PROCEEDING NO. 14R-0641TR

IN THE MATTER OF THE PROPOSED RULES REGULATING TRANSPORTATION BY  
MOTOR VEHICLE, 4 CODE OF COLORADO REGULATIONS 723-6.

---

**NOTICE OF PROPOSED RULEMAKING**

---

Mailed Date: June 13, 2014  
Adopted Date: June 11, 2014

**I. BY THE COMMISSION**

**A. Statement**

1. The Colorado Public Utilities Commission (Commission) issues this Notice of Proposed Rulemaking (NOPR) regarding proposed Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* (CCR) 723-6. The transportation rules generally describe the manner of regulation over persons providing services by motor vehicle in the State of Colorado. More specifically, the purpose of Rule 6007(a)(I) is to prescribe the necessary amounts of financial responsibility for regulated motor carriers.

2. The statutory authority for the proposed rules is found in §§ 40-2-108, 40-2-110.5, 40-3-101(1), 40-3-102, 40-3-103, 40-3-110, 40-4-101, 40-5-105, 40-7-113(2), 40-10.1.101 to 507; 42-4-235; 42-4-1809(2)(a), 42-4-2108(2)(a), and 42-20-202(1)(a), C.R.S.

3. On May 1, 2014, the Commission adopted the current version of Rule 6007(a)(I) on an emergency basis.<sup>1</sup> The Commission found the prior insurance requirements, which went into effect on February 14, 2014, resulted in a substantial and immediate hardship to regulated motor carriers. In particular, the prior requirements were threatening the sustainability of two of

the four taxicab carriers then serving the Denver metro area, yet were not necessary to protect the public safety at the time.<sup>2</sup> The current version of Rule 6007(a)(I) expires on **November 27, 2014**.

4. In this rulemaking, we will determine the minimum financial responsibility levels on a permanent basis. In doing so, we will consider both public safety and the financial impact on regulated carriers, which in turn affect the availability of services to the public. Further, our May 1, 2014, decision adopting temporary levels of financial responsibility does not establish any precedent on what these requirements should be on a permanent basis.

5. The Commission invites interested persons to comment and submit information on the following issues: (1) the minimum levels of financial responsibility for various types of motor carriers; (2) information on the premiums resulting from particular levels of financial responsibility; (3) the relevance, if any, of the federal insurance limits for motor carriers, the Denver International Airport insurance limits for motor carriers, and the Transportation Network Company minimum insurance limits; and (4) information on damage awards of claims against insurance policies of motor carriers over time.

6. We refer this proceeding to an Administrative Law Judge (ALJ). The ALJ shall review the comments addressing the issues mentioned above and issue proposed rules at least five days prior to the public comment hearing.<sup>3</sup> The ALJ shall issue a recommended decision to enable the Commission to issue a final decision and adopt new permanent rules on or before **November 27, 2014**.

Reply comments should be filed in the same proceeding and through the Electronic Filing System no later than **July 25, 2014**. The Commission will consider all submissions, whether oral or written.

8. We also request commenters to include proposed or alternate rule language, as necessary, with their comments, by the dates and manner specified above.
