NOTICE OF A CHANGE IN THE ELECTRIC RATES OF
PUBLIC SERVICE COMPANY OF COLORADO
1225 17TH STREET, DENVER, COLORADO 80202

You are hereby notified that Public Service Company of Colorado has filed with the Colorado Public Utilities Commission to change electric rates for all customers through the Air Quality Improvement Rider (AQIR), to become effective January 1, 2008, unless suspended by the Public Utilities Commission.

The AQIR rate is different for each of three customer groups: Group 1 consists of all residential customers and commercial and industrial customers taking service at secondary voltages; Group 2 consists of commercial and industrial customers taking service at primary and transmission voltages; and Group 3 consists of lighting service customers. The proposed AQIR rates are:

Group 1	\$0.00108/kWh
Group 2	\$0.47/kWh
Group 3	\$0.00111/kWh

The effect on the Company's annual revenue will be an increase of \$6,101,283 based upon projected sales for the twelve-month period January 1, 2008 through December 31, 2008. The revised AQIR rates proposed above are filed in compliance with Commission Decision No. R99-678 in Docket No. 98A-511E and Decision No. C02-1422 in Docket No. 02S-485E. The proposed changes in the AQIR rates are increases for Groups 1, 2 and 3. The average monthly impact for customers by rate class is projected to be as follows:

<u>Rate Class</u>	<u>Rate Schedule</u>	<u>Monthly Bill Impact</u>	<u>Percent Change</u>
Residential	Schedule R	\$ 0.15	0.26 % increase
Small Commercial	Schedule C	0.25	0.27 % increase
Commercial & Industrial Secondary	Schedule SG	6.24	0.32 % increase
Commercial & Industrial Primary	Schedule PG	57.34	0.22 % increase
Commercial & Industrial Transmission	Schedule TG	1,106.88	0.24 % increase

The change in the AQIR will also affect the Wind Energy Service Adjustment because the AQIR is credited against the Wind Energy Rate in order to calculate the Wind Energy Service Adjustment. No change is being proposed to the Wind Energy Rate. The proposed changes in the Wind Energy Service Adjustments are as follows:

<u>Rate Schedule</u>	<u>Monthly Average Usage</u>	<u>Current WES Adjustment</u>	<u>Proposed WES Adjustment</u>
Schedule R	625 kWh	\$0.9090	\$0.8860
Schedule C	1,025 kWh	\$0.9090	\$0.8860
Schedule SG	27,000 kWh	\$0.9090	\$0.8860
Schedule PG	450,000 kWh	\$0.8940	\$0.8760
Schedule TG	9,000,000 kWh	\$0.8720	\$0.8540
