THE COMMISSION ORDERS:

That Rule 11, "Subscriber Deposit", of the Rules Regulating the Service of Telephone Utilities is amended to read as follows:

"Rule 11 - Subscriber Deposit"

Subscriber Deposit. (a) Any utility may require at any time from any subscriber or prospective subscriber a cash deposit intended to guarantee payment of current bills. Such required deposit shall not exceed the amount of an estimated ninety days' bill of such subscriber, or in the case of a subscriber whose bills are payable in advance, it shall not exceed an estimated sixty days' bill for such subscriber, except in the event an extension of lines and facilities is required to furnish such prospective subscriber with service, the deposit may be the amount of the estimated bill for a longer period, if so specified in the provisions of the extension policy. An estimated charge for toll calls may also be included in the total amount of deposit required. Simple interest shall be paid by the utility upon such deposits at the rate of seven percent per annum, payable upon the return of the deposit, or annually upon request of the subscriber, for the time such deposit was held by the utility and the subscriber was served by the utility, unless such period be less than six months. Interest payments may, at the option of the utility, be made either in cash, or by a credit to the subscriber's account. In computing interest, no consideration need be given to fractional parts of months.

(b) Each utility having on hand such deposits from subscribers, or hereafter receiving such deposits from subscribers, shall keep records to show: (1) the name of each subscriber making a deposit; (2) the premises occupied by the subscriber when making the deposit and each successive premise occupied while the deposit is retained by the utility; (3) the amount and date of making the deposit; and (4) a record of each transaction, such as the payment of interest, interest credited, etc., concerning such deposit.

(c) Each utility shall issue to every subscriber from whom such deposit is received a certificate of deposit.
