Original Decision No. R14-0389 mailed April 11, 2014

1. Ordering paragraph no. 5 on page 59 of this Decision reads as:

The total Demand Side Management (DSM) portfolio budget of \$100,069,452 which includes \$87,763,495 for electric DSM programs and 412,305,957 for natural gas DSM programs is approved.

That paragraph states that the amount for the natural gas Demand Side Management portfolio budget is 412,305,957. That is incorrect. The correct amount is \$12,305,957. Replace 412,305,957 with \$12,305,957. Ordering paragraph no. 5 shall be amended to read as follows:

The total Demand Side Management (DSM) portfolio budget of \$100,069,452 which includes \$87,763,495 for electric DSM programs and \$12,305,957 for natural gas DSM programs is approved.
