**COMMISSION ORDER GRANTING
EMERGENCY TEMPORARY AUTHORITY**

Mailed date: March 5, 1992
Adopted date: March 4, 1992

STATEMENT, FINDINGS, AND CONCLUSIONS

BY THE COMMISSION:

1. On February 21, 1992, Jerry B. Robinson, doing business as Cañon Inn, filed Docket No. 92A-069CY-Extension-ETA for emergency temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 47965 to include the transportation of passengers and their baggage, in call-and-demand limousine and charter service, between all points in the County of Fremont, State of Colorado, and between said points, on the one hand, and all points in the State of Colorado, on the other hand.

2. By § 40-6-120, C.R.S., the application for emergency temporary authority is under consideration for a Commission order.

3. Section 40-6-120(1), C.R.S., authorizes the Commission to grant temporary authority when there appears to be ". . . an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need." Section 40-6-120(4) states: "If the commission is of the opinion that an emergency exists, it may issue temporary authority or approval at once by making specific

reference in its order to the circumstances constituting the emergency, in which case no notice need be given, but any such emergency authority or approval shall expire no later than fifteen days after it was issued."

4. The support filed on behalf of this application by Applicant states that their existing authority consists of transporting guests and non-guests to Cripple Creek, Colorado, on scheduled service, call-and-demand, as well as charter service.

Due to various requests from local civic organizations and special groups from Cañon City and the surrounding area, as well as from special groups staying in the hotel, Applicant is seeking an extension to his present authority to serve these requests.

5. The Commission notes that the only other passenger carrier based in Fremont County is Cañon City Cab Co. This company holds authority to provide only taxi service and does not provide either charter service or call-and-demand limousine service. The Applicant will provide service in larger vehicles than those used in taxi operations. Due to this fact and due to the facts stated in paragraph (4) above, the requirements for an emergency exists and the Commission will grant the application without notice pursuant to 40-6-120(4).

6. The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready and able to operate under all Commission rules and regulations governing carriers by motor vehicle.

7. This application for emergency temporary authority is in the public interest and should be granted.

8. The Applicant is advised that the granting of an emergency temporary authority makes no presumption that either a temporary or permanent authority will be granted.

THEREFORE THE COMMISSION ORDERS THAT:

1. Jerry B. Robinson, doing business as Cañon Inn, is granted emergency temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 47965 for a period of 15 days commencing from the mailed date of this Order, with authority as set forth in the attached appendix.

2. Jerry B. Robinson, doing business as Cañon Inn, shall not commence operation until all requirements have been met and notice

in writing has been received from the Commission that the Applicant is in compliance and may begin service.

3. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this decision.

4. This Order is effective immediately.
