. JENNINGS-FADER: I would prefer, I
14 think, to have the discussion today on the oral -- what
15 you have decided on to this point and a subsequent
16 submission of a written, signed stipulation; and these
17 documents then could be appended to that stipulation if
18 they form the basis of the stipulation.

19 MR. WILLIAMS: Very good.

20 Did you understand what the
21 Administrative Law Judge just said? Assuming we can
22 read this into the record orally today and have it
23 accepted, then we'll deal with a written document;
24 you'll sign I'll sign and these will be exhibits to it.

25 MRS. SEGERS: Okay.

1 A.L.J. JENNINGS-FADER: Okay.

2 MR. WILLIAMS: I'm not saying that wasn't
3 clear, Your Honor, I just wanted to be sure.

4 A.L.J. JENNINGS-FADER: Mr. Williams,
5 that's fine.

6 MR. WILLIAMS: Okay, the -- Your Honor,
7 we have the tentative -- I use the word tentative --
8 it's not tentative. We have the proposed terms of a
9 settlement stipulation between my client, Sunshine
10 Taxi, on the one hand, and the respondents, Terry Marie
11 Segers and Darrel G. Segers only. The terms of the
12 settlement stipulation are as follows -- and Mr. and
13 Mrs. Segers, I've gone over these with you -- and
14 Mr. Segers, specifically -- word by word; Ms. Segers,
15 generally. If you have any questions, please interrupt
16 me if you think I've said something that isn't correct.

17 First of all, Mr. and Mrs. Segers agree
18 they do not presently hold authority from the Colorado
19 Public Utilities Commission either individually or as a
20 partnership or any other association or entity.

21 Secondly, Mr. Segers stipulates that he
22 has settled with the P.U.C. the civil penalty
23 assessment that was issued against him in Docket No.
24 03G -- G as in Gordon -- 136CP, by the terms of a
25 document that was filed with the Commission on July 16,

1 2003. The document was not filed under seal and is
2 public record as I understand it. It has not however
3 been approved by the P.U.C. The document -- however
4 the parties do not anticipate a problem with that.

5 I should say Sunshine Taxi is not a party
6 to that stipulation. That is between the Public
7 Utilities Commission and Mr. Segers, doing business as
8 Star Taxi & Associates, also known as Designated
9 Delivers.

10 That stipulation is one of the documents
11 I distributed and would be Exhibit 1 to the settlement
12 a agreement. Mr. and Mrs. Segers further stipulate
13 that Darrel and -- Darrel G. Segers and Terry Marie
14 Segers individually and doing business as Star Taxi
15 and/or Designated Drivers will cease and desist from
16 operating -- cease and desist immediately from
17 operating without P.U.C. approval in conducting
18 for-hire transportation service. Mr. and
19 Mrs. Segers -- Mr. as Mrs. Segers further recognize and
20 agree that the nonprofit voluntary donation, tip
21 transportation that they individually or collectively,
22 either as Designated Drivers or otherwise, were
23 providing in the past is unlawful and unauthorized and
24 would require P.U.C. authority. They admit that the
25 trips conducted as Designated Drivers as shown in the

1 discovery responses attached as a spreadsheet to the
2 second document submitted are trips that would require
3 P.U.C. authority to do so, specifically the authority
4 to do so.

5 However they also advise, and Sunshine
6 Taxi stipulates with them, that at the time the trips
7 were conducted they believed that they did not require
8 P.U.C. authority to conduct such operations.

9 Have I stated that correctly, Mr. Segers?

10 MR. SEGERS: (Nods head.)

11 A.L.J. JENNINGS-FADER: Sir, you will
12 have to answer.

13 MR. SEGERS: Yes.

14 A.L.J. JENNINGS-FADER: Thank you very
15 much.

16 MR. WILLIAMS: Further, Mr. and
17 Ms. Segers individually and/or doing business as Star
18 Taxi or Designated Drivers or as part of any other
19 entity will not in the future undertake any nonprofit,
20 volunteer tip or donation type operation unless and
21 until they receive authority from the P.U.C. to do so
22 or authorizing that service.

23 Mr. and --

24 A.L.J. JENNINGS-FADER: I'm sorry, with
25 respect to that, could you read that particular

1 sentence again in terms of the scope of whatever
2 association is included there? So it's
3 Mr. and Mrs. Segers --

4 MR. WILLIAMS: Mr. and Ms. Segers
5 individually and doing business as Star Taxi and/or
6 Designated Drivers or as part of any other entity will
7 not initiate operations under any tip -- do you want me
8 to read --

9 A.L.J. JENNINGS-FADER: No, I was looking
10 for the entities language. Thank you.

11 MR. WILLIAMS: Mr. and Ms. Segers further
12 agree that the tip voluntary nonprofit donation
13 operation previously conducted by them would require
14 authority from the P.U.C. -- that may be duplicative;
15 and if it is, I'm sorry.

16 Mr. Segers further advises that those
17 operations have ceased as of today's date.

18 MR. SEGERS: No --

19 MR. WILLIAMS: Or at least they are not
20 being conducted today.

21 MR. SEGERS: No, they are not being
22 conducted today.

23 MR. WILLIAMS: Mr. and Mrs. Segers
24 further agree that they will not conduct operations in
25 the future individually or as part of a partnership,

1 association, or nonprofit corporation or any other
2 entity without appropriate authority from the P.U.C. to
3 do so.

4 Mr. and Mrs. Segers further stipulate and
5 agree and understand that if they violate any portion
6 of the stipulation, they recognize that Sunshine Taxi
7 reserves all rights and claims against them including
8 the right to initiate court action for injunctive
9 relief and/or damages.

10 If that stipulation is approved with
11 respect to the Segers, Sunshine Taxi dismisses its
12 complaint against Mr. and Mrs. Segers. In return,
13 Mr. and Mrs. Segers dismiss their amended counter-
14 complaint against Sunshine Taxi; both dismissals being
15 with prejudice except to the extent that Sunshine Taxi
16 would reserve its rights and claims if the stipulation
17 was violated for the matters I earlier discussed.

18 Sunshine Taxi -- the parties further
19 agree that Sunshine Taxi reserves any and all rights to
20 oppose any future P.U.C. applications of any type
21 Mr. or Mrs. Segers may make individually or as part of
22 any other entity in which they seek P.U.C. authority or
23 authorization to conduct any service in any geographic
24 area that duplicates Sunshine Taxi's authority.

25 That is my understanding of the

1 settlement agreement. And as I say, if it is
2 acceptable to Mr. and Mrs. Segers and also acceptable
3 to the Commission, Sunshine Taxi's complaint is
4 satisfied.

5 A.L.J. JENNINGS-FADER: Mr. Segers,
6 Mrs. Segers, which of you or both would like to comment
7 on that?

8 MR. SEGERS: That -- that's what we
9 agreed on.

10 A.L.J. JENNINGS-FADER: Mrs. Segers?

11 MRS. SEGERS: Yeah.

12 A.L.J. JENNINGS-FADER: I just want to
13 address two points, Mr. Segers and Mrs. Segers, so that
14 I need to know and be sure that you understand some of
15 the -- some specifics provisions.

16 So with respect to the violation -- in
17 the event that there might be a violation of an -- of
18 the stipulation once -- if the Commission approves it,
19 do you all understand that in addition to whatever
20 rights Tazco, Incorporated may reserve, that in
21 addition, it's -- you would be violating an order of
22 the Public Utilities Commission and that the Commission
23 could then go to court to seek an injunction to enforce
24 its order or you might be subject to civil penalties
25 for violating the Commission's order?

1 So those are not issues that were
2 specifically addressed in the stipulation, but I want
3 to advise you that that is a possible outcome also of
4 signing the stipulation.

5 So if you all want to think about that
6 for a second, let me know if that changes anything.

7 MR. SEGERS: That was already understood,
8 yeah. Yes.

9 A.L.J. JENNINGS-FADER: The second thing
10 that I want to be sure everyone understands is what it
11 means to dismiss the counter-complaint with prejudice.
12 I would like to be sure that you all understand that
13 what that means is that you will not be able to bring
14 the counter-complaint or bring a complaint based on
15 those same allegations covering the same time period in
16 the future. So are you all aware of that, as well?

17 MR. SEGERS: Yes.

18 A.L.J. JENNINGS-FADER: Sir, in --

19 MR. SEGERS: I am aware of that.

20 A.L.J. JENNINGS-FADER: Mrs. Segers?

21 MRS. SEGERS: Yes.

22 A.L.J. JENNINGS-FADER: And finally I
23 would like to tell you my understanding of what
24 Mr. Williams read is that you all will agree, among a
25 lot of other things, not to do any donation based or

1 transportation operation either in your own names or in
2 association with anyone else; do you also understand
3 that?

4 MR. SEGERS: Yes, ma'am.

5 A.L.J. JENNINGS-FADER: Ma'am?

6 MRS. SEGERS: Yes.

7 MR. WILLIAMS: Your Honor, may I
8 interrupt?

9 A.L.J. JENNINGS-FADER: Certainly.

10 MR. WILLIAMS: Without P.U.C.
11 authorization.

12 A.L.J. JENNINGS-FADER: I'm sorry,
13 without P.U.C. authorization. My apologies.

14 Do you all understand that?

15 MR. SEGERS: Yes, ma'am.

16 MRS. SEGERS: Yes.

17 A.L.J. JENNINGS-FADER: Okay, thank you.

18 With that understanding and pending
19 seeing the final written language -- but assuming the
20 language covers the substance of what I have heard
21 today, I believe that that stipulation with the
22 understanding that I've heard and statements from the
23 Segers and the various motions including the motion for
24 summary judgment that -- and appended affidavits are
25 supported -- support the stipulation and are sufficient

1 grounds for the Commission -- for me to recommend that
2 the stipulation be approved.

3 So that is pending receiving the final
4 language and having that language accurately reflect
5 what was read today -- but I think the stipulation
6 overall is sufficient to settle the case and is
7 acceptable to me.

8 MR. WILLIAMS: Your Honor, may I be heard
9 just briefly?

10 A.L.J. JENNINGS-FADER: Uh-huh. On?

11 MR. WILLIAMS: The -- just for Mr. and
12 Mrs. Segers -- I was just going to advise them that I'm
13 not going to try to remember this from my notes; I will
14 order this portion of the transcript from Mr. Midyett
15 and I will attach it to the draft so you can see that
16 it's exactly what I read into the record.

17 MR. SEGERS: Okay.

18 MRS. SEGERS: Okay.

19 MR. WILLIAMS: So that I'm not going to
20 try to rely on my notes which at best are -- I think
21 are accurate but they are also -- you know, I've got
22 arrows and dots and dashes and everything else in
23 there. So just so you know, I will have the transcript
24 of what I just read into the record and the dialogue
25 that took place with the Administrative Law Judge

1 attached to the settlement stipulation as a further
2 exhibit so that you can see that we're submitting --
3 what we're submitting is exactly what we agreed to.

4 A.L.J. JENNINGS-FADER: Okay. Now that,
5 I think, renders moot the following pending motions. I
6 want to get this on the record just so we wrap up some
7 things. It renders moot -- that is to say the
8 Commission does not need to make a decision on -- this
9 will take some time these are lengthy titles on the
10 following motions: The Motion in Limine limiting
11 participation of Darrel G. Segers and Terry Marie
12 Segers in this case and/or requiring counsel for other
13 entities including the entity known as Darrel G. Segers
14 and Terry Marie Segers doing business as Designated
15 Drivers, the request for shortened response time --
16 excuse me, that motion is moot as a result of this.

17 Tazco's motion for summary judgment in
18 its complaint against Darrel G. Segers and Terry Marie
19 Segers is moot.

20 The second -- Tazco's second motion to
21 strike the response of Darrel Segers to the complaint
22 and for various other relief is also rendered moot.

23 Tazco's motion for modification of
24 certain portions of Recommended Decision R03-0710-I.

25 And finally, the motion for leave to

1 amend the response to the amended counter-complaint is
2 also rendered moot.

3 There is a pending motion which is not
4 addressed by the settlement reached as between the
5 Segers and Tazco; but -- yes, Mr. Williams?

6 MR. WILLIAMS: Your Honor, you're
7 absolutely correct. They are rendered moot; however on
8 Tazco's behalf -- Sunshine Taxi's behalf, they are
9 rendered moot contingent on acceptance of the
10 stipulation and agreement and -- however I don't
11 anticipate a problem in that regard -- in the event the
12 stipulation is rejected or not completed by -- rejected
13 by the Administrative Law Judge or not completed, then
14 we would reserve the right to reoffer those without
15 refiling.

16 And Mr. and Mrs. Segers -- may I address
17 them, Your Honor?

18 A.L.J. JENNINGS-FADER: Actually, why
19 don't you address me.

20 MR. WILLIAMS: I would just suggest that
21 Mr. and Mrs. Segers recognize that if the stipulation
22 goes away for any reason, we're back to square one and
23 we'll be back here.

24 A.L.J. JENNINGS-FADER: Okay,
25 Mr. and Mrs. Segers, do you realize -- recognize that

1 the only reason that we're not proceeding today is
2 because of the stipulation; and if for any reason -- we
3 hope it doesn't happen -- but if it does occur that the
4 stipulation is not reduced to writing and agreed to by
5 everyone, that in essence the case just resumes where
6 it is today.

7 Is that everyone's understanding?

8 MR. SEGERS: Yeah, we understand that.

9 MRS. SEGERS: Yeah.

10 A.L.J. JENNINGS-FADER: Okay, thank you.

11 The only pending motion which is not
12 rendered moot by the stipulation is the Tazco motion
13 for entry of default against respondents Leslie G.
14 Cardin, Daniel J. McGuire and Kerrie A. Foster.

15 Mr. Williams, do you wish to address that motion?

16 MR. WILLIAMS: I do, Your Honor.

17 May we go off the record for just a
18 minute. I need to speak with Ms. Cardin.

19 A.L.J. JENNINGS-FADER: We'll take a five
20 minute recess.

21 MR. WILLIAMS: Thank you.

22 (Recess.)

23 A.L.J. JENNINGS-FADER: We'll be back on
24 the record.

25 Mr. Williams, please address the motion

1 for entry of default.

2 MR. WILLIAMS: Your Honor, with respect
3 to the motion for entry of default, I would like to
4 reserve for a moment my comments with respect to
5 Ms. Foster and Mr. McGuire and deal solely with
6 Ms. Cardin -- Ms. Leslie Cardin.

7 Ms. Cardin is present in the hearing room
8 and she and I have had discussions concerning her past
9 relationship with Designated Drivers; and, in fact, she
10 testified in the earlier case, the companion
11 application case Docket No. 03A-108CP.

12 Sunshine Taxi and Ms. Cardin have also
13 reached a tentative agreement with respect to
14 Sunshine's Taxi's claims against her, and they are as
15 follows: Ms. Cardin agrees that at one time she worked
16 or was associated with Designated Drivers as a driver.
17 And she also agrees that she, in approximately April of
18 2003, disassociated herself from Designated drivers and
19 is no longer associated with Designated Drivers. She
20 further agrees that she does not provided any
21 transportation for hire currently and will not in the
22 future without appropriate P.U.C. authority. By that I
23 mean a tip, donation type of service.

24 She does however recognize and Sunshine
25 Taxi agrees that if she wants to provide a truly free

1 service in other words, take a friend of hers home from
2 the bar with no compensation being paid, that she can
3 do that.

4 Ms. Cardin also advises that she works as
5 a school bus driver and Sunshine Taxi agrees with her
6 that that does not require P.U.C. authority and the
7 terms of the stipulation do not reach that activity.

8 That is the terms of the settlement that
9 Sunshine Taxi has with Ms. Cardin. The terms of that
10 settlement are agreeable to Sunshine Taxi; and if
11 Ms. Cardin agrees to those terms and if the terms are
12 acceptable to the Colorado Public Utilities Commission,
13 Sunshine Taxi's complaint against Ms. Cardin is
14 satisfied.

15 A.L.J. JENNINGS-FADER: Ms. Cardin --

16 MS. CARDIN: Yes.

17 A.L.J. JENNINGS-FADER: -- you heard
18 Mr. Williams statements.

19 MS. CARDIN: Yes.

20 A.L.J. JENNINGS-FADER: Ma'am, you are
21 going to have to speak up.

22 MS. CARDIN: Yes.

23 A.L.J. JENNINGS-FADER: Do you agree that
24 he has accurately stated the agreement between you and
25 Tazco -- Sunshine Taxi.

1 MS. CARDIN: Yes, I do.

2 A.L.J. JENNINGS-FADER: Okay.

3 Mr. Williams, if you would likewise
4 reduce this to writing and submit it with appropriate
5 signatures, I think -- oh, I'm sorry, and Ms. Cardin,
6 did you also -- were you present when I told the --
7 discussed with the Segers what might happen if they
8 violated any Commission order?

9 MS. CARDIN: Yes, I was here.

10 A.L.J. JENNINGS-FADER: And do you
11 understand that the -- this agreement that Mr. Williams
12 just spoke into the record, if approved by the
13 Commission and becomes part of a Commission order may
14 result in your being -- having civil penalties or other
15 action taken against you if you violate it?

16 MS. CARDIN: Yes, I do.

17 A.L.J. JENNINGS-FADER: Okay, thank you.

18 With that, I am satisfied at least on the
19 oral presentation that the stipulation should be
20 recommended for approval.

21 Mr. Williams, if you will reduce it to
22 writing as with the other stipulation --

23 Yes, Ms. Cardin?

24 MS. CARDIN: I have one question.

25 A.L.J. JENNINGS-FADER: Certainly.

1 MS. CARDIN: Is this in Mesa County? Am
2 I hearing you right?

3 A.L.J. JENNINGS-FADER: Ma'am.

4 MR. SEGERS: Anywhere.

5 MS. CARDIN: The whole state of Colorado?

6 A.L.J. JENNINGS-FADER: The whole state
7 of Colorado. Is that -- I need to know if that's a
8 problem, and I'm sure Mr. Williams needs to know as
9 well. If you could --

10 MS. CARDIN: Well, you know, certain jobs
11 that I might obtain since I am a driver I might be put
12 in a position where I have to take -- transport
13 somebody, you know, and they may not be a student, they
14 may not be -- it may not be regulated by P.U.C. per se;
15 but will that affect -- will that affect me in a job
16 similar to that?

17 Say if I go get a job at Sprint, they are
18 under P.U.C. regulations for packages and things like
19 that. But I don't know about their -- whether they are
20 covered to -- just a for instance -- for taking a
21 person; because sometimes they will have young children
22 or somebody like that needing to be transferred from
23 one town to another town in some kind of case or
24 something going on and that might -- they consider them
25 a package. But what this is stipulating is like if I

1 did that, would I be in violation?

2 A.L.J. JENNINGS-FADER: Okay,
3 Mr. Williams?

4 MR. WILLIAMS: Ms. Cardin, with respect
5 to the -- Sunshine Taxi's position on what you just
6 said is this: Sunshine Taxi intends for the
7 stipulation to reach the geographic area of Sunshine
8 Taxi's authority, the same as I stated with
9 Mr. and Mrs. Segers. So if you want to do something
10 from Fort Collins to Pueblo, that's outside the scope
11 of Sunshine Taxi's authority; and even if we would
12 contend it was wrong, we wouldn't do anything about it.

13 If you do something that you just
14 described, transport a person within Mesa County or to
15 and from Mesa County within the scope of Sunshine
16 Taxi's authority without appropriate P.U.C.
17 authorization -- without appropriate P.U.C.
18 authorization, it is a problem for Sunshine Taxi; and
19 it would be, in Sunshine Taxi's opinion, a violation of
20 this agreement.

21 MS. CARDIN: Uh-huh.

22 A.L.J. JENNINGS-FADER: The Commission's
23 orders, Ms. Cardin, reach the entire state of
24 Colorado --

25 MS. CARDIN: Uh-huh.

1 A.L.J. JENNINGS-FADER: -- without
2 limiting language in the stipulation itself, the
3 assumption would be that the Commission's order reaches
4 the entire state of Colorado. Whether or not the
5 specific actions that you just described, for instance,
6 the Sprint situation, would be a violation, I can't --
7 I'm not going to speculate about that because that
8 situation isn't before me and hasn't been factually
9 developed. So I'm not in a position to answer that
10 part of the question.

11 But I can tell you that the presumption
12 is that the order covers the whole state.

13 MS. CARDIN: That's what my presumption
14 is. So should we reword that just a little so that
15 it -- because that's my occupation, driving.

16 A.L.J. JENNINGS-FADER: Why don't we take
17 another five minutes and Mr. Williams and Ms. Cardin
18 you all get together.

19 MS. CARDIN: I'm sorry to be so
20 difficult. I don't want to tie myself up in my career.

21 A.L.J. JENNINGS-FADER: Ma'am, you are
22 not being difficult. I want to make that very clear
23 you are doing what you need to do to be sure you
24 understand exactly what you are agreeing to. I think I
25 have no problem with that and I think it's very helpful

1 for you to be doing it now rather than later. So with
2 that, Mr. Williams, Ms. Cardin, if you all would talk
3 for a few minutes.

4 MS. CARDIN: Thank you.

5 (Recess.)

6 A.L.J. JENNINGS-FADER: We'll be back on
7 the record.

8 Mr. Williams, Ms. Cardin did you have an
9 opportunity to have a discussion during the break?

10 MR. WILLIAMS: We did, Your Honor.

11 A.L.J. JENNINGS-FADER: And what if
12 anything is the result?

13 MR. WILLIAMS: Your Honor, we're
14 reaffirming what I earlier read into the record; and to
15 address Ms. Cardin's stated concerns, we're adding
16 these further provisions, as follows: Sunshine Taxi
17 agrees that the stipulation does not prohibit
18 Ms. Cardin from working as an employee or independent
19 contractor for a company or entity whose operations do
20 not require P.U.C. authority or where the company or
21 entity has P.U.C. authority and is conducting
22 operations in compliance with it -- with the P.U.C.
23 authority.

24 Ms. Cardin reserves the right to file any
25 P.U.C. application of any type she wants, Sunshine Taxi

1 reserves the right to oppose any P.U.C. application
2 that Ms. Cardin may file.

3 A.L.J. JENNINGS-FADER: Ms. Cardin, is
4 that -- is that both understandable and agreeable?

5 MS. CARDIN: Yes, ma'am, it is.

6 A.L.J. JENNINGS-FADER: Thank you, ma'am.

7 With that additional clarifying
8 language -- Ms. Cardin I want to thank you for bringing
9 that up so you could get that straightened out before
10 future problems arose.

11 The agreement as between Ms. Cardin and
12 Tazco is acceptable; and assuming it is reduced to
13 writing and filed with the Commission in substantially
14 the same language as has been read today, will be
15 agreeable -- will be acceptable.

16 MS. CARDIN: Thank you.

17 A.L.J. JENNINGS-FADER: Finally,
18 Mr. Williams, that leaves us with the respondents
19 Darrel J. McGuire and Kerrie A. Foster. I think that's
20 all that's left on the motion for default. Could you
21 address that, please.

22 MR. WILLIAMS: Yes, Your Honor.

23 (PURSUANT to request of ordering counsel,
24 the continued hearing was not transcribed.)

CERTIFICATE

I, JAMES L. MIDYETT, Certified Shorthand
Reporter in and for the State of Colorado do hereby
certify that I reported the foregoing proceedings in
the first instance, and that later the same was reduced
to typewritten form under my direct supervision and
control; I further certify that the foregoing is a true
and complete transcription of my stenographic notes
then and there taken.

Dated July 27.

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

DOCKET NO. 03F-164CP

2003 AUG -8 PM 12:59

TAZCO, INC. D/B/A SUNSHINE TAXI

Complainant,

v.

DARREL G. SEGERS AND TERRY MARIE SEGERS, INDIVIDUALLY AND D/B/A STAR TAXI AND/OR DESIGNATED DRIVERS AND DARREL G. SEGERS, LESLIE G. CARDIN, DANIEL J. MCGUIRE, AND KERRIE A. FOSTER, INDIVIDUALLY, AND D/B/A ASSOCIATION OF OWNER OPERATORS AND/OR DESIGNATED DRIVERS

Respondents and counter-complainants,

v.

Tazco, Inc., d/b/a Sunshine Taxi

Counter-respondent.

STIPULATION

Tazco, Inc. d/b/a Sunshine Taxi (Sunshine Taxi), Complainant, on the one hand, and Leslie G. Cardin, individually and/or d/b/a Designated Drivers (Ms. Cardin), a Respondent in the above case, submit their settlement stipulation in Docket No. 03F-164CP, stating as follows to the Colorado Public Utilities Commission (PUC or Commission):

1. Sunshine Taxi, on the one hand, and Ms. Cardin, on the other hand, also attach a copy of the transcript of July 17, 2003 relative to this settlement. A copy of the transcript is attached hereto as Exhibit 1.

2. Ms. Cardin agrees that at one time she worked or was associated with Designated Drivers as a driver. She further states that, in approximately April of 2003, she disassociated herself from Designated drivers and is no longer associated with Designated Drivers. She further agrees that she does not provide any for-hire, tip, or donation based transportation service currently, and will not do so in the future, without appropriate PUC authority. Ms. Cardin further consents to the entry of a cease and desist order against her for such activity.

3. Ms. Cardin also advises that she works as a school bus driver and Sunshine Taxi agrees with her that that working as a school bus driver does not require PUC authority, in Sunshine Taxi's view, and that terms of this stipulation do not prohibit such employment.

4. The parties agree that Sunshine Taxi intends for the stipulation to reach the geographic area of Sunshine Taxi's authority. Any for-hire, tip, or donation transportation services conducted by Ms. Cardin within Mesa County or to and from Mesa County within the scope of Sunshine Taxi's authority without appropriate PUC authorization, would, in Sunshine Taxi's opinion, be a violation of this agreement.

5. Sunshine Taxi agrees that the stipulation does not prohibit Ms. Cardin from working as an employee or independent contractor for a company or entity whose operations do not require PUC authority or where the company or entity has PUC authority and is conducting operations in compliance with the PUC authority.

6. Ms. Cardin reserves the right to file any PUC application of any type; and, Sunshine Taxi reserves the right to oppose any PUC application that Ms. Cardin may file.

7. The parties further stipulate that Ms. Cardin has been informed by the Administrative Law Judge that any violation of the stipulation would also violate an order of the PUC and the Commission could then go to court to seek an injunction to enforce its order and/or Ms. Cardin may be subject to civil penalties.

8. Ms. Cardin was also informed by the Administrative Law Judge that the PUC orders reach the entire state of Colorado.

9. If this stipulation is agreed to and accepted by the PUC, Sunshine Taxi's complaint against Ms. Cardin can be dismissed with prejudice.

Respectfully submitted this 6 day of August 2003.

APPEARANCES

(AS NOTED OF RECORD.)

PROCEEDINGS (CONTINUED.)

A.L.J. JENNINGS-FADER: On the record.

Good morning. This is a hearing in
Docket No. 03F-164-CP, Tazco, Incorporated, d/b/a
Sunshine Taxi, complainant, versus Darrel G. Segers and
Terry Marie Segers individually and d/b/a Star Taxi
and/or Designated Drivers and Darrel G. Segers, Leslie
G. Cardin, Daniel J. McGuire and Kerrie A. Foster,
individually and doing business as Association of
Owner-operators and/or Designated Drivers, respondents
and counter- complainants, versus Tazco, Incorporated,
doing business as Sunshine Taxi counter respondent.

My name is Mana Jennings-Fader. I'm the
Administrative Law Judge assigned by the Public
Utilities Commission to hear this case.

At this time before we proceed to other
matters, I'll take the entry of appearances beginning
with the complainant Tazco, Incorporated.

MR. WILLIAMS: Thank you, Your Honor.

My name is Charles Williams. My Attorney
Registration No. is 5342. My address is 303 East 17th
Avenue, Suite 888, Denver, Colorado, 80203; and I

1 appear today here on behalf of the complainant and
2 counter-respondent Tazco, Inc., doing business as
3 Sunshine Taxi.

4 A.L.J. JENNINGS-FADER: Good morning,
5 sir.

6 And to the respondents?

7 MR. SEGERS: Darrel Gordon Segers and my
8 wife Terry.

9 A.L.J. JENNINGS-FADER: Thank you, sir.

10 The acoustics in here are not very good.
11 So just so the court reporter can hear everyone who has
12 anything to say today, I would like to ask everyone
13 please to speak as loudly as possible just so we are
14 sure to get everything written down correctly.

15 Thank you and good morning.

16 Is there anyone else who is a named
17 respondent who is present today in the hearing room?

18 A.L.J. JENNINGS-FADER: Yes, ma'am?

19 MS. CARDIN: Leslie Cardin.

20 A.L.J. JENNINGS-FADER: Good morning and
21 thank you.

22 Ms. Cardin, I would like to ask you, if
23 you wouldn't mind, to move up to the front and sit up
24 here where the Segers are.

25 Thank you.

1 (Discussion off the record.)

2 A.L.J. JENNINGS-FADER: As I earlier
3 stated, we're here today for a hearing in this
4 particular matter. There were several preliminary
5 matters, the first is that I have received a letter
6 from Mr. Kimball who is counsel for the other
7 intervenor in this case -- excuse me, the intervenor in
8 this case who informed me that his client would proceed
9 at this hearing without him and further that he wished
10 to remain counsel for the intervenor. I'm simply
11 putting that on the record that such a letter was
12 received.

13 The second area was there are a number of
14 pending motions that I had ordered would be argued and
15 decided before we went forward today, but I understand
16 that there may be another preliminary matter that we
17 should address first.

18 Mr. Williams?

19 MR. WILLIAMS: Thank you, Your Honor.

20 May I distribute a couple documents here?

21 A.L.J. JENNINGS-FADER: You may.

22 MR. WILLIAMS: I'm not asking that they
23 be marked as exhibits, but they form -- they are a part
24 of the settlement.

25 A.L.J. JENNINGS-FADER: Thank you.

1 (Pause.)

2 A.L.J. JENNINGS-FADER: Will you ask that
3 they be marked at some point?

4 MR. WILLIAMS: I think what I would -- it
5 would be your pleasure, Your Honor.

6 I don't have a written stipulation to
7 submit so I'm going to have an oral stipulation and
8 these would be exhibits to a written stipulation.

9 So perhaps if the oral stipulation is
10 accepted, we could introduce them as exhibits with the
11 understanding that they are part of the settlement if
12 it's acceptable.

13 A.L.J. JENNINGS-FADER: I would prefer, I
14 think, to have the discussion today on the oral -- what
15 you have decided on to this point and a subsequent
16 submission of a written, signed stipulation; and these
17 documents then could be appended to that stipulation if
18 they form the basis of the stipulation.

19 MR. WILLIAMS: Very good.

20 Did you understand what the
21 Administrative Law Judge just said? Assuming we can
22 read this into the record orally today and have it
23 accepted, then we'll deal with a written document;
24 you'll sign I'll sign and these will be exhibits to it.

25 MRS. SEGERS: Okay.

1 A.L.J. JENNINGS-FADER: Okay.

2 MR. WILLIAMS: I'm not saying that wasn't
3 clear, Your Honor, I just wanted to be sure.

4 A.L.J. JENNINGS-FADER: Mr. Williams,
5 that's fine.

6 MR. WILLIAMS: Okay, the -- Your Honor,
7 we have the tentative -- I use the word tentative --
8 it's not tentative. We have the proposed terms of a
9 settlement stipulation between my client, Sunshine
10 Taxi, on the one hand, and the respondents, Terry Marie
11 Segers and Darrel G. Segers only. The terms of the
12 settlement stipulation are as follows -- and Mr. and
13 Mrs. Segers, I've gone over these with you -- and
14 Mr. Segers, specifically -- word by word; Ms. Segers,
15 generally. If you have any questions, please interrupt
16 me if you think I've said something that isn't correct.

17 First of all, Mr. and Mrs. Segers agree
18 they do not presently hold authority from the Colorado
19 Public Utilities Commission either individually or as a
20 partnership or any other association or entity.

21 Secondly, Mr. Segers stipulates that he
22 has settled with the P.U.C. the civil penalty
23 assessment that was issued against him in Docket No.
24 03G -- G as in Gordon -- 136CP, by the terms of a
25 document that was filed with the Commission on July 16,

1 2003. The document was not filed under seal and is
2 public record as I understand it. It has not however
3 been approved by the P.U.C. The document -- however
4 the parties do not anticipate a problem with that.

5 I should say Sunshine Taxi is not a party
6 to that stipulation. That is between the Public
7 Utilities Commission and Mr. Segers, doing business as
8 Star Taxi & Associates, also known as Designated
9 Delivers.

10 That stipulation is one of the documents
11 I distributed and would be Exhibit 1 to the settlement
12 a agreement. Mr. and Mrs. Segers further stipulate
13 that Darrel and -- Darrel G. Segers and Terry Marie
14 Segers individually and doing business as Star Taxi
15 and/or Designated Drivers will cease and desist from
16 operating -- cease and desist immediately from
17 operating without P.U.C. approval in conducting
18 for-hire transportation service. Mr. and
19 Mrs. Segers -- Mr. as Mrs. Segers further recognize and
20 agree that the nonprofit voluntary donation, tip
21 transportation that they individually or collectively,
22 either as Designated Drivers or otherwise, were
23 providing in the past is unlawful and unauthorized and
24 would require P.U.C. authority. They admit that the
25 trips conducted as Designated Drivers as shown in the

1 discovery responses attached as a spreadsheet to the
2 second document submitted are trips that would require
3 P.U.C. authority to do so, specifically the authority
4 to do so.

5 However they also advise, and Sunshine
6 Taxi stipulates with them, that at the time the trips
7 were conducted they believed that they did not require
8 P.U.C. authority to conduct such operations.

9 Have I stated that correctly, Mr. Segers?

10 MR. SEGERS: (Nods head.)

11 A.L.J. JENNINGS-FADER: Sir, you will
12 have to answer.

13 MR. SEGERS: Yes.

14 A.L.J. JENNINGS-FADER: Thank you very
15 much.

16 MR. WILLIAMS: Further, Mr. and
17 Ms. Segers individually and/or doing business as Star
18 Taxi or Designated Drivers or as part of any other
19 entity will not in the future undertake any nonprofit,
20 volunteer tip or donation type operation unless and
21 until they receive authority from the P.U.C. to do so
22 or authorizing that service.

23 Mr. and --

24 A.L.J. JENNINGS-FADER: I'm sorry, with
25 respect to that, could you read that particular

1 sentence again in terms of the scope of whatever
2 association is included there? So it's
3 Mr. and Mrs. Segers --

4 MR. WILLIAMS: Mr. and Ms. Segers
5 individually and doing business as Star Taxi and/or
6 Designated Drivers or as part of any other entity will
7 not initiate operations under any tip -- do you want me
8 to read --

9 A.L.J. JENNINGS-FADER: No, I was looking
10 for the entities language. Thank you.

11 MR. WILLIAMS: Mr. and Ms. Segers further
12 agree that the tip voluntary nonprofit donation
13 operation previously conducted by them would require
14 authority from the P.U.C. -- that may be duplicative;
15 and if it is, I'm sorry.

16 Mr. Segers further advises that those
17 operations have ceased as of today's date.

18 MR. SEGERS: No --

19 MR. WILLIAMS: Or at least they are not
20 being conducted today.

21 MR. SEGERS: No, they are not being
22 conducted today.

23 MR. WILLIAMS: Mr. and Mrs. Segers
24 further agree that they will not conduct operations in
25 the future individually or as part of a partnership,

1 association, or nonprofit corporation or any other
2 entity without appropriate authority from the P.U.C. to
3 do so.

4 Mr. and Mrs. Segers further stipulate and
5 agree and understand that if they violate any portion
6 of the stipulation, they recognize that Sunshine Taxi
7 reserves all rights and claims against them including
8 the right to initiate court action for injunctive
9 relief and/or damages.

10 If that stipulation is approved with
11 respect to the Segers, Sunshine Taxi dismisses its
12 complaint against Mr. and Mrs. Segers. In return,
13 Mr. and Mrs. Segers dismiss their amended counter-
14 complaint against Sunshine Taxi; both dismissals being
15 with prejudice except to the extent that Sunshine Taxi
16 would reserve its rights and claims if the stipulation
17 was violated for the matters I earlier discussed.

18 Sunshine Taxi -- the parties further
19 agree that Sunshine Taxi reserves any and all rights to
20 oppose any future P.U.C. applications of any type
21 Mr. or Mrs. Segers may make individually or as part of
22 any other entity in which they seek P.U.C. authority or
23 authorization to conduct any service in any geographic
24 area that duplicates Sunshine Taxi's authority.

25 That is my understanding of the

1 settlement agreement. And as I say, if it is
2 acceptable to Mr. and Mrs. Segers and also acceptable
3 to the Commission, Sunshine Taxi's complaint is
4 satisfied.

5 A.L.J. JENNINGS-FADER: Mr. Segers,
6 Mrs. Segers, which of you or both would like to comment
7 on that?

8 MR. SEGERS: That -- that's what we
9 agreed on.

10 A.L.J. JENNINGS-FADER: Mrs. Segers?

11 MRS. SEGERS: Yeah.

12 A.L.J. JENNINGS-FADER: I just want to
13 address two points, Mr. Segers and Mrs. Segers, so that
14 I need to know and be sure that you understand some of
15 the -- some specifics provisions.

16 So with respect to the violation -- in
17 the event that there might be a violation of an -- of
18 the stipulation once -- if the Commission approves it,
19 do you all understand that in addition to whatever
20 rights Tazco, Incorporated may reserve, that in
21 addition, it's -- you would be violating an order of
22 the Public Utilities Commission and that the Commission
23 could then go to court to seek an injunction to enforce
24 its order or you might be subject to civil penalties
25 for violating the Commission's order?

1 So those are not issues that were
2 specifically addressed in the stipulation, but I want
3 to advise you that that is a possible outcome also of
4 signing the stipulation.

5 So if you all want to think about that
6 for a second, let me know if that changes anything.

7 MR. SEGERS: That was already understood,
8 yeah. Yes.

9 A.L.J. JENNINGS-FADER: The second thing
10 that I want to be sure everyone understands is what it
11 means to dismiss the counter-complaint with prejudice.
12 I would like to be sure that you all understand that
13 what that means is that you will not be able to bring
14 the counter-complaint or bring a complaint based on
15 those same allegations covering the same time period in
16 the future. So are you all aware of that, as well?

17 MR. SEGERS: Yes.

18 A.L.J. JENNINGS-FADER: Sir, in --

19 MR. SEGERS: I am aware of that.

20 A.L.J. JENNINGS-FADER: Mrs. Segers?

21 MRS. SEGERS: Yes.

22 A.L.J. JENNINGS-FADER: And finally I
23 would like to tell you my understanding of what
24 Mr. Williams read is that you all will agree, among a
25 lot of other things, not to do any donation based or

1 transportation operation either in your own names or in
2 association with anyone else; do you also understand
3 that?

4 MR. SEGERS: Yes, ma'am.

5 A.L.J. JENNINGS-FADER: Ma'am?

6 MRS. SEGERS: Yes.

7 MR. WILLIAMS: Your Honor, may I
8 interrupt?

9 A.L.J. JENNINGS-FADER: Certainly.

10 MR. WILLIAMS: Without P.U.C.
11 authorization.

12 A.L.J. JENNINGS-FADER: I'm sorry,
13 without P.U.C. authorization. My apologies.

14 Do you all understand that?

15 MR. SEGERS: Yes, ma'am.

16 MRS. SEGERS: Yes.

17 A.L.J. JENNINGS-FADER: Okay, thank you.

18 With that understanding and pending
19 seeing the final written language -- but assuming the
20 language covers the substance of what I have heard
21 today, I believe that that stipulation with the
22 understanding that I've heard and statements from the
23 Segers and the various motions including the motion for
24 summary judgment that -- and appended affidavits are
25 supported -- support the stipulation and are sufficient

1 grounds for the Commission -- for me to recommend that
2 the stipulation be approved.

3 So that is pending receiving the final
4 language and having that language accurately reflect
5 what was read today -- but I think the stipulation
6 overall is sufficient to settle the case and is
7 acceptable to me.

8 MR. WILLIAMS: Your Honor, may I be heard
9 just briefly?

10 A.L.J. JENNINGS-FADER: Uh-huh. On?

11 MR. WILLIAMS: The -- just for Mr. and
12 Mrs. Segers -- I was just going to advise them that I'm
13 not going to try to remember this from my notes; I will
14 order this portion of the transcript from Mr. Midyett
15 and I will attach it to the draft so you can see that
16 it's exactly what I read into the record.

17 MR. SEGERS: Okay.

18 MRS. SEGERS: Okay.

19 MR. WILLIAMS: So that I'm not going to
20 try to rely on my notes which at best are -- I think
21 are accurate but they are also -- you know, I've got
22 arrows and dots and dashes and everything else in
23 there. So just so you know, I will have the transcript
24 of what I just read into the record and the dialogue
25 that took place with the Administrative Law Judge

1 attached to the settlement stipulation as a further
2 exhibit so that you can see that we're submitting --
3 what we're submitting is exactly what we agreed to.

4 A.L.J. JENNINGS-FADER: Okay. Now that,
5 I think, renders moot the following pending motions. I
6 want to get this on the record just so we wrap up some
7 things. It renders moot -- that is to say the
8 Commission does not need to make a decision on -- this
9 will take some time these are lengthy titles on the
10 following motions: The Motion in Limine limiting
11 participation of Darrel G. Segers and Terry Marie
12 Segers in this case and/or requiring counsel for other
13 entities including the entity known as Darrel G. Segers
14 and Terry Marie Segers doing business as Designated
15 Drivers, the request for shortened response time --
16 excuse me, that motion is moot as a result of this.

17 Tazco's motion for summary judgment in
18 its complaint against Darrel G. Segers and Terry Marie
19 Segers is moot.

20 The second -- Tazco's second motion to
21 strike the response of Darrel Segers to the complaint
22 and for various other relief is also rendered moot.

23 Tazco's motion for modification of
24 certain portions of Recommended Decision R03-0710-I.

25 And finally, the motion for leave to

1 amend the response to the amended counter-complaint is
2 also rendered moot.

3 There is a pending motion which is not
4 addressed by the settlement reached as between the
5 Segers and Tazco; but -- yes, Mr. Williams?

6 MR. WILLIAMS: Your Honor, you're
7 absolutely correct. They are rendered moot; however on
8 Tazco's behalf -- Sunshine Taxi's behalf, they are
9 rendered moot contingent on acceptance of the
10 stipulation and agreement and -- however I don't
11 anticipate a problem in that regard -- in the event the
12 stipulation is rejected or not completed by -- rejected
13 by the Administrative Law Judge or not completed, then
14 we would reserve the right to reoffer those without
15 refiling.

16 And Mr. and Mrs. Segers -- may I address
17 them, Your Honor?

18 A.L.J. JENNINGS-FADER: Actually, why
19 don't you address me.

20 MR. WILLIAMS: I would just suggest that
21 Mr. and Mrs. Segers recognize that if the stipulation
22 goes away for any reason, we're back to square one and
23 we'll be back here.

24 A.L.J. JENNINGS-FADER: Okay,
25 Mr. and Mrs. Segers, do you realize -- recognize that

1 the only reason that we're not proceeding today is
2 because of the stipulation; and if for any reason -- we
3 hope it doesn't happen -- but if it does occur that the
4 stipulation is not reduced to writing and agreed to by
5 everyone, that in essence the case just resumes where
6 it is today.

7 Is that everyone's understanding?

8 MR. SEGERS: Yeah, we understand that.

9 MRS. SEGERS: Yeah.

10 A.L.J. JENNINGS-FADER: Okay, thank you.

11 The only pending motion which is not
12 rendered moot by the stipulation is the Tazco motion
13 for entry of default against respondents Leslie G.
14 Cardin, Daniel J. McGuire and Kerrie A. Foster.
15 Mr. Williams, do you wish to address that motion?

16 MR. WILLIAMS: I do, Your Honor.

17 May we go off the record for just a
18 minute. I need to speak with Ms. Cardin.

19 A.L.J. JENNINGS-FADER: We'll take a five
20 minute recess.

21 MR. WILLIAMS: Thank you.

22 (Recess.)

23 A.L.J. JENNINGS-FADER: We'll be back on
24 the record.

25 Mr. Williams, please address the motion

1 for entry of default.

2 MR. WILLIAMS: Your Honor, with respect
3 to the motion for entry of default, I would like to
4 reserve for a moment my comments with respect to
5 Ms. Foster and Mr. McGuire and deal solely with
6 Ms. Cardin -- Ms. Leslie Cardin.

7 Ms. Cardin is present in the hearing room
8 and she and I have had discussions concerning her past
9 relationship with Designated Drivers; and, in fact, she
10 testified in the earlier case, the companion
11 application case Docket No. 03A-108CP.

12 Sunshine Taxi and Ms. Cardin have also
13 reached a tentative agreement with respect to
14 Sunshine's Taxi's claims against her, and they are as
15 follows: Ms. Cardin agrees that at one time she worked
16 or was associated with Designated Drivers as a driver.
17 And she also agrees that she, in approximately April of
18 2003, disassociated herself from Designated drivers and
19 is no longer associated with Designated Drivers. She
20 further agrees that she does not provided any
21 transportation for hire currently and will not in the
22 future without appropriate P.U.C. authority. By that I
23 mean a tip, donation type of service.

24 She does however recognize and Sunshine
25 Taxi agrees that if she wants to provide a truly free

1 service in other words, take a friend of hers home from
2 the bar with no compensation being paid, that she can
3 do that.

4 Ms. Cardin also advises that she works as
5 a school bus driver and Sunshine Taxi agrees with her
6 that that does not require P.U.C. authority and the
7 terms of the stipulation do not reach that activity.

8 That is the terms of the settlement that
9 Sunshine Taxi has with Ms. Cardin. The terms of that
10 settlement are agreeable to Sunshine Taxi; and if
11 Ms. Cardin agrees to those terms and if the terms are
12 acceptable to the Colorado Public Utilities Commission,
13 Sunshine Taxi's complaint against Ms. Cardin is
14 satisfied.

15 A.L.J. JENNINGS-FADER: Ms. Cardin --

16 MS. CARDIN: Yes.

17 A.L.J. JENNINGS-FADER: -- you heard
18 Mr. Williams statements.

19 MS. CARDIN: Yes.

20 A.L.J. JENNINGS-FADER: Ma'am, you are
21 going to have to speak up.

22 MS. CARDIN: Yes.

23 A.L.J. JENNINGS-FADER: Do you agree that
24 he has accurately stated the agreement between you and
25 Tazco -- Sunshine Taxi.

1 MS. CARDIN: Yes, I do.

2 A.L.J. JENNINGS-FADER: Okay.

3 Mr. Williams, if you would likewise
4 reduce this to writing and submit it with appropriate
5 signatures, I think -- oh, I'm sorry, and Ms. Cardin,
6 did you also -- were you present when I told the --
7 discussed with the Segers what might happen if they
8 violated any Commission order?

9 MS. CARDIN: Yes, I was here.

10 A.L.J. JENNINGS-FADER: And do you
11 understand that the -- this agreement that Mr. Williams
12 just spoke into the record, if approved by the
13 Commission and becomes part of a Commission order may
14 result in your being -- having civil penalties or other
15 action taken against you if you violate it?

16 MS. CARDIN: Yes, I do.

17 A.L.J. JENNINGS-FADER: Okay, thank you.

18 With that, I am satisfied at least on the
19 oral presentation that the stipulation should be
20 recommended for approval.

21 Mr. Williams, if you will reduce it to
22 writing as with the other stipulation --

23 Yes, Ms. Cardin?

24 MS. CARDIN: I have one question.

25 A.L.J. JENNINGS-FADER: Certainly.

1 MS. CARDIN: Is this in Mesa County? Am
2 I hearing you right?

3 A.L.J. JENNINGS-FADER: Ma'am.

4 MR. SEGERS: Anywhere.

5 MS. CARDIN: The whole state of Colorado?

6 A.L.J. JENNINGS-FADER: The whole state
7 of Colorado. Is that -- I need to know if that's a
8 problem, and I'm sure Mr. Williams needs to know as
9 well. If you could --

10 MS. CARDIN: Well, you know, certain jobs
11 that I might obtain since I am a driver I might be put
12 in a position where I have to take -- transport
13 somebody, you know, and they may not be a student, they
14 may not be -- it may not be regulated by P.U.C. per se;
15 but will that affect -- will that affect me in a job
16 similar to that?

17 Say if I go get a job at Sprint, they are
18 under P.U.C. regulations for packages and things like
19 that. But I don't know about their -- whether they are
20 covered to -- just a for instance -- for taking a
21 person; because sometimes they will have young children
22 or somebody like that needing to be transferred from
23 one town to another town in some kind of case or
24 something going on and that might -- they consider them
25 a package. But what this is stipulating is like if I

1 did that, would I be in violation?

2 A.L.J. JENNINGS-FADER: Okay,
3 Mr. Williams?

4 MR. WILLIAMS: Ms. Cardin, with respect
5 to the -- Sunshine Taxi's position on what you just
6 said is this: Sunshine Taxi intends for the
7 stipulation to reach the geographic area of Sunshine
8 Taxi's authority, the same as I stated with
9 Mr. and Mrs. Segers. So if you want to do something
10 from Fort Collins to Pueblo, that's outside the scope
11 of Sunshine Taxi's authority; and even if we would
12 contend it was wrong, we wouldn't do anything about it.

13 If you do something that you just
14 described, transport a person within Mesa County or to
15 and from Mesa County within the scope of Sunshine
16 Taxi's authority without appropriate P.U.C.
17 authorization -- without appropriate P.U.C.
18 authorization, it is a problem for Sunshine Taxi; and
19 it would be, in Sunshine Taxi's opinion, a violation of
20 this agreement.

21 MS. CARDIN: Uh-huh.

22 A.L.J. JENNINGS-FADER: The Commission's
23 orders, Ms. Cardin, reach the entire state of
24 Colorado --

25 MS. CARDIN: Uh-huh.

1 A.L.J. JENNINGS-FADER: -- without
2 limiting language in the stipulation itself, the
3 assumption would be that the Commission's order reaches
4 the entire state of Colorado. Whether or not the
5 specific actions that you just described, for instance,
6 the Sprint situation, would be a violation, I can't --
7 I'm not going to speculate about that because that
8 situation isn't before me and hasn't been factually
9 developed. So I'm not in a position to answer that
10 part of the question.

11 But I can tell you that the presumption
12 is that the order covers the whole state.

13 MS. CARDIN: That's what my presumption
14 is. So should we reword that just a little so that
15 it -- because that's my occupation, driving.

16 A.L.J. JENNINGS-FADER: Why don't we take
17 another five minutes and Mr. Williams and Ms. Cardin
18 you all get together.

19 MS. CARDIN: I'm sorry to be so
20 difficult. I don't want to tie myself up in my career.

21 A.L.J. JENNINGS-FADER: Ma'am, you are
22 not being difficult. I want to make that very clear
23 you are doing what you need to do to be sure you
24 understand exactly what you are agreeing to. I think I
25 have no problem with that and I think it's very helpful

1 for you to be doing it now rather than later. So with
2 that, Mr. Williams, Ms. Cardin, if you all would talk
3 for a few minutes.

4 MS. CARDIN: Thank you.

5 (Recess.)

6 A.L.J. JENNINGS-FADER: We'll be back on
7 the record.

8 Mr. Williams, Ms. Cardin did you have an
9 opportunity to have a discussion during the break?

10 MR. WILLIAMS: We did, Your Honor.

11 A.L.J. JENNINGS-FADER: And what if
12 anything is the result?

13 MR. WILLIAMS: Your Honor, we're
14 reaffirming what I earlier read into the record; and to
15 address Ms. Cardin's stated concerns, we're adding
16 these further provisions, as follows: Sunshine Taxi
17 agrees that the stipulation does not prohibit
18 Ms. Cardin from working as an employee or independent
19 contractor for a company or entity whose operations do
20 not require P.U.C. authority or where the company or
21 entity has P.U.C. authority and is conducting
22 operations in compliance with it -- with the P.U.C.
23 authority.

24 Ms. Cardin reserves the right to file any
25 P.U.C. application of any type she wants, Sunshine Taxi

1 reserves the right to oppose any P.U.C. application
2 that Ms. Cardin may file.

3 A.L.J. JENNINGS-FADER: Ms. Cardin, is
4 that -- is that both understandable and agreeable?

5 MS. CARDIN: Yes, ma'am, it is.

6 A.L.J. JENNINGS-FADER: Thank you, ma'am.

7 With that additional clarifying
8 language -- Ms. Cardin I want to thank you for bringing
9 that up so you could get that straightened out before
10 future problems arose.

11 The agreement as between Ms. Cardin and
12 Tazco is acceptable; and assuming it is reduced to
13 writing and filed with the Commission in substantially
14 the same language as has been read today, will be
15 agreeable -- will be acceptable.

16 MS. CARDIN: Thank you.

17 A.L.J. JENNINGS-FADER: Finally,
18 Mr. Williams, that leaves us with the respondents
19 Darrel J. McGuire and Kerrie A. Foster. I think that's
20 all that's left on the motion for default. Could you
21 address that, please.

22 MR. WILLIAMS: Yes, Your Honor.

23 (PURSUANT to request of ordering counsel,
24 the continued hearing was not transcribed.)
