### STATEMENT, FINDINGS OF FACT, AND CONCLUSIONS

#### BY THE COMMISSION:

On January 25, 1993, Synergistics, Inc., doing business as

Colorado Gambler's Express, Inc. and/or Colorado Springs/Pueblo Airporter, Inc., filed 1st Revised Page No. 5 to Passenger Tariff, Colorado PUC No. 2. These proposed tariff changes result in increased rates for the transportation of passengers in call-and-demand service between the Colorado Springs Municipal Airport and points in the Colorado Springs area. Staff analysis indicates that the proposal may result in increases in rates of up to 33.3 percent.

The financial justification furnished by the carrier is based upon the seven-month period ending July 1992. No segregation of revenues and expenses for the airport transportation service has been provided and no pro-forma statement showing the effects of the proposed rates has been provided. The commission, therefore, is unable to determine revenue need or whether the proposed rates are just and reasonable.

The commission believes a hearing concerning the propriety of the tariff filing is required and the effective date of February 26, 1993, should be suspended.

### THEREFORE THE COMMISSION ORDERS THAT:

- 1. It shall enter into a hearing concerning the lawfulness and propriety of 1st Revised Page No. 5 to Passenger Tariff, Colorado PUC No. 2, filed by Synergistics, Inc., doing business as Colorado Gambler's Express, Inc. and/or Colorado Springs/Pueblo Airporter, Inc.

- 4. The investigation in this proceeding shall not be limited to the matter and issue stated here for instituting this investigation, but shall include all matters and issues with respect to the lawfulness of the proposal under the Public Utilities Law.

- 5. A copy of this order shall be filed in the office of the commission and a copy shall be served upon Yolanda Watson, President, Synergistics, Inc., doing business as Colorado Gambler's Express and/or Colorado Springs/Pueblo Airporter, Inc., P. O. Box 5008, Woodland Park, CO 80866.

- 10. No witness shall be permitted to testify nor shall any document be received in evidence, except in rebuttal, unless served and filed as required in this decision.
- 11. Upon motion of the commission or any party, the suspended tariff filing may be rejected by the commission if the Respondent does not meet the requirements in this decision, including but not limited to the prefiling requirements found in Ordering Paragraph 8, unless good cause for non-filing is shown.

- 12. No motion for any continuance shall be granted if filed within 20 days before the first day of hearing, except for good cause shown. No objection to the procedure established in this decision shall be granted, except upon timely motion showing good cause.
