By its Advice Letter No. 59, Rocky Mountain proposed that the tariff sheets submitted with that filing would become effective on October 1, 2007, on more than thirty days' notice to the Commission and the public. By its Amended Advice Letter No. 59, Rocky Mountain extended the effective date of the tariff sheets attached to the Advice Letter to April 1, 2008. By its Second Amended Advice Letter No. 59, Rocky Mountain further extended the effective date of the tariff sheets attached to the Advice Letter to June 1, 2008. By its Third Amended Advice Letter No. 59, Rocky Mountain further extended the effective date of the tariff sheets attached to the Advice Letter to November 1, 2008. By its Fourth Amended Advice Letter No. 59, Rocky Mountain further extended the effective date of the tariff sheets attached to the Advice Letter to May 1, 2009. By this filing, Rocky Mountain proposes to further extend the effective date of the tariff sheets attached hereto to July 1, 2009.

Rocky Mountain is working with AMGas Transfer Corp., Seminole Energy Services LLC, other shippers and Commission Staff to resolve issues raised by the tariff revisions proposed in Advice Letter No. 59. The parties involved in negotiating a resolution of this advice letter filing either support or do not oppose the proposed extension. Despite the time required to address the matters raised in this Advice Letter, the parties are making progress towards a negotiated resolution. Rocky Mountain believes that the ongoing informal approach being followed outside

the context of a contested proceeding is the best means of reaching a resolution of the pertinent matters. Rocky Mountain therefore is proposing to extend the effective date of the tariff revisions to July 1, 2009 to permit interested parties to continue negotiating outside the context of a contested proceeding.

No changes to Appendices A and B to Advice Letter No. 59 are necessitated by this Fifth Amended Advice Letter No. 59. Please contact James Elliott at 303-243-3497 with any questions about this Advice Letter.
