STIPULATED MOTION OF M T ACQUISITIONS, LLC D/B/A MOUNTAINS TAXI AND CASINO TRANSPORTATION, INC. AND FOUR WINDS, INC. D/B/A PEOPLE'S CHOICE TRANSPORTATION, INC. TO RESTRICTIVELY AMEND THE APPLICATION, FOR CONDITIONAL WITHDRAWAL OF INTERVENORS' INTERVENTION, AND FOR A WAIVER OF RESPONSE TIME

Casino Transportation, Inc. and Four Winds, Inc. d/b/a People's Choice Transportation, Inc. (collectively CTI or Intervenor) by and through their counsel, Charles M. Williams of Charles M. Williams, P.C. and M T Acquisitions, LLC d/b/a Mountains Taxi (Mountains Taxi or Applicant), *pro se* by and through its authorized representative, Donald Bosch, Managing Member of the Applicant, hereby submit their above pleading. In support thereof, the parties show the Colorado Public Utilities Commission (PUC or Commission) as follows:

Motion

1. Applicant has filed an application seeking a Certificate of Public Convenience and Necessity from this Commission. The Application was noticed in the PUC's Notice of April 25, 2011, a copy of which is attached hereto as Exhibit A. By its application as noticed by the PUC, Mountains Taxi seeks authority to extend operations under Certificate of Public Convenience and Necessity No. 55768 to authorize the transportation of passengers in call-and-demand limousine service between all points in the following area: commencing at the intersection of Colorado State Highway 119 and U. S. Highway 6, near the boundaries of the Counties of Jefferson, Gilpin, and Clear Creek, State of Colorado, thence east along U.S.

Highway 6 to its intersection with Jefferson County Parkway, thence east and south along Jefferson County Parkway to its intersection with Johnson Road, thence south along Johnson Road to its transition to Interstate C-470, thence south and east along Interstate C-470 to its intersection with the boundary of the County of Jefferson thence south along the boundary of the County of Jefferson to a point one mile south of its intersection with Jefferson County Road 96 (South Platte River Road), thence west along an imaginary line to a point 8 miles west of the eastern boundary of the County of Park, thence north along an imaginary line for 28.25 miles, thence east along an imaginary line to State Highway 119, thence southeast along State Highway 119 to the point of beginning, and between said points, on the one hand, and all points in the State of Colorado, on the other hand. Intervenors oppose the application.

2. Intervenors and Applicant have engaged in negotiations concerning Intervenors' interest in the application, as compared to Applicant's request for an extension of authority and the service it intends to offer. As a result of negotiations between the parties, Applicant requests that its application be restrictively amended as set forth below¹. The intent of the restriction as between these Intervenors and the Applicant is to eliminate all points in Gilpin County from the base radial authority the Applicant requests. If this Stipulated Motion is granted, the application, as restrictively amended, will seek the following authority:

Transportation of passengers in call-and-demand limousine service:

Between all points in the following area: commencing at the intersection of Colorado State Highway 119 and U. S. Highway 6, near the boundaries of the Counties of Jefferson, Gilpin, and Clear Creek, State of Colorado, thence east along U.S. Highway 6 to its intersection with Jefferson County Parkway, thence

¹ The restated scope of the application, as amended incorporates all restrictive amendments proposed by the Applicant by its letter dated May 23, 2011 including an amendment against service to or from Denver International Airport to satisfy the interests of another carrier. A copy of Applicant's letter is attached hereto as Exhibit B.

east and south along Jefferson County Parkway to its intersection with Johnson Road, thence south along Johnson Road to its transition to Interstate C-470, thence south and east along Interstate C-470 to its intersection with the boundary of the County of Jefferson thence south along the boundary of the County of Jefferson to a point one mile south of its intersection with Jefferson County Road 96 (South Platte River Road), thence west along an imaginary line to a point 8 miles west of the eastern boundary of the County of Park, thence north along an imaginary line to the southern boundary of the County of Gilpin, thence southeast along the southern boundary of the County of Gilpin to State Highway 119, thence southeast along State Highway 119 to the point of beginning, and between said points, on the one hand, and all points in the State of Colorado, on the other hand.

Restriction: The Applicant is restricted against providing call and demand limousine services to or from Denver International Airport, Denver, Colorado.

3. Applicant and Intervenors advise the PUC that they believe that the offered restrictive amendment to eliminate Gilpin County, Colorado points from the base radial territory is restrictive in nature, unambiguous, and capable of enforcement. The parties request that it be accepted. Intervenors further advise the PUC that if the application is amended as set forth in paragraph 2 above, their interest in the application will be satisfied and their Intervention will be withdrawn.

4. In the event the proposed restriction is rejected, or is accepted in a form other than as submitted above, Intervenors' interest in the application will not have been satisfied, and Intervenors will continue their intervention in opposition to this application.

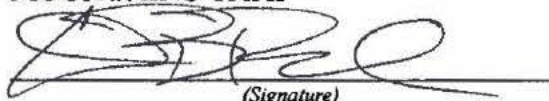

Request for Waiver of Response Time

5. This matter has been set for a prehearing conference on June 10, 2011 by Interim Decision No. R11-0623-I. Since this is a Stipulated Motion between Intervenor and the Applicant, the parties request that the response time to the within Stipulated Motion be waived.

WHEREFORE, Applicant and Intervenor request that the Commission grant their Stipulated Motion as requested and that the response time to the Stipulated Motion be waived.

Respectfully submitted June 10, 2011.
