4. On October 28, 2020, by Minute Order, Proceeding No. 20A-0375E was referred to an Administrative Law Judge (ALJ).

5. On November 11, 2020 by Decision No. R20-0797-I, a prehearing conference was scheduled for November 30, 2020.

6. On November 25, 2020 Public Service filed its Notice of Consensus Procedural Schedule (Notice).

II. PROPOSED PROCEDURAL SCHEDULE

7. In the Notice, Public Service states the parties have agreed to the following procedural schedule:

9. The proposed procedural schedule is acceptable, and it shall be adopted.

10. The prehearing conference scheduled for November 30, 2020 is vacated.

III. REMOTE HEARING

11. On March 10, 2020, Colorado Governor Jared Polis declared a state of emergency over the novel coronavirus pandemic (COVID-19). Since then, Colorado State government and the Commission have been working diligently to address how to safely and effectively manage the challenges presented by COVID-19. These efforts have focused on limiting the disruption to the services delivered by the Commission (and other State agencies), while attempting to

mitigate the risks to State employees and the public. For example, the Commission has been conducting its Weekly Meetings remotely, and the Commission has asked members of the public not to attend meetings in person, but to view them by webcast. Finally, public access to the building containing the Commission's offices and hearing rooms has been restricted and it is unclear when the restriction will be lifted.

12. Under these circumstances, the hearing will be scheduled as a remote hearing in which the participants will appear from remote locations, as provided below. The ALJ finds that holding a remote hearing is consistent with current public health advisories to prevent the spread of COVID-19. The ALJ concludes that it is in the parties' and the public interest to hold the hearing in this proceeding as a remote hearing.¹

Instructions for Participating in Remote Hearing

13. Attachment A to this Decision provides the requirements and information addressing how to use the GoToMeeting platform for participating in the hearing.

14. Parties must follow the procedures for exhibits contained in Attachment B to this Decision.
