SIDE MANAGEMENT PROGRAMS.)	

COMMISSION ORDER MOVING PREHEARING
CONFERENCE TO WEDNESDAY MAY 20, 1992.

Mailing date: April 3, 1992
Adopted date: April 1, 1992

This matter came on for consideration on the motion of the Colorado Public Utilities Commission ("commission"). In order to allow sufficient time to consider this matter, the commission will cancel its regular open meeting on Wednesday May 20, 1992 to hold a prehearing conference in this matter, instead of on Thursday May 21, 1992, as originally scheduled. (The prehearing conference will be consolidated with Docket No. 91R-642EG, the integrated resource planning docket.) In all other respects, the procedural schedule announced in Decision No. C91-1589 (December 16, 1991) remains the same.

THEREFORE THE COMMISSION ORDERS THAT:

1. The commission will hold a consolidated prehearing conference in both dockets, the Integrated Resource Planning Docket, Docket No. 91R-642EG, and this docket, the Decoupling-Incentives Docket, Docket No. 91A-480EG, on Wednesday May 20, 1992 at 9:30 a.m. at the Commission's Hearing Room "A," 1580 Logan Street, Office Level 2, Denver, Colorado 80203.

2. The prehearing conference set for May 21, 1992 is vacated.

3. This decision is effective on its date of mailing.

ADOPTED IN OPEN MEETING April 1, 1992.
