I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On September 24, 2014, Mairik Adult Day Care (Applicant) filed an application for permanent authority to extend operations under Certificate of Public Convenience and Necessity (CPCN) PUC No. 55800 to increase the maximum number of vehicles in restriction (F) from six to eight vehicles.

2. The Commission noticed this application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on October 6, 2014.

3. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is uncontested. Under § 40-6-109(5), C.R.S., this matter may be determined without hearing.

4. The information submitted with this application warrants the granting of the requested extension to CPCN PUC No. 55800. Applicant is a Colorado limited liability company that is in good standing with the Secretary of State; and, the application includes a sufficient

statement of fact and fitness. Applicant states that it does not have enough vehicles to transport its clients from their home to the day care facility. Applicant further states that “[w]e are dealing with the elderly population and they are not happy about a long wait.”

5. The present or future public convenience and necessity requires, or will require, the transportation service as requested.

6. Applicant is fit to perform the service as requested.
