COMMISSION ORDER CLOSING DOCKET

Mailing date: March 17, 1992
Adopted date: March 11, 1992

This matter came on for consideration on the motion of the Colorado Public Utilities Commission ("commission"). This rulemaking has been subsumed by the "costing and pricing" docket, Docket No. 92M-039T, and is no longer necessary. Long-run incremental cost is but one of the possible cost methodologies the commission is considering in the costing and pricing docket. Accordingly, we will close this rulemaking, and discuss long-run incremental cost theory in the costing and pricing docket, Docket No. 92M-039T.

THEREFORE THE COMMISSION ORDERS THAT:

1. This docket is hereby closed. Long-run incremental cost issues will be considered in the commission's costing and pricing docket, Docket No. 92M-039T. All parties in Docket No. 92M-039T shall be served with a copy of this order.
2. This order is effective on its date of release (mailing date).

ADOPTED IN OPEN MEETING March 11, 1992.
