I. STATEMENT

A. Procedural History

1. This proceeding concerns Civil Penalty Assessment Notice (CPAN) No. 137427 issued by Commission Staff on January 31, 2024, against Respondent Tow-Pros, LLC (Respondent or Tow-Pros). The CPAN assessed Tow-Pros a total penalty of \$4,111.25 for two violations of Rule 6509(a)(IV), and one violation of Rule 6509(a)(IX), Rule 6509(a)(X), Rule 6509(a)(VII), Rule 6509(a)(I), and Rule 6509(a)(VII) 4 *Code of Colorado Regulations* (CCR) 723-6, as more specifically listed in the CPAN.

2. The CPAN was personally served on January 31, 2024. A representative of Tow-Pros signed the CPAN acknowledging receipt on January 31, 2024.

3. On April 12, 2024, Trial Staff of the Commission (Staff) filed its Notice of Intervention as of Right and Entry of Appearance in this proceeding.

4. On April 24, 2024, the Commission referred this proceeding to an Administrative Law Judge (ALJ) by minute entry.

B. Remote Evidentiary Hearing

5. A hearing in the above captioned proceeding shall be scheduled for July 16, 2024, at 9:00 a.m. as a remote hearing since the Respondent is not located in the Denver area. At the remote hearing, the parties may call witnesses, present evidence, and make arguments in support of their position. Evidence includes documentary exhibits, testimony, and other tangible items that a party wishes the ALJ to consider in reaching a decision as to the allegations in this case.

6. Attachment A to this Decision provides the information addressing how to use the Zoom platform for remotely participating in the remote hearing. Attachment B outlines procedures and requirements for marking and formatting exhibits to facilitate the efficient and smooth electronic evidence presentations at the remote hearing. It is extremely important that the parties carefully review and follow all requirements in this Decision and Attachments A and B.

7. To minimize the potential that the video-conference part of the hearing may be disrupted by non-participants, the link, meeting ID code, and passcode to attend the hearing will be provided to the participants by email before the hearing, and the participants will be prohibited from distributing that information to anyone not participating in the hearing.

8. If a party cannot attend the remote hearing on July 16, 2024, the party with the scheduling conflict must file a motion to reschedule the remote hearing by July 1, 2024.

Before filing the motion to reschedule, the filing party must confer with the other party about whether the other party opposes the motion and the dates that both parties are available for a hearing in August of 2024. The motion to reschedule must: (a) state whether it is opposed or unopposed; and (b) identify the dates that both parties are available for a remote hearing in August of 2024.

C. Unified Numbering System for Hearing Exhibits

9. The Public Utilities Commission Administrative Hearings Section uses box.com to receive and manage exhibits that are first presented in this type of hybrid evidentiary hearing.¹ As such, it is essential that the parties ensure they are able to access and use box.com prior to the evidentiary hearing. To this end, the parties will be provided box.com links and instructions to: (a) upload exhibits for use during the hearing; and (b) download exhibits once they are presented during the hearing.

10. Each party must (a) pre-mark all hearing exhibits with a hearing exhibit number within their assigned number block before uploading the exhibits to the party's designated box.com folder; (b) sequentially page-number each page of exhibits longer than two pages, with the first page number as page 1, regardless of content, before uploading the exhibits to the party's designated box.com folder; and (c) upload all pre-marked exhibits into each party's respective designated box.com folder prior to the presenting them during the hearing.

11. Attachment B outlines procedures and requirements for marking and formatting exhibits aimed at facilitating efficient and smooth electronic evidence presentations at the remote

- Staff is assigned hearing exhibit numbers 100 to 199; and
- Respondent is assigned hearing exhibit numbers 200 to 299.
