Mailed Date: December 24, 2014

Adopted Date: December 22, 2014

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission for consideration of a filing submitted on December 16, 2014 by Olanrewaju Badmus, a partner of Objay & Obkay Services (Applicant), requesting that the Commission grant an additional 60 days to comply with the terms of Decision No. R14-1242 (Decision).

B. Findings

2. On June 2, 2014, Applicant filed an application for permanent authority to conduct operations as a contract carrier of passengers by motor vehicle for hire.

3. The Commission noticed the application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on July 14, 2014. Interventions were filed and the proceeding was referred to an Administrative Law Judge.

4. On October 14, 2014, the Decision was issued and granted Applicant a permit to operate as a contract carrier by motor vehicle for hire. The Decision also set forth certain requirements to be completed by Applicant prior to the commencement of operations.

5. Specifically, Ordering Paragraph No. 11 of the Decision states that Applicant shall not commence operations until it has complied with the requirements of Colorado laws and Commission rules, including without limitation:

- (a) causing proof of insurance (Form E or self-insurance) or surety bond (Form G) coverage to be filed with the Commission;
- (b) paying to the Commission, the motor vehicle fee (\$5) for each vehicle to be operated under authority granted by the Commission, or in lieu thereof, paid the fee for such vehicle(s) pursuant to the Unified Carrier Registration Agreement;
- (c) having an effective tariff on file with the Commission. Applicant shall file an advice letter and tariff on not less than ten days' notice. The advice letter and tariff shall be filed as a new Advice Letter proceeding and shall comply with all applicable rules. In calculating the proposed effective date, the date received at the Commission is not included in the notice period and the entire notice period must expire prior to the effective date. (Additional tariff information can be found on the Commission's website at dora.colorado.gov/puc and by following the transportation common and contract carrier links to tariffs)]; and
- (d) paying the applicable issuance fee (\$5).

6. Furthermore, Ordering Paragraph No. 12 of the Decision states:

If Applicant does not cause proof of insurance or surety bond to be filed, pay the appropriate motor vehicle fees, file an advice letter and proposed tariff, and pay the issuance fee within 60 days of the effective date of this Decision, then the grant of the operations under the Permit shall be void. For good cause shown, the Commission may grant additional time for compliance if the request for additional time is filed within 60 days of the effective date of this Decision.

7. The Decision became effective on November 3, 2014. Therefore, Applicant has until January 2, 2015 to comply with the Decision or file a request for additional time. A request for additional time was timely filed on December 16, 2014.

8. In the filing submitted on December 16, 2014, Mr. Badmus states the following:
"I require the additional time to find a vehicle and obtain the proper insurance."

C. Conclusions

9. The Commission concludes that Applicant has shown good cause to extend the time for compliance with the requirements of the Decision for an additional 60 days from the original deadline of January 2, 2015.
