BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

Proceeding No. 14G-0166EC

Civil Penalty Assessment Notice 108847

PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO.

Complainant,

v.

BAYERA MIDEKSSA D/B/A BM LIMO,

Respondent.

## STIPULATION AND SETTLEMENT AGREEMENT

Staff of the Public Utilities Commission ("Staff") and Respondent Bayera Midekssa d/b/a BM Limo ("Respondent") (collectively, the "Parties") enter into this Stipulation and Settlement Agreement ("Agreement") in the above-referenced Docket as a complete and final resolution of all issues that were or could have been raised in this proceeding.

## **Background**

On February 21, 2014, the Commission issued Respondent Civil Penalty Assessment Notice No. 108847 (the "CPAN") seeking civil penalties of \$1,100.00 (or \$550.00 if paid within 10 days). The CPAN alleged 2 violations of 4 *Code of Colorado Regulations* ("CCR") § 723-6-6309(e). The CPAN was personally served on February 21, 2014.

## Settlement Agreement

Staff and Respondent hereby stipulate and agree as follows:

- 1. Respondent admits liability to all the violations in the CPAN.
- 2. Respondent agrees to comply with all Colorado and federal statutes and rules concerning luxury limousine operational requirements.
- 3. The Agreement herein has been reached in the spirit of compromise and in light of the uncertainties of trial. The Agreement has also been reached to avoid the costly expense of litigation. The Agreement promotes administrative efficiency by avoiding the time and expense that would be necessarily devoted to hearing this matter. The public interest is served by requiring the payment by Respondent of a civil penalty in the amount of \$660.00 under the terms in this Agreement. In reducing the penalty, Staff considered the following mitigating factors pursuant to Commission Rule 1302(b):
  - Respondent acknowledges wrongdoing. a.
  - b. Respondent admits the maximum level of culpability for all violations in the CPAN.
  - Assessing Respondent a civil penalty of \$660.00 under the c. terms herein is sufficient to motivate Respondent to remain in compliance with the Public Utilities Laws and Commission Rules on a going-forward basis.
- 4. In consideration of Respondent's admission of liability, and for the reasons expressed above, Staff agrees reducing the amount of the civil penalty from \$1,100.00 to \$660.00 is appropriate and in the public interest. This \$660.00

settlement amount consists of a \$600.00 penalty, plus a ten-percent surcharge of

\$60.00 pursuant to section 24-34-108, C.R.S.

5. Respondent shall pay the total amount of \$660.00 in three installments

of \$220.00 each. The first installment of \$220.00 is due within 10 days of the

Commission's final order approving this Agreement, and each successive installment

payment is due 30 days following the prior installment's due date.

6. If Respondent fails to make any of the installment payments when due,

Respondent shall be liable for the full civil penalty amount of \$1,100.00 less any

payments made, which amount will be due immediately.

7. Respondent further agrees that if, during any investigation(s) conducted

by Staff within twelve months of the date of a Commission final order in this Docket,

the Commission finds any violations of rules or statutes the same or of a similar

nature as any of the violations for which Respondent has admitted liability,

Respondent shall be liable for the full civil penalty, less payments made. In this

event, the remaining full civil penalty will be due immediately. Respondent and Staff

agree the specific intent of this provision is to prevent further violations of the Public

Utilities Laws and Commission Rules.

8. All matters that were raised or could have been raised in this Docket

relating to the issues specifically identified and addressed herein have been resolved

by this Agreement. This Agreement may be executed in counterparts, each of which

when taken together shall constitute the entire Agreement of the Parties, and no

further modification of this Agreement is allowed, except in writing by the parties, and

further agreed to in an order issued by the Commission.

9. Respondent's failure to complete its payment obligations as set forth in

this Agreement shall also be deemed a waiver by Respondent of any and all rights to

file exceptions and/or a request for rehearing, reargument, and reconsideration, or to

file any other form of appeal.

10. In the event that this Agreement is modified or not approved in its

entirety, either Party, at that Party's option, may withdraw from this Agreement by

filing a notice with the Commission in this Docket within seven days of entry of such

Order. In that event, this Agreement shall be void and this matter shall be set for

hearing.
