Original Decision No. R14-0513 mailed May 14, 2014

1. The second sentence of ordering paragraph 6 on page 10 of this Decision reads as:

All operations under the extended permit granted shall be strictly contract carrier operations.

That sentence states that the operations granted shall be “contract carrier operations.”

That is incorrect. The operations granted in that Decision are common carrier operations.

Ordering paragraph 6 shall be amended to read as follows:

All operations under the extended authority granted shall be strictly common carrier operations.
