PROCEEDING NO. 14A-1016BP-EXTENSION

IN THE MATTER OF THE APPLICATION OF WESTERN PARKING MANAGEMENT LLC  
FOR PERMANENT AUTHORITY TO EXTEND OPERATIONS UNDER PERMIT  
NO. B-09967.

**COMMISSION DECISION GRANTING  
EXTENSION OF AUTHORITY**

---

Mailed Date: December 12, 2014  
Adopted Date: December 3, 2014

**I. BY THE COMMISSION**

**A. Statement, Findings, and Conclusions**

1. On October 14, 2014, Western Parking Management LLC (Applicant), filed an application for permanent authority to extend operations as a contract carrier by motor vehicle for hire under Contract Carrier Permit No. B-09967. An application for temporary authority to extend operations along the same lines, filed in Proceeding No. 14A-1016BP-Extension-TA, was granted for a period of 180 days beginning on October 31, 2014 by Commission Decision No. C14-1321.

2. Applicant specifically requests permanent authority to extend its permit to operate as a contract carrier for the WorldMark resort in Granby. This extended portion of the authority is described more fully in the Appendix to this Decision.

3. The Commission noticed this petition to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on October 20, 2014, for a period of 30 days.

4. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is therefore uncontested. Pursuant to § 40-6-109(5), C.R.S., this matter may be determined without a hearing.

5. In support of the application, Applicant explains that the WorldMark wishes to transport groups of 10 to 25 guests, and no local carrier with vehicles of that size is available. The attached customer support letter from the WorldMark states “Service is scheduled to begin November 12, 2014; it is imperative that service starts on time. This service is crucial to our guests and the community...” The letter also explains that Applicant was the only transportation carrier who could meet the needs of the WorldMark for this program.

6. The information submitted with this application warrants the granting of the requested extension to Contract Carrier Permit No. B-09967. Applicant is a Colorado limited liability corporation that is in good standing with the Secretary of State. In addition, the application includes a sufficient statement of fact regarding public interest and fitness.

7. Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought.

8. The application for permanent authority to extend operations is in the public interest and will be granted.
