**ORDER DENYING APPLICATION FOR
REHEARING, REARGUMENT, OR RECONSIDERATION AND
MOTION TO STRIKE**

Mailed date: December 28, 1992
Adopted date: December 23, 1992

BY THE COMMISSION:

On October 23, 1992, we issued Decision No. C92-1293, in part, granting exceptions by Complainant Tracy Johnson. Respondent Rocky Mountain Natural Gas and K N Energy, Inc. has filed an application for rehearing, reargument, or reconsideration ("RRR") of our decision. The issues raised in the application were carefully considered at the time the original decision was entered. Therefore, the application is denied.

Complainant Tracy Johnson had previously requested an extension of time within which to file an application for rehearing, reargument, or reconsideration. However, we have been advised that

Complainant no longer wishes to file a request for reconsideration. Therefore, the motion for extension is denied as moot.

Complainant also filed a Motion to Strike Rocky Mountain's application for RRR. No grounds for striking the application were stated in the motion. Rather, Complainant's motion was merely a response to the application for RRR. This motion was improper, inasmuch as our Rules of Practice and Procedure (Rule 22) do not permit responses to applications for RRR. Therefore, the Motion to Strike is denied.

THEREFORE, THE COMMISSION ORDERS THAT:

1. The application for rehearing, reargument, or reconsideration by Rocky Mountain Natural Gas and K N Energy, Inc. is denied.
2. Complainant's Motion for Extension of Time is denied.
3. Complainant's Motion to Strike is denied.

This order is effective upon its Mailing Date.

ADOPTED IN OPEN MEETING December 23, 1992.
