Concurrent with the filing of an Advice Letter and initial tariff to provide such telecommunications services, BRESNAN shall file with the Commission a verified statement, signed by an officer of BRESNAN, attaching the original and two copies of the letter of credit to the verified statement. The beneficiary of the letter of credit shall be the Colorado Public Utilities Commission.

6. Initially, the letter of credit shall be in the amount of fifty thousand dollars (\$50,000), which will be the minimum amount required for the duration of the letter of credit. The formula used to calculate the amount of the letter of credit is attached to this Stipulation as Exhibit A and incorporated herein.

7. The issuer of the letter of credit shall be rated "Secure" by A.M. Best Company, Inc.

8. Within thirty (30) calendar days beginning on the calendar date the number of BRESNAN's revenue producing lines¹ reaches one thousand (1,000) lines, BRESNAN shall recalculate the amount of the letter of credit that will be required and shall file a report with the Commission that clearly shows the number of revenue producing lines and the recalculated amount of the letter of credit that is then required, using the same formula used for determining the initial amount of the letter of credit, which is found in and is attached as Exhibit A. Within thirty (30) calendar days beginning on the day after the thirty-day report period set forth above in this same Paragraph No. 8 has

In the event BRESNAN sells systems that serve multiple lines, the calculation of "revenue producing lines" or the equivalent shall be made pursuant to Federal Communications Commission Form 477, "Instructions for the Local Competition and Broadband Reporting Form."

Such verified statement shall clearly identify the new amount and the new term of the letter of credit. 9. BRESNAN shall file a report with the Commission no later than December 31 of each year that the letter of credit is required, beginning in the year that BRESNAN offers regulated telecommunications services to its customers under its effective tariff. This report shall include the following:

- (a) The total number of revenue producing lines of BRESNAN for regulated telecommunications services to end user customers in Colorado for the six (6) months preceding the date of the report;
- (b) Any change in the number of revenue producing lines of Bresnan for regulated telecommunications services to end user customers in Colorado for the six (6) months preceding the date of the report;
- (c) the amount of the existing letter of credit; and
- (d) any recalculation of the amount of the letter of credit that may be required.

10. An increase in the amount of the letter of credit will not be required unless the recalculation of the amount of the letter of credit as calculated using the formula set for in Exhibit A exceeds twenty percent (20%) of the amount of the existing letter of credit.

11. The monies from the letter of credit shall be disbursed as set forth in this paragraph in the event of the issuance of a show cause order by the Commission pursuant to paragraph 14 below.

Disbursement shall be made on a percentage basis, which percentages are included in Exhibit A.

Disbursement of the letter of credit shall be made as described below:

- c. To refund customer deposits and prepayments for telecommunications services not yet received in the event that BRESNAN discontinues service to its customers. Upon attestation by an officer of BRESNAN that all refunds owed to customers for payment for services not yet received has been rendered and the disbursement of the funds to all other parties has been completed, the Commission shall disburse to BRESNAN any remaining proceeds from the letter of credit up to the amount of the refunds BRESNAN issued to customers; and

12. At any time any portion of the letter of credit is disbursed, BRESNAN shall obtain in addition to the current letter of credit or a new letter of credit for the amount required based on the formula set forth in Exhibit A.

concerning BRESNAN's letter of credit and the status of BRESNAN's CPCN. In the event the Commission issues a show cause order that finds Bresnan is in breach of any or all of the items described in Paragraph No. 13(a) and (b) above, the Commission may authorize its representatives to draw on the letter of credit. No demand for a draw on the letter of credit shall be honored by the issuing bank, absent a show cause order issued by the Commission authorizing its representative to draw on the letter of credit.

15. BRESNAN agrees that it will not discontinue service to customers for any reason unless the Commission has granted its application to discontinue pursuant to 4 CCR 723-2-2108 (Rule 2108). For so long as BRESNAN is obligated to provide the letter of credit, in the event that BRESNAN files an application pursuant to Rule 2108, BRESNAN shall file with the Commission, and serve a copy on Staff, the following: (a) the number of business and residential lines affected by such discontinuance; (b) a customer list, including the name, address and telephone number of each customer; (c) the amount of any refund due to each individual customer for payment of service not received by the customer; and (d) the identity of all underlying providers supporting the regulated telecommunications services affected by such discontinuance.

This requirement does not include employment agreements with Bresnan employees who may be hired to perform inside sales, marketing or customer service or acquisition activities.

18. In the event the Commission issues a show cause order that finds Bresnan is in breach of any or all of the obligations set forth in this Stipulation, the Commission may authorize its representatives to draw on the letter of credit. No demand for a draw on the letter of credit shall be honored by the issuing bank, absent a show cause order issued by the Commission authorizing its representative to draw on the letter of credit.
