1) Submitted by: _____
(exact legal name of firm)

2) Project / Facility Name: _____

3) Project Location (city, county): _____
(latitude, longitude): _____ °N _____ °W
(decimal format; accurate to three (3) decimal places)

4) Rural Electric Contact:
Name: _____
Company: _____
Address: _____
Phone / Fax: _____
email: _____

5) Developer Contact:
Name: _____
Company: _____
Address: _____
Phone / Fax: _____
email: _____

6) Technology Type: **Facility Nameplate Capacity ***

<input type="checkbox"/> Biomass	_____ kW	_____ fuel source
<input type="checkbox"/> Geothermal	_____ kW	
<input type="checkbox"/> Hydro	_____ kW	
<input type="checkbox"/> Solar		
<input type="checkbox"/> Photovoltaic	_____ kW	_____ kW dc
<input type="checkbox"/> Solar Thermal	_____ kW	
<input type="checkbox"/> Wind	_____ kW	
<input type="checkbox"/> Other (describe)	_____ kW	

7) First Year Generation: _____ MWh **Capacity Factor:** _____

8) Commercial Operation Date: _____
- select one ☐ Proposed ☐ Actual

9) Percentage of Project annual output claiming Rural Renewable Project Status:
Capacity: _____ Energy: _____

10) Proposed PPA Term (years): _____

11) Point of Interconnection Description and kVa rating: _____

12) Point of Interconnection is on the: ☐ Transmission System ☐ Distribution System

13) Point of Interconnection is own/operated by: _____

14) Estimated Useful Life of Facility at Commercial Operation Date (years): _____

* Unless noted otherwise, kW, kWh, MW, MWh refer to AC power and energy.
