REGULATIONS GOVERNING TRANSPORTATION BY MOTOR VEHICLE, 4 CCR 7-3-6 N

**RECOMMENDED DECISION OF

DISMISSING PETITION WITHOUT PREJUDICE**

Mailed Date: January 5, 2009

I. STATEMENT

On December 30, 2008, Paul Thomas Bloede (Petitioner) filed a verified Petition for Waiver/Variance of Safety Regulations – Truck Driver (Form PFW-T-C, revised 5/5/09) (Petition). Petitioner requests a waiver of the specific subparagraph(s) of rule 67-3(c) of the Transportation Network Company Rules: “(II) – Diabetes mellitus currently requiring insulin for control.” Petitioner at In support, Petitioner filed a Medical Examiner’s Certificate, a Medical Examination Report Form, a Certified Official Colorado Driver Record, and a copy of Petitioner’s Colorado driver’s license.

Petitioner seeks a one-year waiver of Commission Rule 67-3(c) of the Commission’s Rules Regulating Transportation by Motor Vehicle, to allow Petitioner to drive for a Transportation Network Company.

3 This proceeding was referred to an Administrative Law Judge for disposition by minute entry during the Commission’s weekly meeting held on December 3, 2008.

4 By Decision No. 00-09-3-I, issued December 30, 2008, Petitioner was informed that the Petition was incomplete, and he was ordered to either cure the deficiencies noted or to

show cause why this matter should not be dismissed without prejudice by January 14, 2021. As of January 14, 2021, Petitioner failed to provide any support for the requested relief as to Petitioner's ability to safely operate a motor vehicle based upon his medical condition.

5. While Petitioner filed a current copy of his Official Colorado Driver Record, he failed to provide any qualified medical opinion in support for the requested relief. The Medical Examiner's Certificate filed with the petition certifies that the person is medically fit to drive only if accompanied by a specific waiver. There is no qualified medical opinion expressed whatsoever in support of the requested relief as to Petitioner's ability to safely operate a motor vehicle. Further, Petitioner failed to demonstrate sufficient cause otherwise not to dismiss the application without prejudice. Because Petitioner failed to satisfy the order to show cause, the Petition will be dismissed without prejudice.

6. In accordance with § 40-6-109, C.R.S., the Administrative Law Judge recommends 4
that the Commission enter the following order.

II. ORDER

A. The Commission Orders That:

1. The petition filed by Paul Thomas Bloede on December 10, 2020, requesting a waiver of Rule 6713(driver) of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* 723-6 is dismissed without prejudice. 4

2. Proceeding No. 20V-0535TNC is closed.

3. This Recommended Decision shall be effective on the day it becomes the Decision of the Commission, if that is the case, and is entered as of the date above.

4. As provided by § 40-6-109, C.R.S., copies of this Recommended Decision shall be served upon the parties, who may file exceptions to it.

a) If no exceptions are filed within 20 days after service or within any extended period of time authorized, or unless the decision is stayed by the Commission upon its own motion, the recommended decision shall become the decision of the Commission and subject to the provisions of § 40-6-114, C.R.S.

b) If a party seeks to amend, modify, annul, or reverse basic findings of fact in its exceptions, that party must request and pay for a transcript to be filed, or the parties may stipulate to portions of the transcript according to the procedure stated in § 40-6-113, C.R.S. If no transcript or stipulation is filed, the Commission is bound by the facts set out by the administrative law judge and the parties cannot challenge these facts. This will limit what the Commission can review if exceptions are filed.

5. If exceptions to this Decision are filed, they shall not exceed 30 pages in length, unless the Commission for good cause shown permits this limit to be exceeded.
