**ERRATA NOTICE FOR
COMMISSION DECISION AUTHORIZING
NO CHANGE OF GAS RATES
ON LESS-THAN-STATUTORY NOTICE**

Errata mailed October 28, 2022

Original Decision No. C22-0658 mailed October 26, 2022

1. The date and year on the Ordering Paragraph 1 on page 4 of this Decision reads as: October 15, 2021. That reference is incorrect. The date and year should be October 17, 2022.

Order paragraph 1 on page 4 should be amended to read as follows:

The Verified Application filed by Durango Mountain Utilities, LLC (DMU) on October 17, 2022 is deemed complete.

2. The year on the Ordering Paragraph 4 on page 5 of this Decision reads as: November 1, 2021. That is a typographical error. The year should be November 1, 2022.

Order paragraph 4 on page 5 should be amended to read as follows:

DMU is authorized to file, on not less than two days' notice, the tariff attached as Appendix A and made a part of this Decision. The tariff shall be effective for actual gas sales on or after their effective date of November 1, 2022
