STATEMENT

BY THE COMMISSION:

On December 23, 1992, the Office of Consumer Counsel ("OCC") filed its Application for Rehearing, Reargument, or Reconsideration ("RRR") to Decision No. C92-1519. The application states that the OCC is simply requesting clarification of ordering paragraph 1(b) of our prior decision. In particular, the OCC requests clarification that the annual report referenced in paragraph 1(b) is merely a filing requirement for the reporting of low-income energy efficiency activities, and that changes to the demand side management clause adjustment rider shall be limited to the presently existing April 1 filing by Public Service Company of Colorado with the effective date of July 1 of each year. Now being duly advised in the matter, we hereby clarify Decision No. C92-1519 in accordance with the OCC's application for RRR.

THEREFORE THE COMMISSION ORDERS THAT:

Decision No. C92-1519 is hereby clarified in accordance with the Colorado Office of Consumer Counsel's Application for Rehearing, Reargument, or Reconsideration consistent with the above discussion.

This Order is effective on its Mailed Date.

ADOPTED IN OPEN MEETING January 20, 1993.
