**INTERIM DECISION OF

SCHEDULING HEARING AND SETTING
DEADLINE FOR ADDITIONAL WRITTEN COMMENTS**

Mailed Date: February 13, 2020

I. STATEMENT

A. Background

1. On September 12, 2019, the Public Utilities Commission (Commission) issued the Notice of Proposed Rulemaking (NOPR) that commenced this proceeding.¹ In the NOPR, the Commission proposed to adopt rules that permanently implement the requirement in Senate Bill 19-236 for the Commission to regulate Vehicle Booting Companies. The purpose of Rules 6806 through 6819 of the Commission's Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* 723-6, is to preserve the health, safety, welfare, and property of the public. As stated in the NOPR, the Commission made the proposed rules, provided with the NOPR in legislative (*i.e.*, strikeout/underline) format and in final format, available to the public through the Commission's Electronic Filings system. Finally, the Commission established October 11, 2019 as the deadline for written comments filed by members of the public, scheduled a hearing for October 28, 2019, and referred this proceeding to

an Administrative Law Judge (ALJ). The proceeding was subsequently assigned to the undersigned ALJ.

2. The following members of the public filed comments before the October 11, 2019 deadline established in the NOPR: Owner-Operator Independent Drivers Association, Inc., Wyatt's Towing, Towing Done Right, LLC (Towing Done Right), Colorado Booting, Colorado Security Services, doing business as Colorado Parking Services, and Dark Sky LLC (Dark Sky).

3. The ALJ held the public comment hearing on October 28, 2018 starting at 9:00 a.m. On that day, state government offices in the Denver Metro Area, including the Commission, delayed their opening until 10:00 a.m. due to inclement weather. As a result, the ALJ convened the hearing at 9:00 a.m., but then took a recess until 10:00 a.m. At that time, representatives of Towing Done Right, Colorado Booting, Dark Sky, and Wyatt's Towing attended the hearing. No other person or entity presented written or oral comments at the hearing.

4. On December 3, 2019, the ALJ issued Recommended Decision No. R19-0961 and attached the rules in redline legislative format and in final format.

5. Colorado Booting LLC and Towing Done Right filed exceptions to Recommended Decision No. R19-0961 on December 23, 2019. Towing Done Right attached seven exhibits to its exceptions. According to the Commission, "[b]oth the exceptions and attachments offer some information that is new to this proceeding."²

² Decision No. C20-0083 issued in Proceeding No. 19R-0485TR on February 7, 2020 at 2 (¶ 3).

6. On February 7, 2020, the Commission issued Decision No. C20-0083 that granted the exceptions and remanded the proceeding “so that the ALJ can consider the information and arguments presented in the exceptions.”³ Citing the inclement weather on the day of the public comment hearing held on October 28, 2019, Decision No. C20-0083 “direct[ed] the ALJ to hold an additional public comment hearing to discuss the issues and information presented in these exceptions.”⁴
