AND MOTION TO VACATE HEARING**

Public Service Company of Colorado, the Staff of the Colorado Public Utilities Commission, and the Colorado Office of Consumer Counsel hereby stipulate that the Application filed by Public Service should be granted and that the Company's 2005-2006 Electric Department Gas Price Volatility Mitigation Plan should be approved. The Parties further agree that the pre-filed testimony and exhibits filed by the Company should be entered into the record, without cross-examination, as support for the approval of the Company's application. Attached to this Stipulation is an Affidavit from Mr. Uebelhoer affirming his pre-filed testimony and exhibits. Because the Parties are stipulating to approval of the Company's Application, the parties further request that the hearing scheduled for February 28, 2005 by Decision No. R05-0189-I be vacated.

Public Service filed its Application and the testimony and exhibits of Werner R. Uebelhoer on January 18, 2005. The Staff and the OCC have had the opportunity to conduct discovery on the Company's filing. Neither Staff nor the OCC wishes to address before the Commission any issues with respect to this filing. The Staff and the OCC agree that the Company's 2005-2006 Electric Department Gas Price Volatility Mitigation Plan should be approved as filed.

Dated this 17th day of February, 2005.
