2. By Decision No. C22-0247, issued on April 20, 2022, the Commission, among other things, accepted the procedural schedule proposed by Parties¹ in this proceeding. This procedural schedule established a September 21, 2022 deadline for parties to file statements of position.

United Energy Trading was granted intervention out of time in Decision No. C22-0299 and agreed to the consensus procedural schedule as proposed.

3. The Commission held an evidentiary hearing in this Proceeding August 17 through August 30, 2022. Onward Energy Management LLC (Onward Energy) requested and received excusal from the evidentiary hearing on the first day of hearing. At the evidentiary hearing, the Commission amended the deadline for parties to file statements of position to September 14, 2022. The Commission only announced this amended deadline orally during the hearing.

4. On September 14, 2022, Onward Energy filed its statement of position after the close of business. On September 15, 2022, Onward Energy filed a motion to accept its statement of position out of time (Motion).
