GABRIELE GUNDLACH

Complainant,

v.

PUBLIC SERVICE COMPANY OF COLORADO,

Respondent.

RE: Xcel Energy Acct. 8503731562

AMENDMENT

Request interim order to restore service pending decision from September 11, 2003 hearing. Although there is a court order not to disconnect utilities, Xcel Energy has disconnected the utilities this morning on or about 10:15 am for the second (2nd) time. My repeated calls to designated Xcel Energy Account Rep., Brenda Hughes (303) 571-6483 over the past seven months have not been returned and gone unanswered. The \$229.00 paid makes Account 8503731562 current. The \$515.41 on the disputed theft and accounting, etc., of utilities from the previous apartment complex Account 5601204177 & 7700836315 is awaiting the courts decision.

Sincerely,

Gabriele Gundlach, Complainant
