Counsel and parties,

Based upon Mr. Joyce's email (below), I will issue an order vacating Monday's hearing, and approving the parties' agreed-upon procedural schedule. That order may not go out until sometime on Monday. Nevertheless, the parties need not appear on Monday.

Thank you again for your efforts to resolve these procedural matters without a hearing.

Subject: 13A-1337T, Unopposed Motion filed by Sage Telecom

Counsel and parties,

I am in receipt of Sage Telecom's Unopposed Motion filed today in the above proceeding.

I appreciate the parties' efforts to address the issues identified by Decision No. R14-0154-I.

Unfortunately, I am unavailable for the hearing date proposed by the parties. I can offer the following hearing dates: April 23, 24, 25, 28 or 29th. Obviously, it may be appropriate to adjust other dates in the proposed schedule based upon the new hearing date.

If the parties still wish for Monday's hearing to be vacated, Sage Telecom's counsel should respond with a new proposed hearing date (and procedural schedule, as necessary), by 3:30 p.m. tomorrow. Please ensure that all parties are in agreement with those dates, and that your email includes a statement to that end. Of course, Sage Telecom should copy all parties on your responsive email.

If I hear back, I will vacate Monday's hearing. Otherwise, we will move forward with the hearing on Monday.
