Comments:

We are preparing a major ordinance change now. We currently have a seamless roadway system, this however results in huge losses of ground transportation (GT) revenue. Therefore, we will be charging both upper (drop off) and lower roadway (pick up) trip fees. GT providers use the upper roadway to escape the fees.

Comments:

We are looking into an AVI system to charge fees for hotel shuttle vans entering the commercial lane or flat fee charge per year.

Limo service is offered by the taxi company contracted by the airport and has access to the front terminal curve. None contracted Limo-Services do not pay a fee and can only use the commercial lane for pick/ups.

A few hotels offer Park/Fly service. Only one township in our area prohibits hotels from offering overnight parking due to an ordinance restricting parking spaces to checked0in guests only.

We are monitoring Personal Ride-Bookings and Car-Sharing Services, none so far, are being offered in our area.

- 2) Limited curbside

Notes:

I have attached an Annex which depicts per trip fees (currently we do not issue Delivery Permits). Every commercial operator except for taxis, off airport car rental courtesy vehicles and expedite permitted vehicles have an AVI for the purpose of recording the number of trips made at MIA which is used for invoicing the operator. As stated before taxicabs pay their fee (gate fee) prior to picking up passengers, off airport car rental companies pay per contract or percentage of gross as depicted in the attached survey and Expedite Permits pays a flat fee per vehicle annually. That is why these vehicles do not have an AVI. Non revenue AVI vehicles include the employee shuttle bus, demand service provider (SuperShuttle) and Airport Regional Taxicabs (short haul taxis) for the purposes of monitoring frequency of trips to meet passenger demand.

THIS AGREEMENT, made and entered into this _____ day of _____, 2013, by and between the Trustees of the Oklahoma City Airport Trust, hereinafter referred to as "Trust," and, _____, hereinafter referred to as "Owner/Operator."

1. **TERM**

This term shall commence on _____, _____, and terminate on March 31, 2014.

2. **INTENT**

The purpose of this Agreement is to allow the Owner/Operator of a vehicle for hire service the privilege of operating the designated _____ vehicle for hire service to pick up and deliver passengers, baggage, packages, freight, and similar items to and from Will Rogers World Airport, hereinafter referred to as "Airport." The Owner/Operator shall have joint use, in common with others entitled to such use, of the Airport and appurtenances, together with all facilities, equipment, improvements, and services which have been or may hereafter be provided at or in connection with the Airport for common use by commercial operators. Only areas or zones as designated by the Director of Airports, sometimes hereinafter referred to as "Director," to load and unload its vehicles shall be used in the manner designated for these commercial operations.

3. **FEE**

In exchange for the privilege to conduct said vehicle for hire operations on Airport premises, a fee of _____ dollars (\$_____) shall be paid to the Trust in advance or upon execution of this Agreement. This fee is based on an annual amount set forth by the Trust and is currently \$600 per vehicle for _____ Vehicles for Hire. However, a prorated fee calculated on the basis of the annual fee shall be acceptable upon commencement of a term which represents a portion of a Ground Services Agreement year.

4. **AUTHORIZED VEHICLES**

The Owner/Operator agrees that only authorized vehicles designated on Exhibit "A" attached shall be entitled to operate on Airport premises and must be fully insured during the term of this Agreement. The Owner/Operator shall promptly notify the Director in writing of any additions or deletions of vehicles to or from service during the term of this Agreement for consideration and upon approval by the Director or his designee, this Agreement shall be amended accordingly. In this connection, it is understood that fees for any deletions of vehicles from service are not refundable. The Owner/Operator agrees that any changes to authorized vehicles approved by the Director shall apply without the necessity of formal amendment of this Agreement and be reflected on a Revised Exhibit "A" to this Agreement. Before a vehicle will be removed from the Agreement, the decal assigned to the vehicle must be removed from the vehicle and returned. In no event shall the Owner/Operator have any privilege hereunder to operate any Vehicle for Hire on the Airport (i) until the same shall have been fully registered with the City of Oklahoma City and the Trust; and (ii) unless the identification decal assigned to such vehicle has been properly affixed to and is prominently displayed on the windshield of said vehicle in the manner prescribed by the Director.

5. **NON-TRANSFERABLE**

This Ground Services Agreement nor any related decals or permits are assignable or transferable from one vehicle/driver/company/class to another. Vehicle decals may be replaced only upon written authorization from the Director. The decal to be replaced must be submitted to the Director, or his designated representative, along with an explanation for such replacement.

6. **OWNER/OPERATOR REQUIREMENTS**

Owner/Operator shall have a fleet of at least 5 vehicles which are capable and ready to operate every day at the Airport (taxi and airport shared ride/shuttle vehicles only), provide all necessary information including permit/license numbers, rate cards, and proof of liability insurance coverage as required in Paragraph 9 for all listed vehicles on Exhibit "A" and pay the required annual fee. Operator must have a Business License/Certificate of Convenience and Necessity and comply with all vehicles for hire requirements of the City of Oklahoma City.

7. **TERMINATION**

Either party, at its option, may terminate this Agreement at any time and for any reason by giving thirty (30) days written notice to the other party. There is no refund of fees as a result of early termination by Owner/Operator.

8. **INDEMNIFICATION**

Owner/Operator agrees to release, to defend, to indemnify and to save harmless the Trust, the City of Oklahoma City, and their officers, agents, and employees (i) from and against any and all loss of, or damage to, property, or injuries to, or death of, any person or persons, as well as, (ii) from and against any and all claims, damages, suits, costs, expense, liability, actions, or proceedings of any kind or nature whatsoever (including, without limiting the generality of the foregoing, Workers' Compensation, and any assessments resulting from civil penalties of or by anyone whomever; in matters resulting from or arising out of, or alleged to have resulted from or to have arisen out of, directly or indirectly, Owner/Operator's operations or activities under or in connection with this Agreement, or Owner/Operator's use and occupancy of any portion of the Airport, and including, without limiting the generality of the foregoing, acts and omissions of Owner/Operator's officers, employees, representatives, suppliers, invitees, contractors, or agents. Provided, however, Owner/Operator shall not be liable for any loss occasioned by the sole negligence or willful misconduct of the Trust, the City, or their officers, agents, and employees. Trust covenants to give Owner/Operator prompt notice of any claims. The foregoing indemnity shall survive the expiration or earlier termination of this Agreement.

9. **INSURANCE**

Liability Insurance – Owner/Operator shall purchase, or cause to be purchased, maintained in effect during the term of this Agreement with insurance carriers authorized to do business in the State of Oklahoma and approved by the Director of Airports, any insurance required by this paragraph. The insurance and additional insured requirements shall be written for not less than the following limits of liability, or as required by law, whichever is greater. If the Owner/Operator's commercial general liability coverage or other policy is written in a "claims-made" form, Owner/Operator shall also provide tail coverage that extends a minimum of two years from the expiration of this Agreement.

- (1) Workers' Compensation and Employer's Liability Insurance. Owner/Operator shall maintain during the term of the Agreement, Workers' Compensation Insurance in an amount as prescribed by laws of the State of Oklahoma and Employer's Liability Insurance. (If Owner/Operator has no employees, a verified statement may be provided as a substitute.)
- (2) Commercial General Liability Insurance. Owner/Operator shall carry a policy of commercial general liability insurance, to protect the Owner/Operator and any additional insured(s) from any and all claims for bodily injury, including death, as well as from any and all claims for property damages or loss, which may arise from activities, omissions, and operations under the Agreement, whether such activities, omissions, and operations be by the Owner/Operator, any subcontractor, or by

anyone directly or indirectly employed by or acting on behalf of the benefit of them for the allowed activities.

- Property Damage Liability in an amount not less than one hundred thousand dollars (\$100,000) per claimant per loss, damage to or destruction of property including, but not limited to, consequential damages, arising out of a single act, accident, or occurrence; and
- All other liability in an amount of not less than one hundred seventy-five thousand dollars (\$175,000) per claimant for claims including death, personal injury, and all other claims arising out of a single accident or occurrence with a maximum of one million dollars (\$1,000,000) for any number of claims arising out of a single occurrence or accident; or
- Combined single occurrence or accidental liability in an amount not less than one million dollars (\$1,000,000) for any number of property or bodily injury claims arising out of a single act, accident, or occurrence.

Any deductibles, self insurance, or any program that is less than full 100% insurance coverage, shall be declared in advance of entering into this Agreement and shall not exceed twenty-five thousand dollars (\$25,000). Owner/Operator shall assume and pay for any loss up to this amount. Failure by Owner/Operator to assume and pay for any loss in accordance with this paragraph may be considered a material breach and may result in immediate termination by the Trust, at the Trust's option. Any insurance deductible amounts are subject to rejection or additional requirements at the discretion of the Trust, by and through the Director of Airports.

Certificates of Insurance, acceptable to the Trust, in the form as shown on Exhibit "B," attached to this Agreement or a form substantially similar thereto such as an approved ACORD form which includes at a minimum the type(s) of insurance, name of insurance companies, policy numbers, amount of any deductible or self-insurance retainage, limits of coverage, all additional insured(s), and contractual liability coverage, shall be submitted to Trust in conjunction with the signed Contract. The Certificates of Insurance shall name Owner/Operator as insured and the Oklahoma City Airport Trust and the City of Oklahoma City as additional insured, without reservation or restriction, and in a manner equal and consistent to that of the Owner/Operator, except Workers' Compensation and Employer's Liability Insurance. Owner/Operator must provide the Trust and the City thirty (30) days prior written notice of any cancellation or material coverage change in their policies or to have an endorsement made to each policy including thirty (30) day notice of cancellation or material coverage change should the policy provide a different notice period for additional insureds. Copies of endorsements for all additional insured and notice of any cancellation or material change shall be submitted to the Trust along with the Certificates of Insurance. The Certificates of Insurance must be signed by the Authorized Representatives of the insurance company(s) shown on the certificate with proof that he/she is an authorized representative thereof. Certified, true, and exact copies of all insurance policies required shall be provided to the Trust or the City on a timely basis, if requested.

The requirements of the insurance provisions listed above shall survive the expiration, cancellation, or termination of the Agreement. Applicable policies, unless specified otherwise, shall remain in full force and effect until the expiration, cancellation, or termination of the Agreement.

The Certificate shall also include evidence of coverage for Owner/Operator's contractual liabilities, or its obligations to indemnify. In the event, however, the Certificate is void of any mention of coverage for Owner/Operator's contractual liabilities, or its obligations to indemnify, OWNER/OPERATOR irrefutably covenants and agrees that Owner/Operator has the maximum allowed insurance for its contractual liabilities or obligations to indemnify and Trust may rely on said covenant. The coverage for contractual liabilities or indemnification given by Owner/Operator under this Agreement shall not in any way limit Owner/Operator's contractual liabilities or indemnification obligations hereunder. The minimum insurance requirements set forth above shall not be deemed to limit the obligations of Owner/Operator hereunder.

10. **NONDISCRIMINATION**

The Owner/Operator shall comply with all the following nondiscrimination provisions to the extent that Owner/Operator's activities shall be subject to the same:

A. **Nondiscrimination in Employment**

In furtherance of the requirements of the Civil Rights Act of 1964, the Owner/Operator agrees not to discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, ancestry, age or disability. The Owner/Operator shall take affirmative action to insure that employees are treated without regard to their race, creed, color, sex or national origin (49 CFR Part 21, Appendix C (a)(1)(ix)). Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruiting or recruitment, advertising, lay-off or termination, and selection for training, including apprenticeship. The Owner/Operator, or any sublessee, hereby agrees to post, in a conspicuous place, available to employees and applicants for employment, notices setting forth the provisions of this Article.

B. **Facilities Nondiscrimination**

1. Owner/Operator shall furnish its accommodations and/or services on fair, equal, and not unjustly discriminatory basis to all users thereof and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; provided, that the Owner/Operator may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.
2. Owner/Operator shall make its accommodations and/or services available to the public on fair and reasonable terms without unjust discrimination on the basis of sex, age, race, creed, ancestry, color, national origin, or disability; provided, however, nothing herein shall require the furnishing to the general public of the use of any facilities or accommodations customarily furnished by Owner/Operator solely to its employees, customers, clients, guests, and invitees.
3. Owner/Operator, for himself, his heirs, personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree as covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this deed for a purpose for which a Department of Transportation (DOT) program or activity is extended or for another purpose involving the provision of similar services or benefits, the Owner/Operator shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.
4. Owner/Operator, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Owner/Operator shall use the premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.
5. Noncompliance with Provisions 1 and 2 above shall constitute a material breach thereof and, in the event of such noncompliance, Trust shall have the right to terminate this Agreement and the estate hereby created without liability therefor, or at the election of Trust or the United States, either or both said Governments, shall have the right to judicially enforce said Provisions 1 and 2.

6. Owner/Operator agrees to insert the above in any leases, agreements, or contracts, etc. by which said Owner/Operator grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public.

C. Affirmative Action Program

Owner/Operator assures that it will undertake an affirmative action program as required by Subpart E, 14 CFR Part 152.401, et. seq., to insure that no person on the grounds of race, creed, color, national origin, or sex, as defined by the Airport and Airway Development Act 1970 (AADA), Section 30, be excluded from participation in any activities conducted with funds received from any grant made under the AADA. Owner/Operator assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this Subpart. Owner/Operator assures that its covered suborganizations will give assurances to Owner/Operator that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by Subpart E, 14 CFR part 152.401, et. seq., to the same effect.

11. RULES AND REGULATIONS

Owner/Operator shall observe and obey all rules and regulations governing the conduct and operation of the Airport including the OPERATIONAL PROCEDURES FOR ALL VEHICLES FOR HIRE AT WILL ROGERS WORLD AIRPORT attached hereto by reference, which are reasonably required for the prudent and efficient operation of the Airport and may be amended during the term of the agreement. Further, Owner/Operator agrees to observe and comply with any and all Federal, State, or Local Statutes, ordinances, regulations, and standards applicable to Owner/Operator, or its use of the Airport Premises.

Owner/Operator further understands that if any of its employees or drivers it sponsors to operate vehicles for hire under this Ground Services Agreement violates any of the rules, regulations, operational procedures or any federal, state or local law, this Ground Services Agreement may be terminated and the privilege to conduct business on Airport premises through the issuance of this Ground Services Agreement may be suspended or revoked.

12. NO SOLICITING

Any Solicitation of the general public on Airport property by an Owner/Operator or Driver of a vehicle for hire or by their employees, agents, representatives, or any others on their behalf is expressly prohibited. Drivers of vehicles for hire may not verbally or otherwise solicit, ask, request, implore, intimidate, plead or otherwise engage passengers directly or indirectly for ground transportation service. Only approved advertisements will be allowed in the Terminal or on Airport property. Drivers of vehicles for hire shall refrain from loud or boisterous talk while in the designated area. Cruising or driving past any loading areas in search of or for soliciting prospective passengers is prohibited.

13. CIVIL PENALTIES

Owner/Operator shall be responsible for any civil penalties which may be assessed upon it, or the Trust, or the City, for violations occurring at the Airport by Owner/Operator, its officers, invitees, employees, suppliers, contractors, and agents. Should a civil penalty assessment be made to Owner/Operator, the Trust, or the City as a result of the actions of Owner/Operator, its officers, invitees, employees, suppliers, contractors, and agents, the Trust shall also charge Owner/Operator a processing fee of Two Hundred Fifty Dollars (\$250.00). In this connection, the Trust shall bill Owner/Operator for the amount of the civil penalty fee imposed upon Trust and/or City plus Two Hundred Fifty Dollars (\$250.00). Owner/Operator shall pay Trust such amount immediately upon receipt of such invoice.

In this regard, Owner/Operator will indemnify, defend and hold the Trust and the City harmless from and against any claims, suits, causes of action, costs and fees, including attorney's fees, arising from or connected with any such civil penalty assessment, or claim of such civil penalty assessment. This provision shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the parties have hereunto set their hands to this Ground Services Agreement
as of the day and year first above written.
