IN THE MATTER OF THE ISSUANCE OF TEMPORARY REGISTRATIONS FOR PROPERTY CARRIERS BY MOTOR VEHICLE FOR THE PURPOSE OF TRANSPORTING UNPROCESSED AGRICULTURAL PRODUCE TO MARKET OR TO PLACES OF STORAGE UNDER § 40-16-110(5)(a), C.R.S.

Original Decision No. C07-0438 mailed May 23, 2007

Amendment mailed: June 4, 2007

Amendment Adopted Date: May 30, 2007

**I. BY THE COMMISSION**

**A. Statement, Findings and Conclusion:**

1. Timothy J. Larsen, Senior Marketing Specialist for the Department of Agriculture filed a letter with the Commission on May 15, 2007. In his letter Mr. Larsen stated, “Each year we face the challenge of bringing the Colorado agricultural harvest from the field. We would like to request the Colorado PUC issue temporary certificates for the seasonal movement of crops to help our industry handle this annual harvest. There is a shortage of authorized motor vehicles available during each harvest to insure the timely movement of crops from field to store or transportation locations.”

2. The Commission may, under § 40-16-110(5)(a), C.R.S., “authorize the Colorado motor carrier services division in the department of revenue to issue temporary registrations to property carriers by motor vehicle for the seasonal operation of motor vehicles for the purpose of transporting unprocessed agricultural produce to market or to places of storage. The duration of such temporary registrations shall be ninety consecutive days.”

3. Each property carrier that applies for this temporary registration must present evidence of insurance to the port of entry at the time of application or sign an affidavit attesting that the person making the application is insured in accordance with the requirements of § 40-16-104, C.R.S. Each property carrier applying for this temporary registration is also required to pay a fee of \$20.00 per vehicle for each vehicle operated under this temporary registration.

4. At its weekly meeting on May 23, 2007, the Commission discussed Mr. Larsen's request for temporary certificates and found that, during the upcoming harvest season, the number of authorized motor vehicles available may not be sufficient to transport unprocessed agricultural produce from fields and farms to market, railroad loading points, warehouses, or other places of storage. At this meeting the Commission authorized the Colorado Motor Carrier Services Division in the Department of Revenue to issue temporary registrations to property carriers by motor vehicle for the seasonal operation of motor vehicles, up to ninety consecutive days, for the purpose of transporting such unprocessed agricultural produce to market or to places of storage as provided by § 40-16-110(5)(a), C.R.S.

5. The Commission granted the Colorado Motor Carrier Services Division in the Department of Revenue the authority to issue the temporary registrations in Decision No. C07-0438 on May 23, 2007.

6. The Commission received a request for an additional temporary registration for a specific commodity from Mr. Larsen on May 29, 2007. In this request Mr. Larsen states that due to the increased use of corn for the production of ethanol, the price paid for a bushel of corn has also significantly increased. As a result of this price increase, farmers are diverting the sale of corn that would have been sold as cattle feed, to the production of ethanol. To make up for the loss of corn as cattle feed, farmers have started to harvest wheat for use as cattle feed. The

harvesting of wheat in May that would not usually be harvested until July has created a need for additional transportation services.

7. To meet this need, Mr. Larsen requests that “chopped wheat for feed and silage” be added to the existing Appendix as a commodity to 32 named Colorado counties.

8. However, Ordering Paragraph No. 1 of Decision No. C07-0438 states “Such registrations are authorized only for the commodities, and within the areas, and during the time frames described in the attached Appendix.”

9. Pursuant to § 40-6-112, C.R.S., “the commission, at any time upon notice to the public utility affected, and after opportunity to be heard as provided in the case of complaints, may rescind, alter, or amend any decision made by it.” Therefore, we shall amend Decision No. C07-0438 by adding “chopped wheat for feed and silage” to the existing Appendix as a commodity to 32 named Colorado counties.

## **II. ORDER**

### **A. The Commission Orders That:**

1. Decision No. C07-0438 will be amended such that the commodity “chopped wheat for feed and silage” will be added to the appropriate Colorado counties as shown in the Appendix.

2. These temporary registrations are authorized for the seasonal operation of motor vehicles for the purpose of transporting unprocessed agricultural produce from fields or farms located within the various counties in the State of Colorado to market, railroad loading points, warehouses, or other places of storage. Such registrations are authorized only for the commodities, and within the areas, and during the time frames described in the attached Appendix.

3. Authorization under the temporary registrations shall be effective from the date of issuance by authorized personnel of the Colorado Ports of Entry to the expiration date listed in the attached Appendix.

4. This Order is effective upon its Mailed Date.

**B. ADOPTED IN THE COMMISSIONERS' WEEKLY MEETING  
May 30, 2007.**
